

Nomination Form

Chanel Person of the Year

The Chanel Person of the Year is the Principal's Award. A previous principal, Brother Roger Burke, started this award and it is a tradition that has been maintained by the Principals since that time.

Recipients of this award have given outstanding service to the College Community over an extended period of time. It is not easy to reach the standard required to achieve this award.

We owe it to all those who have previously received the award to make sure that the high standard of the award is maintained, to not do so devalues their contribution. To achieve the award a person must meet all of the criteria for the award.
