APPRENTICESHIP OPPORTUNITIES

Apprentice Diesel Fitter, Gladstone Regional Council, Calliope **NEW**

The purpose of this position is to support the Fleet Maintenance section by undertaking, to completion, Certificate III in Engineering - Mechanical Trade (Diesel Fitting) training, to repair, service and maintain Council's fleet of heavy earthmoving plant and heavy vehicle assets.

About you

1. Completion of Senior Certificate.
2. Minimum sound achievement in Mathematics and English.
3. Time management skills to prioritise and complete tasks.
4. Communication and literacy skills to complete required paperwork.
5. Perform physical tasks on a daily basis.
6. Work Safely in the Construction Industry (White Card).
7. Legally able to drive a motor vehicle in Queensland.

Applicants are required to answer the job specific screening questions and provide a resume, as this forms part of the application process. For further information about the role, please refer to the position description. Applicants should note that due to the volume of applications expected, the evaluation process will take several days and feedback on individual applications submitted is unable to be provided.

APPRENTICESHIP OPPORTUNITIES

Mechanical Fitter Apprenticeship, Gladstone

EnerMech is one of the world's leading providers of fully integrated mechanical, electrical and instrumentation services to the global energy and infrastructure markets. With more than 3000 people in 40 locations across 23 countries, our Australian operations provide both on and offshore services to a number of local and global clients in the region.

We have a great opportunity for a motivated, mechanically minded individual to undertake their MEM30205 Certificate III in Engineering - Mechanical Trade apprenticeship in our Gladstone workshop.

The Certificate III in Engineering - Mechanical Trade covers the competencies required for employment as an Engineering Tradesperson - Mechanical, including the design, assembly, manufacture, installation, modification, testing, fault finding, commissioning, maintenance and service of all mechanical equipment, machinery, fluid power systems, stationary and mobile equipment, instruments, refrigeration, and the use of computer controlled machine tools.

We are looking for an individual who is committed to undertaking to completion the full four year apprenticeship, and who will enjoy working across a diverse range of specialist on and offshore equipment and machinery.

To be considered for this role you will need the following:

- Minimum completion of Year 12
- Strong mechanical aptitude
- Ability to problem solve and learn new concepts
- Ability to work under supervision
- Capable of meeting pre-employment medical requirements, including fitness and D&A testing
- A commitment to working Monday - Friday, and Saturdays as required

If you would like to apply please do so via the link or directly through our website at

www.enermech.com/careers/vacancies

TRAINEESHIP OPPORTUNITIES

Warehouse Traineeship, Gladstone **NEW**

Our client provides engineered products, services and solutions to diverse markets in Australia, New Zealand and SE Asia, employing over 1300 people. Their success is founded on a large portfolio of market leading products, well established networks, continuous innovation, Australian manufacturing facilities and extensive sales and distribution capabilities. Key customer sectors are mining, oil and gas, manufacturing, agriculture and automotive.

About the role

Reporting to the Branch Manager, your day to day responsibilities will include, but not limited to;

- Stock control and Management in a warehouse environment
- Pick, pack and despatch stock
- Organise business resources and equipment
- Provide sales assistance and customer service
- Coordinate and make delivering in a work vehicle
- Contribute to the overall objectives of the team
- Operate a forklift

This is located at Gladstone and is a role that will enable you to build your knowledge of the company and its products within a Warehouse Environment. On successful completion of a Warehousing qualification, stand out applicants will be given the opportunity to progress into a Business Qualification and be promoted into a Sales Consultant position.

About you

To be successful in this role you will have;

- An interest in the mechanical or automotive fields (desirable)
- Ability to solve practical problems effectively
- Work autonomously on set tasks through to completion
- A positive and can-do attitude, including having a desire to complete a qualification at certificate 3 level or above
- A keen eye for detail
- Good computer skills including knowledge of the basic MS Office Suite and capabilities in using Excel/spread sheeting (highly desirable)
- Ability to commit to a 12-month traineeship.
- Drivers Licence is a must
- The Successful candidate will be required to undergo a drug and alcohol screen.

Benefits

Join a growing organisation as a trainee and watch your career soar! You will be working full time and earning a weekly wage. You will be enrolled in a nationally recognised training course, which is fully paid for by the employer! You will also have regular, one on one support throughout your traineeship. On completion of your traineeship you will have access to ongoing opportunities for progression and development.

This traineeship will elevate your level of professionalism and employability. Don't miss out on opportunity to be part of such a vibrant and forward moving team. For further enquiries please contact Emma Callinan 3387 0684.

MEGT (Australia) Ltd is a Child Safe and Equal Opportunity employer committed to child safety and providing a work environment that values diversity and inclusion.
