VOLUME 49

"To act justly, to love tenderly and walk humbly with your God" Micah 6:8

From the Principal

Throughout this year, the Student Representative Council has been preparing the contents of a time capsule that is to be opened in 2041 on the occasion of Chanel College's 75 year anniversary. Yesterday in a special ceremony, the time capsule was buried in the same location as the time capsule that was buried on 16 August 1983. This time capsule was opened on Saturday 4 June. Among the contents was a letter written by the Principal of the time, Br Colin Marstin. I share with you his letter addressed to our community.

Sports Awards

Last Monday we celebrated our annual Sports Assembly to recognise those students, staff and members of the community who have participated in or supported our Chanel sporting program during 2016. The sporting program is an important part of life at Chanel; it is a busy calendar providing many opportunities for students in a very diverse range of activities. Thank you to Miss Kylie Kickbusch, our Sports Program Leader, who organised the assembly and who has generously given so many hours of her own time to coach and manage teams. Miss Kickbusch has included details of the recipients within the newsletter. Congratulations to all students and staff who have participated in the sporting program this year!

Student Free Day

A reminder that Monday 17 October is a student free day. Please note that the College Office will be closed due to QCAA Verification Meetings and staff professional development on this day.

Awards Night

A reminder that our Awards Night will be on Thursday 20 October in the Marian commencing at 6.30 pm. This is a significant event in our school calendar and a chance to highlight and celebrate the great achievements of our students. All students in Years 7 – 12 are expected to be in attendance. We ask that students and parents arrive and are seated by 6.20 pm. As a sign of respect to the students receiving awards we ask that parents and students remain for the duration of the ceremony. The evening is anticipated to conclude by 8.30 pm.

God bless

GLADSTONE CATHOLIC HIGH SCHOOL

P.O. BOX 328

To the Principal, Staff, Students and Parents,
Gladstone Catholic High School
Golden Jubilee Year (2016)

11 PATERSON STREET,
GLADSTONE. Q. 4680
16th August, 1983.

At this time of rapid social change it is practically impossible to predict what this school will be like in 33 years time. So much has happened in the past 17 years since the foundation of this school that the one thing we can be assured of is that the city, the school, the local community and the nation will be very different again by the time of the Golden Jubilee of the school.

Today is Celebration Day at the school. We stop to celebrate what this school means to us - its history, its Christian foundations, its faith, and its hopes for the future. This time capsule symbolises our faith in the future of this school and in the continuing value of its work with the children of Gladstone. We hope that those who open it in the year 2016 will feel part of a long and colourful heritage, part of a whole process of growth that began as a small seed, was nurtured and cared for through many difficult times, and has grown into a strong and vigorous tree.

The present staff and students convey their blessings and best wishes to the school community of the Golden Jubilee Year. May you continue to prosper in all your endeavours and may you bear the fruits of our prayer for you today :

" May God give you the power through his Spirit for your hidden self to grow strong so that Christ may live in your hearts through faith and then planted in love and built on love may you be filled with the utter fullness of God " (Eph 3:16, 19)

Yours faithfully,

Colin Marstin

Br. Colin Marstin

Principal,

on behalf of the present school community.

Second Hand Uniforms

The second hand uniform 'shop' is open each Wednesday at first break (during the School Term). Money raised supports the work of various missions both nationally and internationally. ***If you have uniforms your child no longer requires - all donations are gratefully accepted and many thanks to those who have already sent in donations.***

Buddies Day

Our enthusiastic group of Buddies are looking forward to the next outing for Buddies Day this Sunday with a visit to East Shores. Our thanks go to the parents, who support their children in this outreach to our wider community.

2017 Student Leader Retreat 17-18 October

Our 2017 student leaders will spend two days retreating at Tanyalla learning about, and reflecting on, being servant leaders next year. Please pray for them that they may be open to the experience and the opportunities offered to them.

Mission Month

Theme for 2016 "Just as you did it to one of the least of these you did it to me", focuses on the lives of children in Cambodia who cannot gain an education in the hope to break the cycle of poverty, because their families live in poverty.

Why a whole month? Mission Month lasts the whole of October to bring more awareness to Jesus' mission of creating a world where all can live a fully dignified life and this mission is central to the Catholic Church. The whole month has been dedicated to reflection in the hope that all the baptised will be more committed to Christ's mission of salvation for the world.

Together we can help the children in Cambodia, and throughout the world, grow up to be fully alive, and achieve their dreams of a positive and hope-filled future. For more information and activities visit <http://www.catholicmission.org.au/wmm/about-wmm>

Anti-Poverty Week – 16-22 October

The main aims of Anti-Poverty Week which are:

- strengthen public understanding of the causes and consequences of poverty and hardship around the world and in Australia;
- encourage research, discussion and action to address these problems, including action by individuals, communities, organisations and governments.

Right now, one in every six people around the world lives on less than \$1 a day. It DOESN'T have to be this way.

Think about the world you would like to see – what does it look like? What would you wish for on the road to ending global poverty? You can also send your wish to your local Member of Parliament and the Prime Minister, urging them to hear your call and take action. Also, share your wish via Facebook and Twitter to let all your friends know! Together we can work towards a better world – a world where poverty is history! <http://www.antipovertyweek.org.au/>

Thursday Mass

Thursday 20 October – Mrs Chapman's Year 7C RE Class.

Mass is celebrated in the College Chapel at 10.40 am each Thursday. **ALL WELCOME**

Please Pray for ...

- the sick and suffering in our world, especially people in our community
- Children in our world who are living with the constant threat of violence and in poverty
- The people of Syria and surrounding countries as their political struggles continue.
- The work of the Church helping the marginalised and disadvantaged people in many areas of the world

Praise and Thanks for...

- Civilians and defence personnel working to rebuild lives and to bring peace, unity and justice in many parts of the world.
- People in our local community giving tirelessly to protect and help others
- Individuals and organisations who diligently work to alleviate poverty and inequality in our world.

If you have any requests for either of the above prayers, please leave your request at the Office.

All Schools Girls Touch Football

The girls started out well, having had a great sleep the night before in Brisbane instead of having to play straight away after a 8 and a half hour bus trip. They came out with all pistons firing and the Glennie School, a long time rival and a favourite in the Chanel boys' hearts, didn't know what hit them. The girls won convincingly 9 to nil, with Taylor Langdon splitting their defensive line to initiate some tries.

Up next was St Saviours, who were completely shut down early on by the girls great defensive effort. Chanel won 8 to 1. Redlands College was the girl's next opposing team. This game had the largest scoring margin, the girls had a 12 to nil win with Lucy Devlin and Abby Dendle setting up some impressive tries.

The Chanel girls found themselves in a much tougher game against Carmel College but still managed an awesome 7 to 4 win. Kiara Holzberger perfectly executed a try saving dive in defence which provided the girls with an extra burst of excitement and energy while Carly Hill's performance earned her her very own male cheer squad from another school. The girl's second last game, against Marsden State High School, proved to be an extremely intense game. Lilly Peachy was extra strong in defence, putting in a shot which left a girl crawling for the sideline while the two wingers, Briony Challis and Aimee Kane (who didn't sub off the entire carnival) proved vital in completing some of Chanel's tries. The girls ended up getting a 5 to 1 win with the aid of the Chanel boys' insane supportive effort (aka convincingly screaming over the Marsden supporters). Turns out Marsden's best player was our one and only Dan Larose refereeing our game nearly causing a disaster, but Sidney Blake sealed the deal with a run away try right on the hooter in front of the great support crew.

The final round game was against St Margaret's Anglican, who the girl's beat 10 to nil. The Chanel girls were convincingly undefeated through all their round games, winning Pool B and finishing on 18 points and an extremely impressive for and against of plus 45. The fifth day of the carnival the girl's found themselves in the top 16 out of 63 teams and in the finals against Kirwan, a touch school of excellence. With a lot of nervous energy, the team took the field ready to go. The gromet, Sophie Duff, more than proved her worth in the team, having burst through Kirwan's strong defensive team, ran the field and scored the only try of the game. Chanel won 1 to nil, which got them into the next stage of finals against Chancellor, the winners of the carnival last year and a team that had just won 18 to nil. Chanel was now in the top 8, the best the girl's team has done in history. The game was a tough one and the girl's, again, had to work hard in defence. Unfortunately, the game ended with Chanel down 5 to nil, the closest any team got to beating this year's winners of the All School's touch competition 2016 18 girls, Chancellor.

The girl's efforts, were outstanding. Captains Taylor Langdon and Carly Hill were extremely proud of the young group of girls and were honoured to have done so well in their final All School's competition. Overall, the Chanel girls came 5th out of 63 teams, in the biggest touch competition in the world.

All Schools Boys Touch Football

Coming into the tournament, the boys were major underdogs especially without the one and only Mr Davis by their side.

After last year's performance of 1 win from 6 the boys were pumped and out for revenge. They won both of their opening games 5-3 and 3-2 against Corinda and St Laurence respectively.

On the second day of competition the lads were boosted by a special appearance from their spiritual leader and Futuna hall of fame member Justin Cridlan. Even with their spiritual leader the boys could not pull through against last year's winners Rocky Grammar with former Chanel player Reece Copley doing the damage with a run-away try chased down by the current Lachlan Duff, only to be fingertips away from making a try saving touch. But we didn't let them get through unscathed with Jaiden Eddy putting the shot of the carnival on an Australian representative player.

The lads bounced back from the 9-3 loss to Grammar to beat St Eugene 6-0 with Andy Kelly taking a full field intercept to seal the win. On the third day after a well-deserved sleep in, the boys knew the task ahead of them needing 2 wins from 2 to progress to the finals.

The boys came out firing on all cylinders against Marymount causing them to have two players subbed off and the manager sent from the box within the first 5 mins, the lads ran out 6-2 winners with Joe Romagnolo taking a try saving intercept to run the field only to be called back for a penalty.

The final game was what Mr Davis would call a "simple equation" a win and you make finals. Before we took the field our champion team took a knee in a tight huddle to listen to our spiritual leaders the Cridland Brothers. Plenty was said during these intense moments but the moral of the story is WE ARE DUCKS and DUCKS FLY TOGETHER. After a fiery start, the brothers pulled through for each other and made it 1-0 off their favourite tap play, aka the Stanhope. The lads saw their 1 try advantage slip to be trailing by 1 only to level through Tallis Stanhope. On the final play of the game, Helensvale threw a long ball for the win, only for the speedster Liam Coleman to pluck the ball from thin air and be off and put the ball down on the hooter to win the game. Our champion girls going nuts on the sidelines to help us celebrate. For the first time in the history of Chanel All Schools Touch, both the boys and girls teams had made the finals.

The celebrations began with the Chanel war cry belted out loudly and proudly in the middle of field 1 for everyone to see. The celebrations then continued on to the bus all the way back to the motel belting out the classics with Mr Hayes and Mr Rose.

After a restless nights' sleep for a few of us we met with Coach Shaun Cridland's old confraternity rivals Sienna Catholic College who were to become our next victim. Once again getting off to a cracking start with the future Futuna 1 hall of fame inductee Tallis Stanhope setting Ronan McGuire up with a little help of Jaylyn's left shoulder. This was the start we talked about in our pre game speech, another cracker by the boys I might add. We ran away with a 6-3 victory to equal Chanel's best ever efforts at all schools.

Unfortunately the boys couldn't take the next step and knock off their spiritual leader's record going down to Iggy Park 7-4 the result could have easily gone the other way. The boys still fly away from this with their heads held firmly high knowing that they did the college proud.

PUBLIC SPEAKING

Competitions

Chanel College Public Speaking Competitions

Years 10, 11 and 12 Senior Chanel College Public Speaking Competition:

Tuesday 25 October starting at 6 pm in the College library.

Years 8, 9 and 10 Junior Chanel College Public Speaking Competition:

Wednesday 26 October starting at 6 pm in the College library.

The aim of these competitions is PARTICIPATION so please talk with your child about the Chanel College Public Speaking Competitions. Students can talk on any topic suitable for a family audience. They can read a prepared script, reuse an old assessment or speak off the cuff. We want all Chanel students to gain the confidence to address others, whether at work, family occasions or in the community. How many people look miserable as they say, "I wish I had the confidence to speak in public." Now is the time to do something about it and already we have entry forms from students from Year 7 to 12!

There will be money vouchers for the winners and runners-up to recognise their talent and effort, but all students who participate are winners and all will receive a certificate for their resume. Please join us for a couple of very pleasant, entertaining and informative hours in the College library at 6 pm on Tuesday 25 October (Seniors) or Wednesday 26 October (Juniors).

Why not tell the friendly audience about why computer games are better for you than homework, the real reasons why you play soccer or about why you love your pet?

Ideas and help are available from Mrs Marsh and parental permission forms are due back this Friday.

Wendy Marsh

Chanel College Public Speaking Coordinator.
