Term 2 Week 1
VOLUME 49

"To act justly, to love tenderly and walk humbly with your God" Micah 6:8

From the Principal

Welcome back! I trust that all students and staff had an enjoyable holiday and are ready to face the challenges of an 11 week Term 2! There is so much to "Rejoice and Be Glad" about this week. Our new buildings are operational and staff and students are enjoying the benefits of the new facilities. Thank you to all staff members for their assistance with "the move". Naturally there will be a number of "settling in issues" as we adapt to our new environments, so I ask for your patience and understanding as we work through these issues.

In order to ensure the safety of our precious students, I ask that parents follow the new drop off and pick up procedures. These have been communicated over the last few weeks and are available on the College website for your convenience.

The front reception is open from 7.30 am and the student reception is open from 8.00 am.

The blessing and opening of the new facilities will be on **Chanel Day – Wednesday 1 June**. This will be the beginning of our Golden Jubilee Celebrations. I remind you of the program that was distributed last term and is available on our Facebook site and our website. It would be great to see many past students, parents and staff come along to our events, so please assist in spreading the word. An important part of Chanel Day is the announcement of the Chanel Person of the Year, so it is with great pleasure I call for nominations for the **2016 Chanel Person of the Year**.

The Chanel Person of the Year is the Principal's Award. A previous principal, Brother Roger Burke, started this award and it is a tradition that has been maintained by the Principals since that time.

Recipients of this award have given outstanding service to the College Community over an extended period of time. It is not easy to reach the standard required to achieve this award.

We owe it to all those who have previously received the award to make sure that the high standard of the award is maintained, to not do so devalues their contribution.

To achieve the award a person must meet all of the criteria for the award.

The criteria are as follows:

- The person must have completed their time at the College.
- A current member of the College community must have nominated the person. The nomination must be in writing and address all of the criteria other than those relating to financial commitments.
- The level of service must have been extraordinary, significantly above that offered by other members of the community.
- The service must have been of a benefit to a significant proportion of the College community.
- The level of service must have been maintained over a significant number of years.
- The person must have consistently acted as a positive ambassador within the College and wider community.
- The person must have worked cooperatively with the College administration.
- The person must be a Christian role model that others can be encouraged to emulate.
- The person must not have any outstanding financial commitment to the College.
- The College must not have any outstanding financial commitment to the person involved.

Because of the nature of some of the criteria the decision is not open for public debate. The Principal's decision is final and binding.

Nomination forms are available from the College office. The decision will be based on the nominations received by the closing date, which is **4.00 pm Monday 3 May 2016**.

Year 7 for 2017 Enrolments

Year 7 2017 Enrolments applications open next week. I would warmly invite prospective students and their parents/guardians to our Year 7 Information Evening on Tuesday 3 May. Tours of the College will commence from 5.00 pm with the formal presentation commencing at 6.00 pm in the Marian Centre. This is an excellent opportunity to view our facilities and to meet our staff and students. First round applications close on **Friday 27 May 2016**.

Year 10 English

What a better way to end Term 1 than with a rap! Year 10 English were exploring the portrayal of Adolescence in the Media last term. They were dismayed to find that many stories regarding teenagers in the media were negative. They set about writing inspirational raps which highlight the many positive characteristic of adolescents in today's society, not that we needed convincing. Their wonderful rhyming skills, clever poetic devices and persuasive techniques left Mrs Logan in awe. A wonderful way to end Term 1 proving that our future is in safe hands.
