"To act justly, to love tenderly and walk humbly with your God" Micah 6:8

From the Principal

Welcome back to Term 3. I hope that all students and staff had an enjoyable holiday and that everyone is looking forward to the challenges of Semester 2!

We have had several visitors in the College this week. From Monday to Wednesday we were privileged to have four students from the seminary in Brisbane spend some time with our students and staff. They are fine young men who shared some great messages with our community. They also shared with me how welcome they felt during their time at Chanel and how impressed they are with our wonderful school. We wish them every blessing as they continue their studies to become priests.

This morning we had the pleasure of a visit by Bishop Michael. He spent some time visiting classes and celebrated Mass with Ms Ryan's Year 10 Study of Religion Class.

At assembly on Monday our community participated in a very special NAIDOC Week Liturgy prepared by Ms Dyer and led by our Student Leaders. NAIDOC Week celebrations are held across Australia each July to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. The theme for NAIDOC Week 2015 is **We all Stand on Sacred Ground: Learn, Respect and Celebrate**. The theme highlights Aboriginal and Torres Strait Islander peoples'

strong spiritual and cultural connection to land and sea. The theme is an opportunity to pay respects to country; honour those who work tirelessly on preserving land, sea and

culture and to share the stories of many sites of significance or sacred places with the nation.

As the oldest continuing culture on the planet, the living culture of Aboriginal and Torres Strait Islander people is intrinsically linked with these sacred places. Sacred places can be a geographic feature like a river or lake, a beach, bays, inlets, hills or mountain ranges or ceremonial grounds, galleries of rock art or engravings or places used for gathering for cultural practices. Long before European arrival, these places had traditional names - names that now reflect the timeless relationship between the people and the land. Often sacred places are connected with Dreaming stories or tell of the meaning of an area. This year's theme was also chosen specifically to highlight and celebrate the anniversary of the 'Handback' of Uluru, one of these sacred sites, to its traditional owners on 26 October 30 years ago. QISSN & Confraternity

Congratulations to our Confraternity and QISSN teams who competed at Ipswich and Boondall during the first week of the holidays. It was a great week and I was proud of the way that they conducted themselves on the courts and fields. All students were wonderful ambassadors for Chanel. It was great to see so many parents and family members supporting our teams at the two venues. Thank you to Miss Kickbusch, Mrs Johnson, Mrs Lisle, Mr Davis, Mr Homann and Mr Boge for their commitment to these teams and for giving up a week of the holidays in order to allow our students to have this experience.

Staffing Updates

Mrs Rippingale and Mrs Miles are currently enjoying some long service leave during Term 3. Welcome back to Mr O'Mara who will be teaching Maths classes this term and thank you to Mr Boge for accepting the position as Acting Mathematics Curriculum Leader.

Year 11 Leadership Retreat

All Year 11 students will be participating in their Retreat next week. The theme for this Retreat is Leadership and, specifically, the concept of Servant Leadership. This week also begins the process of nominating for student leadership positions for 2016.

National Evangelisation Team (NET) – Billets Needed

The National Evangelisation Team will be in Gladstone 13-15 September this year and for one day they will be presenting to our Year 8 students. While in Gladstone, they will be requiring accommodation for **3 nights – 13, 14 & 15 September** - and we are looking for volunteers to billet these young people. The Team has 4 male and 6 female members and in the past they have preferred to be billeted in twos or threes. If you are able to help, by providing food and accommodation for the NET members, please contact Mrs Hore at the College ASAP.

NAIDOC Week (5-14 July)

NAIDOC (National Aboriginal and Islander Day Observance Committee) Week was celebrated at Chanel with a special Liturgy on Monday, focusing on this year's theme *WE ALL STAND ON SACRED GROUND: Listen, Respect & Celebrate*. The theme highlights Aboriginal and Torres Strait Islander peoples' strong spiritual and cultural connection to land and sea. The theme is an opportunity to pay respects to country; honour those who work tirelessly on preserving land, sea and culture and to share the stories of many sites of significance or sacred places with the nation.

NAIDOC's origins can be traced to the emergence of Aboriginal groups in the 1920s which sought to increase awareness, in the wider community, of the status and treatment of Indigenous Australians. NAIDOC is a celebration of Aboriginal and Torres Strait Islander cultures and an opportunity to recognise the contributions of Indigenous Australians in various fields.

CONFRATERNITY

CONFRATERNITY CAMPAIGN 2015

As most of you already know, 18 young men set off to the tropical paradise, the heartland of rugby league, Ipswich. Arriving at approximately 3.12 pm on Sunday 28 June, we proceeded to the opening ceremony at St Peter Claver College.

Our first game was against Good Shepherd College and it was electrifying. The crowd were on their feet, cheering every Chanel score. Ben Grey had a Man of the Match performance, closely followed by Hayden Oliver and Ben Emerick. Ben Emerick ended the week as Chanel's top try scorer.

Chanel was unlucky to lose the 2nd, 3rd, 4th and 5th games. These games were to Mt Maria and Holy Spirit, who ended up winning the Confraternity Trophy. Hugh Bradley Woods was the Man of the Match for the 2nd, 3rd and 4th games while Riley Johnson was the Man of the Match for the 5th game.

On the Wednesday, the boys enjoyed some much appreciated down time to go to Movie World and meet up with the QISSN Netball girls. Many stories were swapped regarding each other's achievements over the previous day's plays.

Our final game on Friday was against St Augustines. The boys dug deep and came away with a strong victory, dominating our opponents. Throughout the week, many injuries were sustained, but this did not stop NRL quality plays being performed. One example was the faultless mouse trap by Ben Grey and James Hayman.

The final placing of the Chanel team was 7th in Division 3. It was a little unfortunate that in the pool rounds and finals, Chanel had to play the strongest team in the division twice. This definitely effected the final placings, but that is the challenge of the campaign over the week.

Our fearless leaders were second to none in the carnival. Our Vice-Captain Benn Richardson and Captain Hugh Bradley Woods led by example in all games with their positive attitude and strong play. Their support to Coach Anderson throughout the season was invaluable.

None of this would have been possible without our Coach Chris Andersen, Assistant Coach Ben Platt and the teaching staff Mr Boge, Mr Homann and Mr Davis. We would also like to thank our Touch Judge and Hydration Officers, Sam and Joe Romagnolo. The team would also like to thank our Sponsors and supporters, Anton and Julie Guinea from the GUINEA GROUP OF COMPANIES, Phil and Ann-Maree Hayman from HARBOUR CITY VET SURGERY and Kirk and Julie Porter from KJP HAULAGE. Finally, a HUGE THANKS to our parents who gave us this opportunity. It was a great trip and was one of the highlights of our school endeavours.

Written by James Hayman and Ben Grey.

QISSN

QISSN Netball Carnival

The annual QISSN (QLD Independent Secondary Schools Netball Carnival) was held during the first week of the past school holidays. 10 girls, myself as coach, Mrs Lorraine Johnson team manager and Mrs Kerri Lisle team primary carer, travelled down to Brisbane to play in the week-long event. The team started in Pool 6 and played 7 games over the Monday and Tuesday. The 4 games on Monday was tough, but the girls played outstanding netball to win 3 out of the 4 games. They overcame a shaky start in game 1, with our opposition being delayed by 5 minutes due to traffic. This proved to be an unsettling groove for the girls and unfortunately lost the game – but bounced back to win the remaining 3 games playing strong full-court defence and quick short attack. Tuesday the girls had 3 games – these turned out to be the top teams in our pool and proved to be close, tight games. A loss, a win and a draw ensured the team would finish in the top 4 of Pool 6 meaning we would move up into Division 5 for the finals. Again our full-court pressure in defence was the team's strength and caused headaches for our opposition. Rest day (very well earned) on Wednesday was spent at MovieWorld where the team (and myself and Mrs Lisle) took to the thrill and adrenaline rides. Finals day was Thursday and Chanel would be playing the top team from Pool 5. The girls came out with a 'bang' and smashed the opposition in the first quarter to set themselves up for a memorable win. This was probably their game of the carnival – everything clicked and caused Holy Spirit to turnover ball and try and force the pass through the zone defence. The win meant the girls would finish in the top 4 of Division 5. The second final started strong, but we were worn down by their speed of ball movement and committed too many turnovers. The girls did not drop their heads, and managed to pull together to win the final quarter but unfortunately it wasn't enough to take the game – we would enter Friday to play-off for 3rd and 4th position. Our opponents were the same as last year for the final – All Souls St Gabrielle's. The team was up and ready for the game and started strongly with again, the zone defence forcing them into errors and turnovers. But I think the long week had taken its toll physically and mentally and we went down 16-19 to finish in 4th position. This is the best result for a Chanel team at QISSN – so congratulations on a fantastic week girls. Yasmin Ramsay was voted Team MVP by the opposing teams for Chanel – congratulations Yaz, you had a fantastic carnival and played out-of-your-skin each and every game.

We had been in training for 12 weeks in the lead-up to QISSN and the improvements I have seen in all 10 players was phenomenal – you played for each other and stuck to the game plan, zone defence and quick ball movement. Opposition teams 'freaked out' with the defensive pressure you used – so great work. Thank you to all parents, siblings and family who came down to Brisbane to support the girls – it was fantastic to see you all at the courts supporting the team, we really appreciate all the support, cheering, washing and travel you did for us as a team. To Lorraine and Kerri – thanks for your support of me with the team without your support throughout the week, the carnival and success of the team would not have been possible. Bring on QISSN 2016.

Athletics Carnival

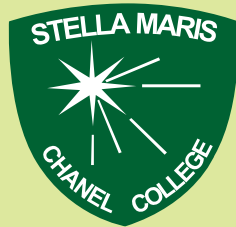

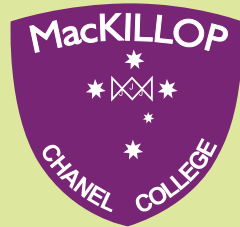

At the beginning of the term, a bet was made – if MacKillop House win 1 of the Interhouse carnivals, I would wear purple for the entire term; OR if MacKillop finished above Stella Maris (the House that I am in), I would wear purple for a week. Keep reading to see if this came true!!!!

What a fantastic and fitting way to end Term 2, with the annual Interhouse Athletics Carnival. It was a jam packed, but eventful 2 days of running, jumping and throwing. Although a bit chilly each morning, the competition during the day was 'red-hot'. I love seeing the Houses come together, all dressed in their House colours supporting and cheering their fellow teammates on and having friendly banter with friends from other houses. It's during sports carnivals and whole House events that we as a College come together and celebrate and compete in the Chanel Spirit.

Day 1, Thursday, was the busiest day for events, with the highlights being the 100 M and Chanel Gift races. These were very closely contested and some outstanding times were recorded. Congratulations to Braiden Harrison (15 Year Old Boys) for taking out the Chanel gift for the 3rd straight year. This year, Braiden gave the competition a 15m head start and mowed them down before the finish line, great result and excellent show of speed Braiden. New records were set for all Javelin and Discus events and some other outstanding students jumped or threw themselves into the record books. My favourite event has to be the 4x100 M relay, which warrants being the last event of the carnival. The relays compile together the fastest 4 runners from each age group for each house. The crowd is pumped and massive cheers can be heard as the final runners come down home straight. Congratulations to Futuna House on being crowned Athletics House Champions – great team effort by all students from Futuna. MacKillop House took home the Spirit Award for their costumes, participation, student helpers and cheering over the carnival. Congratulations to those students who were awarded Age Champions – you guys go above and beyond with your participation and demonstrated true sportpersonship in your sporting endeavours (list of all age champions in below)

A massive thank you to all staff, especially the HPE department, for all your assistance on the day – running events, timekeeping, helping to set-up and pack-up. Without your willingness and enthusiasm over the 2 days, the carnival would not be the spectacle it was.
