All Schools Touch Football Competition

The College Community wishes our All Schools Touch Football teams competing in the Carnival in Brisbane this week and over the weekend the very best of luck. Special thanks to the teachers - Ms Keys, Mr Bennett and Mrs Lisle - who have made Chanel's participation in this carnival possible.

Sports Awards

This Monday 15 October we will celebrate our annual Sports Awards Assembly. This is a special assembly which recognises students, staff, and members of the community, who have participated in and supported our Chanel College sporting program during 2018. This program is an important aspect of our life at Chanel. The calendar is full of a wide variety of sports and special events, all of which provide many opportunities for our students to engage in a diverse range of activities each year. Parents and Friends are most welcome to attend the assembly which begins at 8.50 am in the Marian Centre.

Planning for 2019

Planning for 2019 is well underway. We would appreciate it if information regarding any student who is not intending to return to Chanel in 2019 could be provided in writing to Ms Dyer at the College Office as soon as possible.

Awards Night

A reminder that our Awards Night will be held on Thursday 25 October in the Marian Centre. This event, which commences at 6.30pm, is a significant event in our College calendar as it provides us with the opportunity to celebrate the great achievements of our students. All students in Year 7 to 12 are expected to be in attendance. We ask that students and parents arrive and are seated by 6.20pm. As a sign of respect to students receiving awards, we ask that parents and students remain for the duration of the ceremony. It is anticipated that the evening will conclude by 8.30pm.

October - World Mission Month

The 2018 Theme "Healing a Nation through Education" focuses on the people of Myanmar.

World Mission Day is celebrated every year in every country wherever there are Christians committed to building a better world for all of God's people, a world where everyone has all they need to live a dignified and fulfilling life. Missionary activity is, fundamentally, a going out of oneself in love, a reaching out to see God in everyone and to share God's love with each person we meet – especially our poor and marginalised. Catholic Mission around the world has the responsibility of promoting a dignified and fruitful celebration of World Mission Day.

Jesus' mission of creating a world where all can live a fully dignified life is still far from complete. Therefore, the whole month of October has been dedicated to reflecting on the central mission of the Church to help all Christians in their commitment to Christ's mission of love, mercy, forgiveness, peace and justice for the world.

INTERHOUSE COIN TRAIL CHALLENGE

This year an amazing amount of \$981.00 was collected at the Coin Trail Challenge. This is an outstanding effort. Instead of competing against each other, all houses decided to stand in solidarity which meant that all coins collected represented a whole College effort. Our financial support makes educational opportunities for young people on the margins in Asia and the Pacific possible. Well done to all!

UMAT Admissions Test will be replaced by UCAT in 2019

As of 2019, all applicants intending to sit the UMAT for entry to university in 2020 will need to sit the new University Clinical Aptitude Test (UCAT). Consequently this will affect students currently in Year 11 and below. From 2019 onwards, the UMAT test will be discontinued.

UCAT will become a mandatory admissions test for the Doctor of Medicine (provisional entry) and Dental Science at The University of Queensland.

The registration for the UCAT will open in March 2019 and close in mid-May. The UCAT will be offered on a choice of dates throughout the month of July, rather than on one single date.

The test consists of five, separately timed, subtests:

- Verbal Reasoning
- Decision Making
- Quantitative Reasoning
- Abstract Reasoning
- Situational Judgement Test

For more information about the new test, including testing dates and format visit [UCAT online](#).

Preparing for UCAT

UCAT ANZ have a number of preparation materials available to assist students in preparing for the UCAT. These include:

- Practice examinations (timed)
- An online, interactive tutorial that teaches students how to approach questions and useful test strategies
- An incredibly detailed bank of example questions

We strongly encourage students to use the officially produced materials. Candidates should be aware that whilst there are many commercial companies publishing books and offering coaching for our tests, the UCAT ANZ Consortium does not work with any of these companies or endorse the use of their materials. Taking advantage of these opportunities can cost candidates a great deal of money and we would advise you to be sceptical about claims they can help you do well in the test by coaching.

You can find the official preparation materials [here](#).

Connor hits a home run

Recently Year 9 student Connor Edgerton played for the U17 Rockhampton Softball team and competed in the U17 State Titles in Mackay. The team played hard and achieved one of the best recent results for Rocky Softball finishing 3rd overall in the state. 10 teams from across the state and one team from NZ competed in this tournament

Connor then took to the field in Noosa playing for the Rockhampton Softball colours but this time in the U19 Rep Team. 8 teams from across the state competed in this competition. Connor had the opportunity to play alongside two of the Australian representative players (who were part of the recent winning team in the world series in Canada) which was a great experience for him. The boys again played a hard tournament with Connor hitting a home run, but the team narrowly missed out, by 1 run on count back, on getting the opportunity to play in the rounds for the winning spot for the tournament. The team finished 4th overall in the end taking out the Presidents Cup for Rockhampton. Well done Connor!
