From the Principal - Dr Susan Bunkum PhD

Already, in Week 1 of Term 2, it is apparent that this is going to be a full and productive term! Apart from our usual academic and sporting programs, the calendar for the next month indicates that there will be much happening within our community - Parent Teacher Interviews and ANZAC Day Assembly (24/4), Attendance at ANZAC Day ceremonies throughout our region (25/4), Year 10 Retreat (30/4 to 4/5), Blessing and Opening of our refurbished facilities (27/4), Years 7 & 9 NAPLAN Testing (21/5 to 23/5), Year 7 for 2018 Information Evening (15/5), Chanel Day (16/6), and the Catholic Education Youth Pilgrimage Weekend (18/5 to 20/5).

On Tuesday morning 24 April, our community will hold a special ANZAC Day assembly to commemorate ANZAC Day. ANZAC Day is a commemoration of those fallen in war and gives honour to all those who gave their lives so that we may live

in freedom. Let us remember those people who live the reality of war each day and as we approach ANZAC Day may we pray that in all of our interactions with others we promote a peace-filled world.

Chanel College will also participate in a number of the various ANZAC ceremonies which will be happening around the area. The Choir will be singing at the Dawn Service which will commence at around 5.45 am at the Cenotaph, ANZAC Park in Gladstone. All students are invited to represent Chanel College in the parades in Gladstone and Boyne/Tannum Sands. Students participating are required to wear formal uniform (including hat). Each year we have had more students being a part of these events. I would like to encourage as many members of the Chanel community to join us in either of these marches.

Year 7 for 2019

Year 7 for 2019 enrolment applications open next week. I would warmly invite prospective students and their parents/guardians to our Year 7 Information Evening on Tuesday 15 May. Tours of the College will commence from 5.00pm with the formal presentation commencing at 6.00pm in the Marian Centre. This is an excellent opportunity to view our facilities and to meet our staff and students. First round applications close on Friday 25 May.

Staffing Up-date

Due to family circumstances, Mrs Lorraine Johnson, Assistant Principal – Curriculum, will be on leave for Term 2. During this time, Mrs Lynn Herbert will be acting in this role. We keep Lorraine and her family in our thoughts and prayers during this time and we thank Lynn for the work that she will do to support teaching, learning and assessment throughout this term.

Chanel Person of the Year

An important tradition of the College is the announcement of The Chanel Person of the Year on Chanel Day – 16 May. Please see criteria inside newsletter for nominations.

Chanel Person of the Year

The Chanel Person of the Year is the Principal's Award. A previous Principal, Br. Roger Burke, started this award in the late 1980s and it is a tradition that has been maintained by the Principals since that time.

Recipients of this award have given outstanding service to the College community over an extended period of time. It is not easy to reach the standard required to achieve this award. To achieve this award, a person must meet all of the following criteria:

- *The person must have completed his/her time at the College.*
- *A current member of the College community must have nominated the person. The nomination must be in writing and address all of the criteria other than those relating to financial commitments.*
- *The level of service must have been extraordinary, significantly above that offered by other members of the community.*
- *The service must have been of a benefit to a significant proportion of the College community.*
- *The level of service must have been maintained over a significant number of years.*
- *The person must have consistently acted as a positive ambassador within the College and the wider community.*
- *The person must have worked cooperatively with the College administration.*
- *The person must be a Christian role model that others can be encouraged to emulate.*
- *The person must not have any outstanding financial commitment to the College.*
- *The College must not have any outstanding financial commitment to the person involved.*

Because of the nature of some of the criteria, the decision is not open for public debate. The Principal's decision is final and binding.

Nomination forms are available from the College Office. The decision will be based on the nominations received by the closing date which is 27 April 2018 at 4.00 pm.

2018 Lions Youth

Hear the Lions Public Speakers Roar!

Congratulations to our wonderful Lions Youth of the Year Public Speakers, Brayden Whalley, Penny Hoffmann, Anna Hagedorn and Jazlyn Alexander. Casting nerves aside, they relished the individual thirty minute interviews with a panel of three local legends on Saturday morning, before enthusiastically returning for the evening section of the competition. In front of a supportive audience of entrants from other local schools, parents, teachers and members of the Boyne Island Lions Club, they demonstrated how to think on your toes. What talent and composure! Each one of them explained, in two minutes with absolutely no preparation, why we should buy locally and also what they would say if they had the Prime Minister's ear for ten minutes. And all of that before their prepared speeches entertained, informed and moved us.

Brayden, Penny, Anna and Jazlyn, you are all impressive public speakers and special congratulations go to Anna, who received the certificate for the best speech of the evening.

Many thanks to the supportive parents and to Ms McDonough, the Public Speaking Coordinator.

ADOPT-A-COP

At the end of exam week last term, Year 7 and 8 students participated in Pastoral Care Sessions with Ms Jess Ryan and Mr Nelson Rose. Students learned about the bullying procedures at the College, participated in creative therapies for mindfulness and resilience, and discussed ways of using our qualities to be awesome!

#DFTBA #dontforgettobeawesome

Our Year 7, 8 and 11 students welcomed special guest, Officer Dom, our College Adopt-a-Cop, who spoke about his role and supporting young people. Lots of questions were answered and students were lucky enough to see him demonstrate his Police kit, including his baton and handcuffs! These sessions were a great opportunity for Officer Dom to develop relationships with our students as a positive police influence in our College community.

Bike to Wheelchair Presentation

The Chanel Interact Club has successfully partnered Rotary Gladstone and as a result 12 all-terrain wheelchairs are on their way overseas! The Bikes 2 Wheelchairs project is an international Rotary project which takes second hand bikes and modifies them into sturdy and comfortable wheelchairs for children and youth in the Third World. These wheel chairs are designed to give independence and freedom to young disabled people living in villages with dirt roads in countries like Fiji and East Timor. The Chanel Interact students stencilled koalas and kangaroos onto the wheelchair frames in the colours of the Australian flag.

David Kobler Presentation

Last term, David Kobler visited our College to talk to our year 10 students about a range of topics including respectful relationships, sexuality, self-control, online safety and decision making. The talks presented students with current research and real-life stories that helped to empower them to make informed, educated and healthy choices.

What better way to end Term 1 then with the second of the Interhouse carnivals, the Interhouse Cross Country. We had perfect weather for a quick race and the students did not disappoint. Twice the Overall Course record was broken and 3 new age group records were set. Congratulations to Lachlan Blake who set a New Overall Course record and 16 Boys record time of 14.06. Tallis Stanhope was first to break the course record and in doing so has set a new Open Boys record time of 14.15. Brady Blake in the 12 Boys race was the third runner to set a new record of their age group with a time of 16.12. Congratulations to these 3 boys, fantastic times and absolute marvellous running.

It was a sea of Yellow, Purple, Green, Red and Blue as the students assembled at Lions Park for the event. They were very eager to start and run/walk/jog the 4Km track. Starting with our Open runners, the race for Age Champion and House Champion was on. It was great to see so many students burst out of the starting blocks to give themselves the best chance of having a fast race. Those a little less competitive, found their friends along the track and walk/jogged their way around, all the while having heaps of fun and laughter. In another great feat that all students should be proud of, almost all of the students who took part, managed to finish the course within the 40-minute time limit – great effort by all. Each and every year the sportspersonship and house spirit continues to grow and grow. More and more students are running the course and more and more are getting in and trying to better their times/position from the previous year. This is a great demonstration of the pride each and every student takes in themselves and their House.

Though the aim of the day was to get maximum points for your house and take out the House Champion trophy. House spirit and rivalry was definitely on show. From the moment the starters gun fired, the steely look of determination was evident and away they ran. And run they did – it was by far the quickest cross country Chanel has seen. The staff on the track were willing and supporting the students as they ran past, even if some were running so fast they were like a blur!!!! Mr Galea again this year entered into the race, setting the pace for 16 and 15 year olds. He ran a brilliant race, finishing in a time just outside his cross country best.

So which House you ask took home the trophy?? Would it be the might of Futuna again?? And the answer is FUTUNA. They had a massive day on the track, taking out most of the Age Champion medals in all the age groups and smashing the other houses in sheer numbers for participation. Not only did they take home the Interhouse Cross Country Champion House, they also won the House Spirit award for their numbers participating, support shown for the runners and their sportspersonship. Congratulations to Futuna House for being crowned the 2018 Interhouse Cross Country Champion House and House Spirit Award. Thank you to all staff for your assistance before and during the carnival. We cannot run such a fantastic event without your support – thank you very much. Congratulations to all runners and participates – you made this an extremely successful and fun carnival. Congratulations to all Age Champions – you showed us all the determination and fantastic athleticism that you possess. Bring on the Athletics Carnival in Term 2 (Week 11 Thursday and Friday)

OPEN INTERSCHOOL RUGBY LEAGUE

Congratulations to the Chanel Open Boys Rugby League team who had a convincing win for the first game of the season against State High, with the score finishing at 32 to 6. The training and preparation by the team was quite evident in the confident way they played both in attack and defence. There was a good contribution by all players, with no players available on the bench.

**Point scorers were : Tries - Chase Gourley (2), Jordan Long (2), Tallis Stanhope (1), Keenan Bamber-Henry (1).
Goals - Lyncoln Rebel (2), Tallis Stanhope (1), Chase Gourley (1).**

“Coach Chris Andersen was pleased with proceedings, presenting the following evaluation:

Fantastic first game for the year – with the majority of the team debuting for the first XIII and some debuting in rugby League I could not be prouder of the effort and the execution from the team.

Our defence was strong. Great communication and aimed up against a much larger forward pack. Our attack was fluent, which given the fact a lot of players were in new positions and had never played together was extremely encouraging.

Could not be happier with how everyone performed. A great Team result and a convincing win.

Awesome to hear the school war cry reverberating around the Ground.”

The preparations for the Confraternity Carnival in Charters Towers are well in place and the team is looking forward to some more games to fine tune their plays.

White Cards at Chanel College

The White Card course was held here at the College and was extremely popular for students in Year 10,11 and Year 12. The students covered Basic information on Workplace Health and Safety Regulations and codes of Practice. The White card is required for any students that are thinking of going out to any large industries or small businesses that contracts to a large industry. We will conduct another white card course later in the year for students that maybe interested in obtaining a white card.
