From the Principal - Dr Susan Bunkum PhD

Welcome to the 2018 school year. We have had an excellent start, and already, those new to our community, including all of our new Year 7 students are looking very much 'at home' here. There was certainly much energy, excitement & laughter in Lavalla on Monday morning as students gathered with their friends to catch up on holiday stories before they joined their Pastoral Care classes to begin the formalities of the new academic year.

Our College theme for 2018 is "Kindness begins with me". In many cultures, kindness is considered to be one of the greatest virtues a person can have. To be kind means to be friendly, generous, considerate, and to have concern for others. In being true to this theme, throughout this year each member of our College community is called to act in a way that promotes kindness as a way of life. In recognising that kindness really does begin with me, each one of us can play a part in ensuring that Chanel College continues to be a place of welcome and hospitality, a place where all can thrive.

Staffing Updates

I am pleased to welcome new members of staff who are joining our Chanel College Community this year:

Mrs Sherie Elliott – Mathematics Curriculum Leader

Mr John Shield – English & LOTE Curriculum Leader

Mrs Jennifer Carlyle – Inclusive Curriculum Leader

Mrs Catherine Nahrung – Finance Officer

Congratulations also to:

Mrs Kristi Bourke who will now be the McAuley Pastoral Leader.

SUN SAFETY

We know that sun exposure during childhood is a significant contributing factor to the development of skin cancer later in life. We also know that the incidence of skin cancer in Queensland is amongst the highest in the world. Last year, the Queensland Cancer Council issued a warning to schools across the state, urging them to continue to prioritise the promotion of sun safe practices. Thus, as we begin a new school year, we are reminded of the importance of wearing hats and sunscreen when we are outdoors. This includes mornings and afternoons when students are on their way to and from school.

Sincerely

Susan Bunkum

"Kindness begins with me" – Chanel Theme 2018

Congratulations and thanks to Imogen Collins who designed the logo for our 2018 theme. Our theme encourages us to live with a more compassionate awareness of the needs of other people. We all have the capacity to make God's love real in our school, in our homes, in our social and sporting groups and in the wider world. Let us make 2018 a year when we look beyond ourselves and our desires and look to others with kindness and consider their needs.

Prayer Support

Following tradition, Chanel College families and/or individuals are asked to be involved in offering prayer support for our Year 12 students. This is a very important year and one that can be quite stressful at times for our young people. Each person or family who commits is asked to pray each day, a prayer of their choice, for the student. This is a practical way of demonstrating our concern for our Year 12 students. Anyone who believes in the power of prayer is welcome to be a prayer support person/family. If you have not already received and returned your notice, and would like to participate, please leave your name and contact details at the College Office before Monday 29 January.

Opening Mass

The Opening Mass for 2018 will be celebrated on 1 February at 9.00 am in the Marian Centre. All parents/carers are welcome to join in our celebration of what will be another busy and fulfilling year.

Connecting with Marists

Over the last weekend of the school holidays, our College Captains – Grace Graham and Lachlan Pacheco and Vice-captain – Kieren Conway spent time at the Marist Student Leaders' Gathering in Brisbane. They were given the opportunity to deepen their understanding of leadership, network with other Marist schools and participate in shared prayer and liturgies. Many thanks to Mrs Wales who accompanied them and we look forward to sharing their new found skills and ideas as they lead us in 2018.

Thursday 1 February 9.15 am Marian Centre

A light morning tea will follow this celebration

In the first week of the December school holidays six students – Grace Graham, Lachlan Pacheco, Ainsley Childs, Kieren Conway, Dusty Pascoe and Travis Richmond travelled to Sydney to attend the ACYF. They joined with 15,000 other young people to share in prayer, Mass, music sessions and several other activities. It was a time to reflect on and celebrate their faith and relationship with Christ. Students had a great week and developed strong friendships with students around the country. We thank the College and P&F for this amazing opportunity. Many thanks to Mrs Burke who accompanied the students keeping them safe while enjoying the experience.

On the final weekend of the school holidays myself, Lachlan Pacheco, Kieren Conway and Mrs Wales travelled to Brisbane's Marist College Ashgrove for the Marist Student Leaders Gathering. Unfortunately Ainsley Childs was unable to attend due to her commitment to the National Youth Science Forum in Canberra.

Marist Student Leaders Gathering

This weekend hosted twelve Marist schools who travelled from as far North as Cairns and far West as Emerald to attend this incredible leadership mentoring experience.

This program focused on educating these young leaders on qualities of leadership and how this cohesively operates with the Marist Charism. As part of the three day initiative we met and formed friendships with other young and like-minded Marist leaders. We heard about the variety of the Marist schools throughout Queensland and their implementation of the Marist Charism at their respective schools. The focus was Marcellin Champagnet and what it means to be Marist, as well as being taught effective ways to lead our school community.

Returning from this program we have drawn great strength from our freshly fostered ideas and knowledge we are excited about what the year to come has in store. During the program we also took time to reflect on Chanel College and what we, as a student leadership team, would like to improve and maintain through various initiatives, which we cannot wait to share with the College community.

We are so thankful for this experience and hold in our hearts a new love for the Marist Charism of Chanel College which we plan to share with our fellow Chanellagans over 2018.

Counselling Services

Milena Barbagallo

E: ccg_counsellor@rok.catholic.edu.au

Chanel College offers counselling to students to help support those who may be dealing with difficult issues and need someone objective to discuss their concerns. Students who are stressed, anxious or are trying to handle serious problems are generally not able to focus on academic work. It is best to give them strategies so they can be fully present at school and have some fun away from their cares and worries.

Students may be referred to the counsellor by parents, teachers or Pastoral Leaders, and may also refer themselves. Appointments can be made in the following ways:

- Email: ccg_counsellor@rok.catholic.edu.au or milena_barbagallo@rok.catholic.edu.au
- Fill out form on the Student Google Site. An appointment time will then be arranged.

Counselling is confidential unless there is concern for the student's safety. Chanel College offers a Brief Solution-Focussed Therapy approach, however if your child presents as requiring a more specialised, on-going treatment, parents will be contacted and an outside specialist suggested.

If you would like to speak to the Counsellor about your child, please do not hesitate to phone the College.

The Religious Education, Health and Physical Education and Life Skills programmes also include developmentally appropriate lessons delivered by their teachers on issues that are relevant to particular year groups. These lessons focus on communication, mental health, self-management, careers and decision making, and aim to empower students with a range of life based skills.

College Photos

College photographs will be taken on **Monday 5 February**. This ensures that Student ID photos are available early for student use. Individual, Pastoral Care and Year Level photos will be taken.

An envelope will be given to each student with their details in the first week of Term 1. This envelope **MUST** be given to the photographer on Photo Day. Please follow the instructions on the envelope regarding correct payment procedure.

Academy Photography have online ordering if parents wish to pay and order before photo day.

It is essential that all students are in full formal uniform and all dress and grooming guidelines are strictly adhered to. Parents of students not in correct uniform will be contacted and asked to bring in the appropriate uniform.

ENGAGE WITH LIKE-MINDED STUDENTS

Following our final weeks of Year 11 in 2017, Kieren Conway and myself travelled to the University of Queensland's Saint Lucia Campus in Brisbane to embark on a five-day and four-night residential camp along with over 200 other students from around Queensland. The Young Scholars Program (YSP) was an incredible experience which was tailored to provide an opportunity for academic extension and enrichment, along with igniting our passions for leadership, community development and providing a sense to what uni-life is like. However this was just the tip of the iceberg, as not only did I receive all of this, but I also gained many lifelong friends.

To any future students considering partaking in YSP, I strongly recommend they do so, as it was one of my most memorable experiences of the year.

Don't Park on Yellow Lines

It's always best to park legally around a school. It's safer for all pedestrians and motorists if you follow this simple rule. Yellow painted edge lines are not for stopping or parking on.

There are **NO EXCUSES** for stopping on any yellow edge line. These lines, like "No Stopping" signs, mean **DO NOT STOP HERE** for any reason apart from obeying an official direction.

A driver must not stop at the side of a road marked with a continuous yellow edge line. These yellow lines are normally found near crossings, intersections, driveways and bus stops. These yellow lines can be used either on their own or together with "No Stopping" signs.

When drivers stop and park on these yellow lines they can impede visibility for other drivers. Around school crossings they may impede the vision of the School Crossing Supervisor or motorists approaching the school crossing.

Remember, stopping is not allowed!

Sporting News

Kylie Kickbusch
Sports Program Leader

Welcome back all to the start of the 2018 year and a very busy Term 1 for sporting events at Chanel. Kicking off our sporting year is the Inter-House swimming carnival on Friday 9 February (Week 3) at the town pool. This is an all-day event with students arriving and leaving from the pool (they do not need to come to the College, rolls will be marked down at the pool). Students will be able to participate in a variety of events: competitive 50m races, participation races or both and novelty events. No nominations for events need to be taken for the competitive races. Information for parents will be available through the College Newsletter and Parent Lounge next week. As this is the first Inter-House Carnival for the year, I encourage all students to participate and set the participation levels and House spirit for the Year.

Port Curtis Trials

The majority of the Port Curtis sporting trials will be held during Term 1. The dates for these trials can be found on the College website (with links to the Port Curtis calendars), Student Google Page (under the 'Sports Notices' tab), on Parent Lounge (with links to the Port Curtis calendars) and in the Daily Notices. This year we will be using electronic nominations for Port Curtis trials. Students will have access (both at school and at home) to the nomination forms via the Student Google Page under 'Sports Notices'. For the most up-to-date information about Port Curtis Sport, please 'like' the Port Curtis School Sport facebook page. Capricornia School Sport app can be download from the Google Play app store and the Iphone app store (links for both can be found on the Chanel College Website).

If your child wishes to nominate for a trial, they are to complete the relevant Google form. If a student has put their name down for a trial, I will forward to them (via their Pastoral Care folder) the Parent Consent and Medical forms. The Consent forms MUST be returned to the College by the due date as late nominations will not be accepted. Students nominating for Port Curtis trials should have the intention of making themselves available for Capricornia trials.

Please note: 12 Year olds (DOB 2006) will still compete in the Primary school Port Curtis trials. All nominations need to come through the College and the same procedures for nominations mentioned above apply to the 12-year-old students.

Term 1 is very busy with sporting trials for 12 Year olds and 13 – 19 Year olds, so it is important to remind your student to listen to the morning notices for the upcoming trials.

Nominations are now open for the following sports:

- 12-19 Years swimming
- 12 Years Boys/Girls Basketball
- 13 - 19 Years Softball
- 13- 19 Years Boys/Girls Tennis
- 16 - 19 Years Boys/Girls Volleyball
- 12 - 15 Years Boys/Girls Volleyball
- 17-18 Years Boys Rugby Union
- 13-15 & 16-19 Years Girls Netball
- 14-15 & 16-18 Years Boys Rugby League
- 13-15 Years Boys/Girls AFL
- 13-15 & 16-18 Years Boys/Girls Touch Football

The Concession Card Discount applies to **tuition fees** only. School fees also include levies which vary from school to school and may include items such as Building Levy, Parents & Friends Association Levy, Information Technology Levy and other subject and general levies. The Concession Card Discount **does not** apply to these levies.

4. What about families on ineligible cards and other low income families without any Concession card?

Our diocesan policy on school fees states that, *no student should be excluded from a Catholic school because of the inability of their parents/carers/guardians to pay the prescribed fees.* New or existing parents/carers/guardians, who are experiencing financial hardship and, may or may not hold a concession card, are encouraged to discuss fee discounts directly with the school Principal, who will treat the situation confidentially. Through this consultation process total or partial exemption from payment of school fees may be arranged according to individual family circumstances.

5. Can the Concession Card Discount be backdated to apply to previous terms?

The Concession Card Discount initiative commences in Term 1, 2017. Discounts **do not** apply to school terms prior to the commencement date. If a family presents with a Concession Card part way through the term, the concession will apply for that **whole term**. Concessions should be backdated within a calendar year, to the billing period that the card start date falls within. Applications for the Concession Card Discount will be accepted for current and future terms according to the expiry date on applicant's Health Care Card or Pensioner Card.

6. What if my card becomes invalid due to a change in circumstance?

The Concession Card Discount applies where the applicant's Health Care or Pensioner Card is valid. If circumstances change within the expiry period nominated on the card, it is the responsibility of the card holder to advise the school of the change in circumstance so that school fees can be adjusted. Families who continue to experience financial hardship and do not hold a valid concession card are encouraged to discuss alternate fee discounts directly with the school Principal.

7. Where can I get more information?

For more information about applying for a means-tested Australian government Health Care or Pensioner Concession Card please visit the Centrelink website: <http://www.centrelink.gov.au>
