- STUDENT FREE DAY

From the Principal - Dr Susan Bunkum PhD

Term 3 concludes today and there is a real sense that it is definitely time for a holiday! As I reflect on the 10 weeks of this term, I am amazed at the wealth of diverse activities – in sport, in the Arts, in cultural spheres in retreats and in outreach – that have been available to enrich the educational experience of our students.

These, of course, take place concurrently with the day-to-day demands of teaching and learning, assessment and reporting. Without doubt, herein lies the explanation for the feeling of anticipation that is literally 'in the air' today.

In light of this, I thank both our staff and students for an amazing Term 3. I wish all members of our College community a safe, happy and restful holiday and look forward to seeing you all when school resumes on Monday 8 October.

2018 Co-Curricular Awards

On Monday 17 September, at the Co-Curricular Awards Assembly, many students were presented with certificates to acknowledge their involvement in our Co-Curricular Program this year. We are very proud of many of our students and their participation in community Events. Thank you to Mrs Wendy Marsh and all those involved for a wonderful Assembly. You will find a full list of award recipients in this Newsletter.

Announcement of 2019 Student Leaders

On Monday 8 October, first day back for Term 4, our 2019 Student Leaders will be announced at a special Liturgy and Assembly. We extend invitation to parents and friends who wish to attend. It will be held in the Marian Centre at 9.00 am.

Planning for 2019

Planning for 2019 is well underway. We would appreciate it if information regarding any student who is not intending to return to Chanel in 2019 could be provided in writing to Ms Dyer at the College Office as soon as possible.

Sincerely

*Have a Happy
& Safe Holiday*

Caritas K's Event – Kilometres for Compassion

Recently MK5 and SM3, for their annual social justice activity, carried buckets of water around the oval raising awareness and standing in solidarity for the thousands of people who have to walk many kilometres to fetch water, obtain food, get to school or market, or simply to survive. A great effort and a wonderful response from other students who joined the walk. Thank you to Mrs Lisle and Ms Kickbusch and their PC Groups for organizing this activity.

World Suicide Prevention Day ~ 10 September

The 2018 international theme for World Suicide Prevention Day is "Working together to prevent suicide." These words are at the heart of suicide prevention and complement the efforts of RUOK? Day (14 September) to take time to notice what is going on with your family, friends and colleagues – and yourself. It is about taking time to have the conversation when you notice something has changed and equipping yourself to help yourself and others. How to help or to gain further information visit - <http://www.wspd.org.au/>

Mass is celebrated in the College Chapel at 10.40 am each Thursday.

ALL WELCOME

Please Pray for ...

- a world where peace is built with justice, and justice is guided by love
- people in our community who are unwell or recovering from illness
- people in countries who do not have ready access to water or education
- people's wellbeing – especially farmers struggling with drought conditions
- A safe and restful holiday for all students and staff and their families

Praise and Thanks for ...

- the peace keepers working in many countries around the world
- the efforts of all in our community that ensured the smooth preparation and running of the QCS Tests
- Students who gave of their best, teachers who went beyond the call of duty for their students and parents who supported our college this term
- a successful retreat day for Year 7 students and to all who helped to make the day possible
- a term that offered many opportunities for our students to serve and to grow especially through co-curricular programs

If you have any requests for either of the above prayers, please leave your request at the Office.

Year 7 Retreat Day

Year 7 students experienced their second retreat day this week. Michael Fitzpatrick from Belum Pty Ltd presented the program which focused on enhancing resilience and self-esteem through the student's awareness of God's unconditional love and acceptance of them. Students were also encouraged to make connections between their day-to-day life and faith in God and all this was achieved, through activities in pairs and group work. The students were challenged to step out of their comfort zones on many occasions – *"I found singing in front of everyone challenging because it was a bit nerve racking."* *"The thing I found challenging was meeting 'new' people."* For many students, the highlight of the day was "meeting 'new' people" as they were encouraged to mix and get to know each other better. Many thanks to Christine and Shane Hicks and our grounds-people who generously assisted with providing a sausage sizzle lunch. Your help was very much appreciated by students and staff!

Indigenous Shirt Design

On Tuesday, students Gypsy Thorn, Enid Keppel, Keelie Machen & Jossie Law sat with our AIME Mentors and came up with various designs for a Chanel Indigenous Shirt. This was a great way for students to make connections with their heritage and interpret what it means to them. I am now in the process of incorporating parts of each design into one design. I would like to thank AIME Mentors for giving up their time to work with Chanel students and I would also like to say a big Thank You to these students for wanting to be part of the Design Team. I'm so proud of their enthusiasm and dedication.

The Chanel Interact Club chose to use the money they raised in their Term 2 Charity Car Wash to purchase three garden benches for the residents of Edenvale Blue Care. The Rotary Club of Gladstone recently extended the undercover outdoor entertaining area at Edenvale and these benches will most likely be placed in this new space. Chanel students visit Edenvale residents on a regular basis.

HPE DAY

Health & Physical Education (HPE) Day is a nationwide initiative that highlights the importance of HPE in the Australian Curriculum, and its influence on the learning and development of children. Most children's waking hours are spent sitting at school and at home, it is important to get them to be more active as part of everyday life. It is no surprise that schools play a significant role in the intellectual, physical, social and emotional development of children. Learning in Health and Physical Education makes an important and positive difference because it encourages lifelong participation and results in better health outcomes. The good news is that Chanel College students got involved in HPE Day! The Year 7 students participated in a variety of fun sporting activities that were organised by the Year 9 BAS class. The students displayed great sportspersonship, team work, cooperation and communication.

A great day enjoyed by all! **Kerrie Lisle HPE Curriculum Leader/PE Teacher**
