From the Principal - Dr Susan Bunkum PhD

As this is the last newsletter for this term, I would like to thank all members of our community for a great term. The breadth of educational opportunities, both curricular and co-curricular, that are available to students at this College, is a testament to the hard work and dedication of our staff.

We are looking forward to the Inter-House Track and Field Carnival on Thursday and Friday next week. As with all College sporting events, this is a day which promotes participation in sport as something that is healthy and enjoyable. No doubt, competitors in both track and field events will be supported by members of their Houses as they cheer them to the finish line.

Many of our students will be completing Work Experience placements next week and over the holidays. We wish them well and know that they will be wonderful ambassadors for our College.

Good luck and safe travels to our QISSN and Confraternity teams as they compete in their competitions, in Townsville and Charters Towers respectively, during the first week of the holidays.

Finally, I wish all members of our community a happy and safe holiday and I look forward to seeing everyone on Monday 16 July for the commencement of Term 3.

Good Luck!

Sincerely

Susan Bunkum

Readers Cup Challenge

Well done, to our Year 8 girls who participated in the Capricornia Region Readers Cup Competition recently. You all represented Chanel admirably and it was a delight to see so many young readers who are passionate about reading, taking part in this competition.

This event was well supported by nine schools from around the Capricornia region, with approximately 60

students competing for the coveted Readers Cup Trophy and the opportunity to attend *Word Play* at the Brisbane Writers Festival in September.

Congratulations to Gladstone State High who won the 2018 Readers Cup! We wish you all the best at the State Finals.

ALUMNI PROFILE

Kyra Sweeney

2017 Graduate

Kyra Sweeney

Kyra accepted her 1st preference to study a Dual Degree of BACHELOR of NURSING & MIDWIFERY at James Cook University Townsville.

JCU was Kyra's ideal university and location as she hopes to one day work and/or major in Rural and Remote Nursing which is a heavy focus at JCU. Kyra is living on campus at one of five residential colleges at JCU. Living on college has been very beneficial in being able to meet new people, especially for the fact that there were only four 2017 graduates who made the move to JCU, Townsville.

The move to Townsville has been both challenging and exciting, by going

outside the social norm of university preferences. University has helped Kyra to see the opportunities which the future can hold within her chosen career pathway.

Senior Subjects Kyra studied in Years 11 & 12

- English
- Mathematics B
- Biological Science
- Chemistry
- Health & Physical Education
- Art
- Christian Ministry & Theology
