## From the Principal - Dr Susan Bunkum PhD

Thank you to all staff and parents who attended the Parent-Teacher Interview Evening and the Year 10 into 11 Subject Information Evening. Evenings such as these are important for us as we work together to support our young people as they pursue quality educational outcomes.

We congratulate the students in our Choir who participated in the Queensland Catholic Schools' and Colleges' Musical Festival on the week-end. They performed brilliantly – as a member of the audience, I marvelled at their repertoire and felt incredibly proud of each and every one of them. Thank you to Mrs Marsh Co-Curricular Program Leader and Ms Frank for all of their work in preparing the students for this special event. Thanks, too, to Mr Rose who drove the students to and from Gladstone to Brisbane – and in and around Brisbane too - for this event.

## Chess

Congratulations also go to members of the Chanel College Chess Team on being named winners of the Gladstone Region Chess Competition. They will now participate in the state finals in Brisbane.

## GIO Cup State Final

The boys in our Confraternity Shield winning team who also won the GIO Cup Central/Northern Competition are training hard for their state final game against the team from Bundaberg State High School. The game will be played at Redcliffe. It is scheduled to begin at 12.15 pm on Tuesday 28 August and, we believe that it will be live-streamed on Fox Sports. We will confirm the details of the live-streaming in our next Newsletter.

## Instrumental Music Program

The three Catholic Primary Schools in our region offer students the opportunity to learn a musical instrument as part of a formal Instrumental Music program. In light of this, I am seeking expressions of interest from families who would like their sons/daughters to have access to a similar program at Chanel College, beginning in 2019.

Should you be interested in such an opportunity, please contact the Executive Assistant to the Principal, Mrs Alison Whitehead at [leadershipteam@chanelcollege.qld.edu.au](mailto:leadershipteam@chanelcollege.qld.edu.au)

Sincerely

*Susan Bunkum*

## Service to the Community – Homelessness Connect Event

MacKillop 4's Social Justice Activity involved four students, Alisha Verner, Flynn Johnson, Patrick McGregor and Gaby Davie, assisting with the sausage sizzle at the Homelessness Connect Event that was organised by Rosebery and held at ANZAC Park last Thursday. The students gained insight into the lives of people who have no place to call home and were grateful that they were able to assist at the event in this small way. Many thanks to Mr Wakefield who accompanied the students.

## Recycled Uniform Outlet

The Second Hand Uniform 'Outlet' is open during first break, each Wednesday. Please enquire at the front desk in Student Services.

Formal uniforms are \$10.00 per item, sports uniform and house shirts are \$5.00 per item and jackets sell for \$25.00 each. All prices are negotiable.

*If you have uniforms your child no longer requires - all donations are gratefully accepted and many thanks to those who have already sent in donations.*

## Thursday Mass

Thursday 23 August – Mr Grealy's Year 10 SOR Class

Thursday 30 August – Ms Botica's Year 10 R&E Class

Mass is celebrated in the College Chapel at 10.40 am each Thursday.

**ALL WELCOME**

## Please Pray for ...

- People in our community who are grieving the loss of loved ones
- Refugees and asylum seekers caught up in political differences
- The needs of the most vulnerable young people in our world
- A safe and successful trip to Brisbane for the staff and band/choir students involved in the Qld Catholic School's Music Festival

## Praise and Thanks for ...

- The humanitarian workers who bring relief to the hungry and oppressed and work tirelessly for justice and peace
- Students who step out of their comfort zone in order to enhance their spiritual and personal growth and to serve others
- The celebrations enjoyed by MacKillop House as they reflected on the life and work of St Mary MacKillop

*If you have any requests for either of the above prayers, please leave your request at the Office.*

# EDENVALE VISIT

On Friday the 3 August, Mr Boge and Mr Hayes, along with students in Years 10 to 12, visited Edenvale to assist with the annual Bluecare Show Day to spend time with the aged care residents. The students helped to run stalls, deliver food and assist with the animal farm. The morning was a lot of fun and featured karaoke, face painting, belly dancing and animal cuddles. We would like to thank Mr Hayes and Mr Boge for supervising us and the Staff at Edenvale for allowing us to visit and help out.

# ENJOYING THE OPERA

Recently, Senior Music and Drama students along with Miss Frank had the opportunity to travel to Rockhampton to see the Gilbert and Sullivan opera "Ruddigore or the Witch's Curse". They all had a very enjoyable time experiencing the entertaining and hilarious production put on by Opera Queensland and The Queensland Symphony Orchestra with a local chorus at the Pilbeam Theatre.

## DISCOVERING NEW HORIZONS

29 JULY - 4 AUGUST 2018

CATHOLICEDUCATIONWEEK.COM.AU  
#CEW2018

This year, as part of the annual Catholic Education Week festivities, our SRC (Student Representative Council) came together to host a week of rivalry and fun. Throughout the week, each lunch break was designated to a certain activity, where students would battle it out for grade pride.

## MONDAY

Monday kicked off the event with whole grade twister in the Marian hosted by Stella Maris PC reps and delegates. A giant twister board was assembled with each grade first versing each other to find the winner, who would then move onto the integrated competition. In the final round all grades came through strongly, however, cracking under the pressure, Chase Gourley for year 12 was eliminated early on. He was quickly followed by the Year 10 participant. The final three grades remaining were obvious professionals, however, the strength, agility and flexibility of Esther Bourke (Year 8) soon brought her Year 7 and Year 11 opponents to their knees. Congratulations Year 8 (winners), Year 11 (second place) and Year 7 (third place) for the Twister Fiesta.

## TUESDAY

Tuesday saw everyone gather in the Marian Centre for none other than a giant school Kahoot. This would really prove who listened in Year 8 Religion, and who knew all things Chanel. The Year 12 girls were dominant throughout the whole game and of course the mighty Year 12s had won this one. Year 10 also proved strong coming in second but a second Year 12 team coming in third proved that Year 12 really is the most knowledgeable grade when it comes to Chanel College trivia.

### WEDNESDAY

On Wednesday Chanel was treated to good music and even better performances with lip sync battles during lunch time. This was a time when teams from each Year stepped up and “sang” their hearts out, with passion and brought entertainment to everyone who watched. The performances were judged by world renowned superstars such as Dr Bunkum, Mr Rose and Mrs Chapman and it was they who decided that the Year 7’s had what it took to impress the world and awarded them first place.

### THURSDAY

Thursday saw all of Chanel’s budding artists come out to play with the title of Chanel’s Most Artistic Year up for grabs. With each student voting for their favourite artwork, the competition was close, but the first place points were snagged by Year 10, who was followed closely by Year 12 coming in second and Year 11 in third.

### FRIDAY

Spirit Week finished with a bang on Friday with a soccer competition to end all soccer competitions. Sadly the Year 8's were away on this day and unable to attend but many spectators flocked down to the oval to watch the greatest sport event Chanel College had ever seen. Ultimately the competition went down to the wire with both the Year 12's and Year 11's battling it out for supremacy and bragging rights. It was an intense game with fantastic participation by all years; however, there can only be one champion and that went to the Year 11's who won at the death to the dismay of the onlooking Year 12's.

- Year 12 - 110 Points
- Year 11 - 85 Points
- Year 10 - 75 Points
- Year 7 - 70 Points
- Year 8 - 50 Points
- Year 9 - 0 Points

# VISITORS FROM SAIKI QUICKLY BECAME FRIENDS

Ten visitors from our Sister City in Japan were warmly welcomed by the whole College community. Three Delegates from the Saiki Mayor's Office and the Department of Education, together with seven students on the Get-To-Know-Gladstone Visit, were greeted at the airport by members of the Year 12 Japanese class. At Chanel, they were officially welcomed by our Principal and were extremely impressed by the greetings they received in Japanese as they toured the College.

There were two highlights to their visit. The first was the generosity of their Host Families. The students and staff and their families cannot be thanked enough for opening their homes-Tamika Burge, Caleb Dawe, Georgia Haigh, Justin Crick, Mrs Vicki Crick, Mrs Stacy Berry and Ms Laura Ord.

The second highlight was spending a day at Chanel College last Monday! The staff and students were wonderful in welcoming the students to their classes and they had a great time learning how we do things, including Manual Arts, Visual Art, Sport, Drama, Music and even making chocolate cookies and watching a demonstration of nuclear fission.

Strangers and visitors became friends and together we enriched each other's lives. Thank you, Chanel!

# Students helping to save the reef

On Friday the 10 June 4 students from Year 7 went with Ms Ryan to Curtis Island. We went there for the Future Leader Eco Challenge which was run by Great Barrier Reef Marine Park Authority. We went over on the barge and stayed on Curtis Island for the whole day. We did various activities teaching us about the protection of the reef. We started with a beach clean up activity, during which we found lots of marine debris and then recorded what we had found. After that we learnt about why it was important for the sand dunes to have lots of vegetation. Then we went onto the beach and planted some plants. After lunch, we talked about how we could help to protect the Reef. In our school groups, we came up with ideas and wrote a pledge about how we personally could help to save the Reef. At the next activity we talked with a person from Gladstone Ports Corporation about the Big 6. She told us about how there are 6 animals in Gladstone's Port that we are trying to protect. When we finished these activities we had a small break and moved on to the final activity which was about Sea Grasses. We talked about the different species of seagrass and went out onto some seagrass beds. We had a look at what was living in the seagrass. It was a really fun day and thanks to Mr Fisser and Ms Ryan for allowing us to participate in the Future Leader Eco Challenge.

## YEAR 9 in 2019 ELECTIVE SELECTIONS

Throughout Year 7 and Year 8, students have been sampling some subjects through the Rotation Program. These have been subjects in the Design Technologies, Digital Technologies, The Arts, Health and Physical Education, Languages, Humanities and Social Sciences Learning Areas.

As we are planning for their move into Year 9, students have an opportunity to study these subjects in more depth and through choice. In Year 9, students study TWO electives per semester.

To support this process, a Year 8 into 9 Information Evening will be held on Tuesday 21 August at 6.00pm in the Marian Centre.

It is compulsory for all Year 9 students and their parents to attend, as vital information will be presented for Year 9 subject selection for electives. Receiving this information will ensure students make informed decisions for Year 9.

## YEAR 10 in 2019 SUBJECT SELECTIONS

At Chanel College, Year 10 is a year to transition students to Senior Schooling and their Career Pathways. Planning the journey to post-school options begins in Year 10.

Therefore, this is a new and exciting time for the current Year 9s as they will be starting to examine career pathways and selecting subjects for Year 10. Subjects selected for Year 10 will lead towards planning for success in Year 11 and 12 and the new QCE system.

Students of Year 10 will be required to select 7 subjects and these subjects will support their transition to Year 11 and 12 subjects and post-school options.

To support this process, a Year 9 into 10 Information Evening will be held on Tuesday 21 August at 6.45pm in the Marian Centre.

It is compulsory for all Year 9 students and their parents to attend as vital information will be presented for Year 10 subject selection, Career Planning and the New Senior Assessment and Tertiary Entrance Processes.

## Defence Work Experience Program

Applications for the DWEP program in 2018 are wrapping up in the coming weeks. Below are the only six remaining placements that students can apply for in the NQLD region. Please encourage any interested students to get there applications in asap!!

**1. Women in Army Adventure Camp: applications close 26 August**

25 - 27 September 2018

A camp held at Lavarack Barracks, Townsville where accommodation and all meals will be provided. Participants will be exposed to various Army units and will gain hands-on knowledge of a range of job roles such as medical/health, combat engineers, artillery, logistics, communications, armoured corps, infantry, aviation and trades. The Camp is open to female students in Years 10, 11 & 12 aged between 16 – 18 years of age.

**2. Infantry Overview – 3RAR: Applications close 26 August**

17 – 21 September 2018

The 3rd Battalion, Royal Australian Regiment (3RAR) is a Mechanised Infantry Battalion of the Australian Army and students will have the opportunity to observe and experience a range of roles and responsibilities across the Battalion, providing them with a broad overview of the many careers available within an Infantry Battalion. On one night during the work experience placement, students will participate in overnight field craft activities which will involve camping out.

**3. Army Aviation – 5<sup>th</sup> Aviation Regiment: Applications close 26 August**

8 – 12 October 2018

Helicopters - 5th Aviation Regiment is home to Chinook and Taipan aircraft. As part of this work experience placement, students will rotate through the different Squadrons within the Regiment, including flying, logistics and maintenance squadrons as well as Regiment Headquarters. Students may also have an opportunity to visit and participate in activities at the Taipan or CH47 Chinook Simulator.

**4. RAAF Air Traffic Control: Applications close 2 September**

15th – 17th October 2018

Air Force Joint Battlefield Airspace Controllers are responsible for aircraft control and airspace management in the Australian Defence Force air base environment. Known as Air Traffic Control, they also assume those responsibilities on the battlefield when called upon to deliver Joint Battlefield Airspace Control and Joint Airspace Management.

**5. Army Band – 1RAR: Applications close 30 September**

Dates by request

The Band of the 1st Battalion, The Royal Australian Regiment, is a highly regarded component of the Australian Defence Force in North Queensland. AS part of this placement there may be times when the band performs on weekends and/or evenings and participants are encouraged to attend these performance opportunities. Participants will have the opportunity to witness the diverse role of an Army Musician and will receive insight into administration, concert band rehearsals, smaller ensemble rehearsals and other specialisations.

**6. Navy Overview – HMAS Cairns: Applications close 7 October**

13 – 15 November 2018

Students will undertake a structured program of naval activities, demonstrations and presentations, providing participants with an insight into a wide range of Navy roles, employment opportunities and lifestyle. Students can expect to visit various units which may include: Maritime Logistics (Cooks/Stewards/Supply Chain/ Personnel Operations), Dive Unit, Port Services (Bosuns), Armoury, Hydrographic Cell, Fleet Support Unit (Marine Technicians/ Electronic Technicians), Naval Police Coxswains, Communication Information Systems, Medics and Physical Trainers.

## Year 7 & 8 HPE Rugby Stars in Action!

Chanel College Years 7 & 8 HPE students have had the opportunity to participate in expert coaching in the sport of Rugby League by former Rugby League Star, "Casey McGuire."

Casey McGuire (born 24 January 1980) is an Australian former professional rugby league footballer. A Queensland State of Origin representative half back, he played his club football in the National Rugby League (NRL) for the Brisbane Broncos (with whom he won the 2006 NRL Premiership) and Parramatta Eels, as well as in Europe's Super League for the Catalans Dragons.

Casey McGuire is currently employed by the Brisbane Broncos as a Game Development Officer who works in alignment with Site Skills Training in Gladstone, supporting the Central Queensland region.

The students have thoroughly enjoyed this opportunity to advance their skills in the game of League.

## QUEENSLAND RUGBY UNION

On Sunday 12 August, Chanel College hosted the first round of Queensland Rugby Union trials leave for the girls Rugby 7s Bushrangers teams. Chanel was well represented with 12 girls participating in the trials - there were 42 from the CQ region. Coming from backgrounds in touch football, rugby league, and rugby union, they were put through their paces, experiencing a game that is growing rapidly for girls and women across Australia and the world. Mr Bennett was in attendance to lend support and a hand with the coaching of a great event.

The Rugby 7s season at Chanel is beginning to ramp up, with training starting on Wednesday afternoon and continuing on Mondays and Wednesdays until the Gladstone and Emerald 7s competitions later in the year.

Any interested students should see Mr Galea, Miss Ord, or Mr Bennett if they want any further information.

## Book Week 18-24 August 2018

The theme for this year's Book Week is '*Find your Treasure*' and these words by Walt Disney, aptly sum up the 2018 Children's Book Week Theme. *"There is more treasure in books, than in all the Pirates Loot on Treasure Island"*. Dr Seuss quotes "The more that you read, the more things you will know. The more that you learn, the more places you'll go." And "You can find Magic, wherever you look. Sit back relax, all you need is a Book!" How true! These quotes sum up this year's Book Week theme and I invite you to seek and find your treasure in the form of a book. Come to the library, this week and browse through the new library display, you never know you just might find your treasure here.

# Hating ALISON ASHLEY

by Richard Tulloch & Robin Klein

Erica Yurken knew she was destined for a glittering career on the stage. Never in any doubt about her own genius, she felt superior to everyone at notorious Barringa East High. That is, until Alison Ashley turned up - beautiful, rich, clever, and as well-behaved as a nativity angel.

Erica just knew that Drama Night at school camp would provide the ideal opportunity to get the better of Alison Ashley!

Meet the students of Barringa East High including always-in-trouble Barry Hollis and the hopelessly confused Margeart, teachers like dictator Miss Belmont, fresh out-of-uni Mr Kennard and 'stop and smell the capuccino' Miss Latimore and parents like Erica's mum and her boyfriend Lennie, the truck driver/security guard/stud-farming owner of a Mercedes Benz.
