Reconciliation Week - 27 May-3 June

As part of our activities to raise awareness for Reconciliation Week, Marcellin 1 is organising house liturgies to be held in PC time next Wednesday morning. You are most welcome to attend to share this liturgy with the school community.

The theme for Reconciliation Week this year is ***Don't Keep History a Mystery: Learn. Share. Grow.*** explores history hidden beneath the surface ready and waiting to be uncovered. This year's campaign highlights some of the lesser-known aspects of Aboriginal and Torres Strait Islander histories, cultures, and achievements, to prompt Australians to explore some of the things ***they don't*** know about our shared history?

The dates for National Reconciliation Week commemorate two significant milestones in the reconciliation journey—the anniversaries of the successful 1967 referendum and the High Court Mabo decision in 1992.

May – the Month of Mary

The Christian custom of honouring Mary, the mother of Jesus, during the month of May began towards the end of the 13th century. In the northern hemisphere, May is seen as the beginning of new life and the start of summer which makes this a logical time to celebrate Mary, who brought life into the world.

"Mary, you are the Mother of Jesus and a model for all Christians. You are a woman of faith and courage who put your trust in God. Be with us when God calls us to serve others. May we follow your example of determination, conviction, faithfulness and devotion, for you are ever blessed by God." AMEN (Australian Catholics Magazine, May 2016)

Celebrate Youth

The Life You're Living

YEAR of YOUTH 2018

Youth Pilgrimage

Last weekend, 13 of our Year 12 students joined with 130 other students from colleges across the diocese to participate in the Youth Pilgrimage to Rockhampton. The theme for the gathering was **"Celebrate Youth – The Life You're Living"**.

The Jesse Manibusan Concert in the Mercy Centre at Cathedral College on Friday night set the mood for the Pilgrimage which culminated with Mass celebrating Pentecost on Saturday evening. Moved by the Spirit, the pilgrims and congregation reportedly "raised the roof" of St Joseph's Cathedral in song, adoration and praise.

Congratulations and thank you to the following student pilgrims for being willing to take time out of their normal weekend to represent Chanel College so enthusiastically and selflessly – a great example of servant leadership:

Jazlyn Alexander, Delaney Burke, Kieren Conway, Mettlisa D'Cruz, Gabrielle Emerick, Grace Graham, Tian Kingsbury, Sean Mullane, Lachlan Pacheco, Dusty Pascoe, Naomi-Jon Redshaw, Joseph Vale, Rykiah Wooley.

Of course, students are unable to attend such events without the support of teachers. Sincere thanks to Mrs Chapman and Mrs Cameron who gave up their weekend and time with family as well, to accompany and support our students.

The students enjoyed their experience, especially meeting up with their peers from the other colleges in the diocese and participating in the various activities, as seen in the testimonials.

"The Catholic Youth Pilgrimage was a fantastic few days filled with enjoyment and lots of fun. Participants from around the Rockhampton Diocese gathered to spend three days learning more about ourselves and God in an environment that allowed us to meet new people and form lasting friendships. At the end of the camp we participated in a Mass at the Cathedral in front of many from the local community which was a fantastic experience and showed how the youth of today are the future of the Church. The pilgrimage was immensely enjoyable and an experience I will never forget."

Lachlan Pacheco,
College Captain

"The Catholic Youth Pilgrimage 2018 was a fruitful and enjoyable experience. It was a weekend filled with many joyous hymns, praise, worship and reflection. It provided the youth of the Catholic Church with an opportunity to share our thoughts, words of encouragement, religious beliefs and also provided us with the chance to stand up and take charge of the future of our church. All in all, it was an enriching experience and I would recommend it for Chanel students to attend in the future."

Mettlisa D'Cruz,

How can parents build resilience in their children?

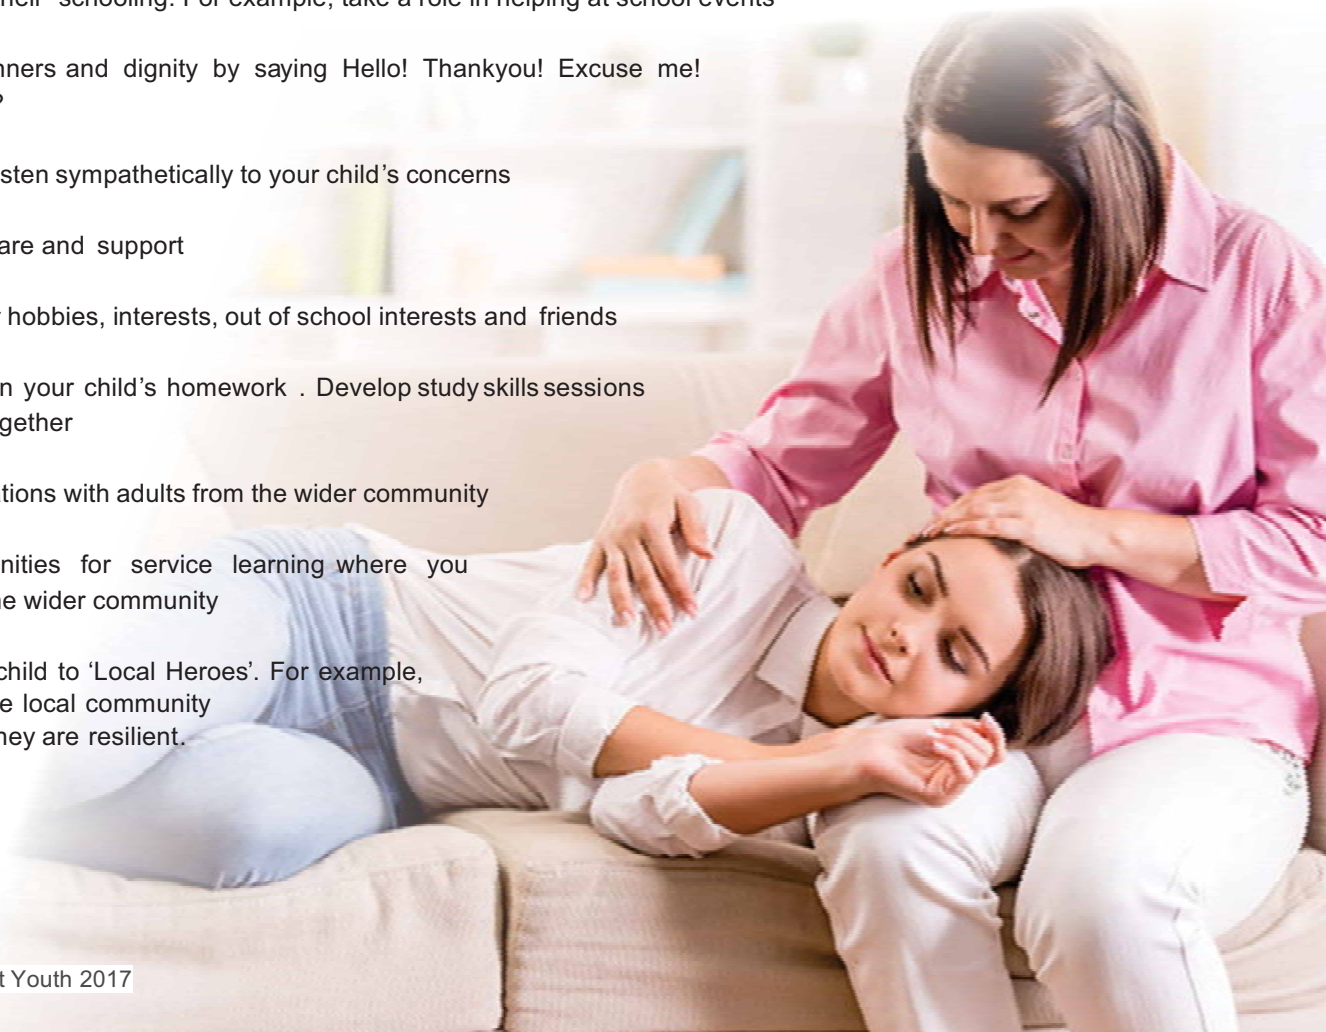

Opportunity #4: Building Adult Connection

Developing high levels of adult support assists your child to feel safe in a warm and supportive family, where at least one adult or caring parent loves and cares for you and listens to them. Other adults, the extended family, neighbours, and teachers can assist by intentionally strengthening relationships between young people and themselves.

How parents can build adult connection for their children:

- Ensure family life provides high levels of love and support
- Establish a climate where your child experiences positive family communication with you
- Encourage your child to seek advice from you by being supportive
- Foster other adult relationships: from other family members, friends and neighbours
- Express how other adults care for young people when you see or read of examples
- Be involved in their schooling. For example, take a role in helping at school events
- Model good manners and dignity by saying Hello! Thankyou! Excuse me! Could you please?
- Be available to listen sympathetically to your child's concerns
- Express love, care and support
- Talk about their hobbies, interests, out of school interests and friends
- Show interest in your child's homework . Develop study skills sessions where you work together
- Foster conversations with adults from the wider community
- Create opportunities for service learning where you work together in the wider community
- Introduce your child to 'Local Heroes'. For example, meet people in the local community who have shown they are resilient.

Although we speak out strongly against domestic and family violence as a society, it continues because, as individuals, we often choose to stay silent. When confronted with the signs of abusive behaviour, we can make excuses and downplay our instinct to step in.

What can I do?

Do you suspect that someone you know is being abused, and you want to help somehow? Perhaps a neighbour, friend or family member has confided in you about experiencing domestic and family violence in their relationship?

QISSN Netball

Congratulations to the 2018 QISSN team on a very successful carnival in Rockhampton on the weekend (19-20 May). The team went undefeated for the 2 days winning 7 out of 7 games and took out the Senior B division winners trophy. The girls played outstanding netball each and every time they took to the court. The plays, moves and skills they have been working on at training during the term were on display for all to see. Their ball speed, movement around the court and defence pressure were the keys to the team's success and got them the wins each time. These are very promising signs for the QISSN carnival in

Townsville and a great building block for the remainder of the Tuesday night town netball competition. Thank you to all the parents and families who travelled up to Rockhampton with the girls and cheered, scored and encouraged from the sidelines, each and every game. We are very lucky to have such a supportive group of parents.

The girls were great ambassadors for Chanel College, as they mentored and supported the 12 Years Capricornia Netball Team over the weekend. They passed on their netball skills and knowledge to these girls and were there to cheer and support the Cap girls at each of their games. Thank you Chanel girls – you went above and beyond and the Capricornia team and parents truly appreciated the support, guidance and time you gave the Cap girls on the weekend.

Thank you to our team sponsors for their generous support of the 2018 QISSN netball team:

CONFRATERNITY LEAGUE *Another Strong Win*

Congratulations to the Chanel Confraternity team that had another strong win; this time against Tannum Sands High last Wednesday. The final score was 22 – 0, with tries from Bailey Audet, Lachlan Pacheco, Nick Holmes and Ronan McGuire. Lincoln Rebel was very effective with the boot, converting 3 from 3. Chanel now progress to the next stage of the GIO Cup, playing a Rockhampton team over the next few weeks.

Comments from Coach Chris Andersen were:

The second team in our way for Qualification for GIO Trophy was Tannum Sands High.

With a team to near capacity and with additional training under our belt, the team clicked into gear well. Our attack was disciplined when required but had the added flair when called upon. We were able to find offloads and strongly run lines to give us the ability to score some great tries resulting in 22 points. Defensively we were awesome – even with a lead, or when they had back to back to back sets, we refused to yield, showing great effort to keep the score line to nil.

Also using the game as also a trial for Confraternity we managed to move a number of players around key positions and it was encouraging that we stayed on track.

Once again the War Cry rang loud and Chanel College is the 2018 regional qualifier for the Statewide GIO Trophy.

Preparation for the Confraternity week in Charters Towers is progressing well. The Fundraising Committee led by Jeremy Fitzsimmons have been particularly busy. The Chanel team has had generous sponsorship from the following businesses : **Xtreme Engineering, Frost Engineering, Think Office, Homeground Gladstone, Butler Fabrication, Smit Lamnalco, ACES, Gary Lenz Mechanical and Tyres, Shaw Bobcat Hire, Nhulundu Health Service, River Insurance and Brothers Senior Rugby League Club.**

The Mother's Day Thermomix Raffle organised by Sandy Black and Paula Audet was a success, with the winners being : 1st Naomi Jackson (Thermomix), 2nd Kelli Noy (\$350), 3rd Clare King (\$150). This **Sunday 27 May**, we have the Bunnings BBQ happening with the organisation and support of Elaine Daylight and Ross Holmes. If you are shopping in the area, please call in and buy a snag and drink.
