### From the Principal - Dr Susan Bunkum PhD

Whilst browsing through the newspaper on the week-end, an article with the title, *Cyber safety a class act – Call for digital citizenship to be learning priority*,<sup>1</sup> immediately caught my eye. The reading of this article which highlights the national concern with cybersafety because of widespread misuse and abuse of digital technologies, led me to explore the website of the Office of the eSafety Commissioner – an office established as recently as 2015 to promote online safety across all sectors of Australian society.

An article on this website written by Julie Inman Grant identifies the skills that are deemed essential for young people to learn so that they can navigate their way safely through the on-line world – a world that is now firmly entrenched into our everyday lives. Grant identifies this new set of 'Rs' as: **Respect** – treat others how you would like to be treated; **Responsibility** – let young people know that they can be the difference between a positive and a negative online experience for themselves and for others; **Reasoning** – encourage young people to cultivate skills of critical reasoning so that they can identify online material that is real and that which is not; and, **Resilience** – provide young people with strategies that

allow them to develop their ability to 'bounce back' from unpleasant or nasty cyber experiences.<sup>2</sup>

Grant also promotes the use of the **BRIM** principle as one that should be employed by all those who experience abuse or harassment through digital platforms – **Block, Report, Ignore or Mute**.<sup>3</sup>

Hardly a day seems to go by without mention in news bulletins of cyberbullying, harassment via social media, and misuse of digital technologies. Unfortunately, this social reality is also manifesting itself within our College community, and as an educational institution, we are endeavouring to provide opportunities for your sons and daughters to learn about safe and responsible digital citizenship.

Finally, I would encourage all parents, carers and grandparents to explore the website of the eSafety Commissioner - <https://www.esafety.gov.au/>. It contains a wealth of information for parents, educators, families, young people and adults alike, whose interest it is to promote cyber safety so that all young people can enjoy the many benefits that this digital world has made possible for each one of us.

<sup>1</sup> Martyn-Jones, L. (2018). Cyber safety a class act – Call for digital citizenship to be learning priority. *The Courier Mail*, Saturday May 26, p.37

<sup>2</sup> Grant, J. Inman. (n.d.) *The 4 Rs of online safety* in Australian Government, Office of the eSafety Commissioner. Retrieved from <https://esafety.gov.au/about-the-office/newsroom/blog/the-4-rs-of-online-safety>

<sup>3</sup> Grant, J. Inman. (n.d.) *ibid*

Sincerely

*Susan Bunkum*

Kath Hore - Mission & RE Support Officer

## Year 11 Retreat Forms

Our Year 11 students will be attending their Leadership Retreat in the second week of next Term and the retreat begins the process for being Senior Leaders in 2019. Retreat forms and parent letters will be available on Parent Lounge early next week. **Please ensure forms are completed and returned by Friday 15 June.** If you have any concerns please contact the College.

## St Vincent de Paul Winter Appeal

As the cold weather has set in, our Chanel community led by McAuley House, are collecting warm clothing and blankets for St Vincent de Pauls Winter Appeal. The collection is underway and will continue until Week 10 and so, as you are sorting out your winter woollies, if you have any that are still in good condition but you no longer need, Vinnies would appreciate receiving them.

## June 6 – Feast Day St Marcellin Champagnat (1789-1840)

Tuesday 6 June, Marcellin House will celebrate the Feast Day of Marcellin Champagnat with a Liturgy during extended PC time and a sausage sizzle lunch at first break. Parents are most welcome to attend.

## Reconciliation Week - 27 May-3 June

As part of our activities to raise awareness for Reconciliation Week, Marcellin 1 organised prayer for each House Group and Thank you to all students who presented and participated in the prayer.

The theme for Reconciliation Week this year is ***Don't Keep History a Mystery: Learn. Share. Grow.*** –This theme explores history hidden beneath the surface, ready and waiting to be uncovered. It also highlights some of the lesser-known aspects of Aboriginal and Torres Strait Islander histories, cultures, and achievements, to prompt Australians to ask themselves and to explore: what are some of the things ***I don't*** know about our shared history?

The dates for National Reconciliation Week commemorate two significant milestones in the reconciliation journey—the anniversaries of the successful 1967 referendum and the High Court Mabo decision in 1992.

For more information visit: <http://reconciliation.org.au>

## Second Hand Uniforms

The Second Hand Uniform 'Outlet' is open during first break, each Wednesday in term time. Please enquire at the front desk in Student Services. Formal uniforms sell for \$10.00 per item, sports uniform and house shirts are \$5.00 per item. There are several jackets available for \$25.00 each, and there are also several Medium to Large jackets available and all prices are negotiable.

**All donations are gratefully accepted and many thanks to those who have already sent in donations.**

## Thursday Mass

Thursday 7 June – Ms Dyer's Year 11 SOR Class

Mass is celebrated in the College Chapel at 10.40 am each Thursday.

**ALL WELCOME – Families, Friends, Members of our Parish, Fellow students!!**

## Please Pray for ...

- Members of our Chanel community who are unwell or recovering from illness.
- Members of our community as they grieve the loss of loved ones, especially Mrs Johnson whose mother recently passed away and Ms Clarke whose brother-in-law recently passed away.
- The innocent victims of aggression in our world, especially children.
- A stronger and sincere effort of working towards true and lasting reconciliation in our nation.
- Generous donations to help the people in our local community who are cold and hungry.

## Praise and Thanks for ...

- Civilians and defence personnel working to rebuild lives and to bring peace, unity and justice in many parts of the world.
- The model of Christian living set by Marcellin Champagnat in following dreams of the heart.
- The gift of the Indigenous people's culture and spirituality that enriches all Australians.

**If you have any requests for either of the above prayers, please leave your request at the Office.**

# IMPORTANT MESSAGE FOR PARENTS & CAREGIVERS

From Alison Wales – Assistant to the Principal Pastoral Care

We would like to make you aware that Netflix is releasing a series containing sensitive and mature topics. *13 Reasons Why (Season 2)* was released on Friday 18 May. It is likely to be a discussion topic in broader society and may be accessible to your child. We have prepared the information below so that you are able to respond or act preventatively to support your child.

The Netflix series, *13 Reasons Why*, was a topic of much discussion amongst members of the school community following its release in March 2017. The series tells the story of a senior student, Hannah, who suicides and leaves behind thirteen cassette tapes detailing the reasons why she ended her life. The final episode depicts her method of suicide, which caused researchers concern that it may increase the potential risk to vulnerable people. Despite the controversy, Netflix has released the second season of the series.

In addition to suicide, the content of Season 2 explores substance abuse, sexual assault and bullying. The second season is graphic and confronting. If exploring these themes unchecked, unsupervised and unsupported, young people may be at risk.

Headspace and Netflix have collaborated to create safe and informative resources for young people, parents and schools. They have produced a discussion guide available via the link: <http://13reasonswhy.info/wp-content/uploads/2018/03/13-Reasons-Why-Season-1-Discussion-Guide-compressed.pdf>

There is also a designated webpage where the resources will be located; along with a set of videos from the cast addressing issues depicted in the show, and detailed information for young people seeking help. This information is accessible via the link: <https://13reasonswhy.info/>

The *13 Reasons Why* series is rated MA15+ in Australia; however, many younger students have viewed the first season. If your child has not yet seen the series, you have two main options:

1. Restrict his/her access on Netflix through parental controls (<https://help.netflix.com/en/node/264> )
2. Supervise his/her exposure and discuss the content. Be aware that the season of *13 Reasons Why* was a widespread topic of conversation and students may have accessed the series in private. This could place them at an increased risk.

Parents are encouraged to have conversations about the content of *13 Reasons Why* with their child if it is discovered that they have viewed the original series. It is important to be aware of common warning signs and how to respond. The following links offer useful information:

Beyond Blue - [www.beyondblue.org.au/](http://www.beyondblue.org.au/) or Headspace - <https://headspace.org.au/>

Our College Counsellor, Ms Milena Barbagallo, is also available to offer support and guidance for any youth mental health concerns.

## How can parents build resilience in their children?

### Opportunity # 5: Building Resilient Practices

The best way to deal with issues is to focus on the positives. Research shows that an effective approach to raising healthy, competent kids is to concentrate on building resilience. This recognises that there is so much good in our young people.

#### Make one resilience building action a priority for the week:

- Eat at least one meal together as a family every day where you talk about the day ;
- Plan fun activities to do together as a family , with friends , and some by themselves ;
- Be a positive influence in the life of your friends' children ;
- Find fun things to do with your extended family and between generations ;
- Talk to your children about the importance of resilience and use stories from the newspaper and TV news to illustrate ;
- Do things with your children such as projects around the house, recreational activities, and community service ;
- Talk to your friends about it and see what has worked well for them ;
- Give lots of love, support and approval ;
- Challenge your child to take on useful roles around the house, and give practical skills such as cooking, washing clothes, managing money, pumping up the tyres on their bike ;
- Allow them to take on responsibilities to develop their independence ;
- Nurture your own resilience by spending time with people who care for you ;
- Ensure your child sleeps, eats well and gets sufficient exercise ;
- Look for male and female adult role models of various ages to be mentors to your child ;
- Understand your child's developmental needs at their current age ;
- Keep in contact with your child's teachers to see how they are going and how you can support their learning .

# Stella Maris Feast Day

Friday 25 May was our Stella Maris Feast Day where we commemorated and celebrated Our Lady, Star of the Sea, the Patron Saint for our Stella Maris House. We started the day with a House Liturgy focusing on how we can live out the Mercy and Marist traditions by following in Our Lady's footsteps to continue her love and compassion towards others. We then continued our celebrations at first break with a sausage sizzle, games and the cutting of the Stella Maris cake by our Delegates. It was a great opportunity for us to celebrate as one, and a big thank you to Parents, Caregivers and Staff and Students who donated soft drink, lollies, chips and snack food! We certainly celebrated with style and everyone had a great time.

# Brayden's

## Adventure in Citizenship

*A few weeks ago I was given the once in a lifetime opportunity to go away to Canberra for a week and develop skills and knowledge I will be able to use for the rest of my life. This trip is called Rotary Adventure Into Citizenship or RAIC for short and is offered to all Year 11 students around Australia but only 36 students are able to go. Once you arrive in Canberra you are given a warm welcome by your new Host Family for the week in the very chilly capital. This is where you will also meet one of the other 35 delegates who will be staying with you at your Host Family's house.*

*After this, the week is packed with trips to Parliament House, the High Court of Australia, the War Memorial, Duntroon, the American Embassy and many more iconic places of Canberra. You'll learn how the voting system works, how our Constitution was created and whether it is still suitable for the 21st Century, how foreign affairs operate and so much more that helps develop an idea on how our country works. You will also meet like-minded people who are engaged in current affairs and are always up for a discussion or debate on any issue.*

*This trip isn't just for people who want to become politicians but for anyone who is slightly interested in learning more about our country. This trip taught me a lot, not just about Parliament but also about where I want to go in life and the opportunity to meet people who I am going to keep in contact with for the rest of my life. I would recommend this trip to anyone, not just because of the great people alone, but the experiences and knowledge you get from this trip are invaluable to any young person ready to make a change in this world.*

**Brayden Whalley**  
**Year 11 Student**

# Chanel Interact Club

The Chanel Interact Club held a Charity Car Wash on Saturday 26 May at Chanel College. The car wash was run between 9am and 1pm on the grass outside the Old Art House. Approximately 30 parents, teachers, friends and Rotarians brought their cars to be washed by the students. The students worked very hard and, with donations, raised \$345.00. At the next meeting of the Interact Club the students will decide which charity to donate this money to. Thank you to everyone who supported the students by turning up for a chat and a car wash. Thank you!!

**Ms Danielle Botica**

# Rotary Club Visits Chanel

On the evening of Thursday 17 May the Rotary Club of Gladstone visited Chanel College for a 'vocational visit'.

Rotary clubs regularly organise visits to local businesses with the aim of getting to know and supporting them. The visit was a great success and the Rotarians, many of whom either attended Chanel College themselves or their children did, were incredibly impressed by the new and improved facilities at Chanel College.

Teachers, David Fisser and Danielle Botica, conducted a tour of the school and then hosted a dinner in the staff dining room. A small number of Chanel Interact Club (Rotary for high school students) students also attended. Brayden Whalley addressed the Club and gave an in depth presentation on the Rotary

Adventure into Citizenship week long camp he had just returned from in Canberra. Oliver Kirk also addressed the Club and requested sponsorship to attend the National Youth Science Forum in January 2019. Destiny Harmer who has applied for Youth Exchange Program in 2019 (1 year overseas as an exchange student) was introduced to the Club.

On behalf of the students at Chanel College who participate in the Interact Club and all those who have attended the many Rotary sponsored 'experiences' I would like to thank the Rotary Club of Gladstone and the other Rotary clubs in Gladstone for their ongoing support and sponsorships.

# QMEA STEM Stepping

On Thursday, 30 May, 8 students from the College went on the annual QMEA STEM Stepping excursion. Students started at 8.30 am and went to APLNG on Goondoon St, where they were shown how the entire operation works on Curtis Island, met various professional people who told the students about the work they do. The students then went to the Gladstone Regional Council building, also on Goondoon Street and were met by Cr Rick Hanson in the actual chambers. There the students were shown many presentations regarding jobs and skills and what the Council could do for the students if they chose to work with them. Lastly, the students then, “stepped” all the way to CQU at the Marina where they had a presentation on CQU qualifications and what it means to study and have a qualification. There were also two break-way talks, one by APLNG and another by Ainsley Childs and Travis Richmond who are both Chanel students and QMEA ambassadors, who talked to the Year 10 students about becoming an ambassador. They also talked to them about the National Youth Science Forum (NYSF). A great day was had by all and the students were also supplied some extra mid-morning tea by APLNG which went down a treat.

Mr Fisser

# Year 7 Quoin Is Excursion

*At Quoin Island, I enjoyed learning about the turtles. The beach walk was fun because our group got to explore the island and the coconuts taste good. The pool was freezing but I would go in it again.*

**Ethan Sharpe**

*The Quoin Island Excursion was great to go on. The activities were great and we all had lots of fun. The coconuts were also very good and we had a good challenge trying to crack them. The kids that didn't go missed out on a lot!*

**Tase Black**

*On Wednesday the Years 7's went to Quoin Island. I had the best time ever! We had 4 activities to do and we all loved it and had so much fun. The things I loved the most was going to see the turtles because they were so beautiful. I also liked going on a walk around Quoin Island and getting to see and experience new things.*

**Morghan Barber**

*On the Quoin Island Excursion the thing that I liked the most was learning about the turtles and how they get looked after. I enjoyed swimming in the pool with all of my friends. If I had the chance I would go back for another visit*

**Jossie Law**

### TRADES INFORMATION SESSION

Considering a trades career with the Navy, Army or Air Force? Come along to an Information Session to learn more about the trade jobs available in the Australian Defence Force. The Navy, Army and Air Force are now recruiting for a wide range of positions such as Marine Technician in the Navy, Vehicle Mechanic in the Army, and Avionics Technician in the Air Force. In these jobs you will be able to work with some of the country's most advanced and highly technical equipment and hardware. You will also receive many great benefits such as free healthcare and subsidised accommodation.

**Date:** Tuesday 12<sup>th</sup> June, 2018

**Time:** 6:00pm – 8:00pm

**Where:** Mercure Gladstone – Corner Bell and O'Connell Streets, Barney Point QLD 4680

**RSVP:** [cpttownsville@dfr.com.au](mailto:cpttownsville@dfr.com.au)

## 2019 Apprentice Information Evening

BSL is recruiting for apprentices in the trades of **Mechanical, Electrical, Refrigeration** and **Diesel Fitting** to commence in 2019.

Students recently or currently completing QCE with 'C' grade or higher in Maths and English are encouraged to apply.

Electrical apprenticeships require minimum 'C' grade in Maths B.

An information session will be held on

**Thursday June 7th @ 6pm**

Kalori Conference Centre

3 Hampton Drive,

Tannum Sands.

*No prior registration required*

Applications for apprenticeships will open June 11th 2018.

More information can be found at [www.pacificaluminium.com.au/careers](http://www.pacificaluminium.com.au/careers)

## Capricornia Cross Country Trials

The Capricornia Cross Country Trials were held on Tuesday 29 May at the Calliope Golf Course. A strong contingent of Chanel students attended as members of the Port Curtis Team. Congratulations to all Chanel students who ran on the day. It was a hot day, but you powered on and produced some outstanding results. Congratulations to the students who made the Capricornia Cross Country team to compete at the State Titles in Maroochydore:

Angus McGregor	Cross Country	3rd Age Champion
Tallis Stanhope	Cross Country	3 <sup>rd</sup> Age Champion
Nick Crane	Cross Country	2 <sup>nd</sup> Age Champion
Zara Nash	Cross Country	5 <sup>th</sup>
Bojana Bijelic	Cross Country	5 <sup>th</sup>
Lachlan Blake	Cross Country	2 <sup>nd</sup> Age Champion
Brady Blake	Cross Country	3 <sup>rd</sup> Age Champion

## Important Information about Port Curtis and Capricornia Athletics trials

The Port Curtis trials will again be held at the TAFE/Gladstone Athletics oval on Tuesday 24 and Wednesday 25 July. This is a carnival, not just a selection trial, so students can compete for their school to either be selected in the Port Curtis Track and Field team OR compete for their school and not be selected for the Port Curtis team (more information regarding this process will come out in the coming weeks). The Capricornia trials will be held at Marist College Emerald on Monday 23 and Tuesday 24 August. Port Curtis WILL NOT be providing transport or accommodation for any students who make the team. Travel and accommodation plans will be the responsibility of parents to organise for their students (please like the Port Curtis Sport facebook page for the most up-to-date information on these trials).

### Capricornia Representatives

Congratulations to these students who have been selected in Capricornia sports teams. We wish them all the best for their upcoming State Titles.

Brady Blake	12 boys touch Football
Ben Butcher	12 boys touch Football
Carter Vincent	12 boys touch Football
Rahul Captain	Basketball 10-12yrs BOYS

## 2018 Inter-House Athletics

### THURSDAY 28 JUNE AND FRIDAY 29 JUNE

#### Uniform

All students are to be wearing house uniform for both days; hats must be on when not competing.

Exceptions – black/dark coloured running shorts/tights, running shoes, spikes (all events except 800m, 1500m, 3000m High Jump and Relays)

Outfits – FRIDAY ONLY, must have house shirt as part of the outfit

All students will wear wrist bands for their age group – will be given on Thursday and to be worn over the 2 days. Stay with and compete in your DOB group.

#### NOMINATIONS

All students are automatically nominated for all field events– if you don't want to compete you need to tell the teacher in charge of the event at the start and you will be required to help measure, rake, etc.

When you are doing a field event it will always be in alphabetical order by House so make sure you're organised. If you don't wish to do the event, tell the teacher on duty to cross your name out.

#### Banned items

No Ipods, Mobile Phones, MP3 players etc.

No footballs, soccer balls, etc. - you are there to participate in an athletics carnival and when you are not participating, you should be supporting your team mates.

#### Tuckshop

Run as usual – sandwiches, drinks, ice blocks

Limited hot food – will sell powerade

#### Field events

Jumps: High, Triple and Long Jump – ***If you wish to do High Jump Flop, you MUST get a permission letter from Miss Kickbusch, get signed off by your athletics coach & bring on the day. Mr Davis must see you do the correct technique and approve it, otherwise you will do scissors – NO note NO Flop technique.***

**Discus (no spinning) and Javelin (NO RUN UP due to area restrictions)**

#### Track events

Spikes can be worn for the 100m, 200m and 400m events

If spikes are worn during the relay, the next runner to receive the baton must also be wearing spikes.

NO HEATS – ALL races are timed finals. The fastest time overall will win the race. Winners announced after the following Field event rotation.

## 2018 Inter-House Athletics

THURSDAY 28 JUNE AND FRIDAY 29 JUNE

### HATS:

Wide brimmed hats **MUST** be worn all day, for example College bucket hat.

Your hat **MUST** be on your head all day

→ **NO CAPS ALLOWED**

### Spectators

Parents are welcome to attend our Athletics Carnival on Thursday 28 June and Friday 29 June 2018 in the last week of Term 2. To ensure the safety of all and the efficient running of the carnival, ALL spectators are asked to adhere to the following guidelines:

- All spectators **MUST** sign in at the front office before attending the carnival.
- Anyone who wishes to take photographs during the carnival, **MUST** seek the permission of the College.
- During the track events, all spectators are asked to remain on the seats under the trees in the area between the top and bottom ovals. Please do not watch from down near the running track.
- During field events spectators will be asked to watch from a designated area as instructed by the teachers running the event.

Thank you in anticipation of your cooperation which will ensure an enjoyable two days for all.

# Queensland's Great Escape!

Let's make a fire escape plan so your family is ready for Queensland's biggest ever fire drill on 22 June

## Get your kids involved in Queensland's Great Escape

Children around the state are learning to be fire escape ready in Queensland's Great Escape. It's an epic adventure where your kids can be junior fire safety officers for the night. Held on Friday 22 June, this fun activity will teach your children about fire safety, while preparing your home for fire. Guided by their new friend 'Red', the night is some family fun and games that could mean the difference between life and death.

Visit [www.qld.gov.au/firescapeplan](http://www.qld.gov.au/firescapeplan) to take part in the adventure.
