From the Principal - Dr Susan Bunkum PhD

This week, the Chanel College Leadership Team joined with Leadership Teams from all other schools and colleges of the Catholic Diocese of Rockhampton for a three-day gathering. Such a coming-together provided us with a wonderful opportunity to not only hear from a range of expert educators, but also gave us the opportunity to share ideas, resources, and to learn from each other. The ability to critique our current practice in light of contemporary thinking about what is best practice, ultimately serves to help us continually improve all that we do as we educate your sons and daughters.

A special part of this three-day gathering was the ability to attend the Mass of Chrism at St. Joseph's Cathedral on Wednesday. This Mass is very special within our Catholic tradition because it is the one during which the bishop blesses the holy oils that will be used in the Sacraments throughout the year. It is also a time for priests of the Diocese to renew the vows that they made at the time of their ordination and for all the gathered faithful to renew their baptismal promises. The Mass of Chrism also reminds us that the holiest of our Liturgical Seasons – Easter – is fast approaching.

As subject exams for each year level continue, I wish all students the success that comes as a result of the hard work that they have done throughout this term. In this, the last newsletter of Term 1, I also take the opportunity to wish you and your families a blessed and happy Easter and a safe and refreshing holiday.

Sincerely

Susan Bunkum

Project Compassion

Project Compassion's theme for this year is 'A Just Future' and celebrates the Year of Youth.

Pope Francis said, "Cultivate with love the seeds of goodness, beauty and truth so God sows in every new generation." Through our generosity during Project Compassion, we are empowering young people to build a future for themselves, their families and their communities.

As well as raising awareness about the work of Caritas, each student is encouraged to go without something and donate the money saved to Project Compassion. In the past we have been very successful as a whole community raising funds to financially assist the work of Caritas. Please contribute to this Appeal which supports aid and development programs around the world and helps to build a better life for the poorest of the poor.

Easter Appeal

Thank you for your generous support for our Easter Appeal and also thanks to the students and staff of Stella Maris House for coordinating the appeal. Many people in Gladstone will appreciate having extra goodies to help them celebrate Easter.

Celebrating the Death and Resurrection of Jesus ...

All are invited to the Chanel Easter Celebration commencing at 9.00 am on Thursday 29 March. Sheets and towels make wonderful costumes to add to the atmosphere.

Second Hand Uniforms

The Second Hand Uniform 'Outlet' is open during first break, each Wednesday in term time. Please enquire at the front desk in Student Services.

Formal uniforms sell for \$10.00 per item, sports uniform and house shirts are \$5.00 per item. All prices are negotiable.

If you have uniforms your child no longer requires - all donations are gratefully accepted and many thanks to those who have already sent in donations.

Thursday Mass

Thursday Mass will resume in Term 2

Thursday 19 April – Ms Ryan's Year 12 SOR Class

Please Pray for ...

- People in our community who are unwell or recovering from illness.
- Justice in our world that we will continue to make a conscious effort and generously support Project Compassion.
- People and their communities recently devastated by bush fires and having to rebuild their lives and their homes.

Praise and Thanks for ...

- All people, especially past students of Chanel, who are working in our world to ensure that justice and peace prevail.
- The generous support for the St Vinnies Easter Appeal.
- Our student leaders presenting an anti-bullying campaign.
- Generous, compassionate people who continue to support the bushfire victims through prayer and material assistance.

If you have any requests for either of the above prayers, please leave your request at the Office.

Chanel College Music Teacher

Since auditions in early August last year, these students have worked very hard learning lines, songs and choreography as part of the cast in 'Shrek, the Musical'. As vocal coach, it was my job to decide who was going to sing what notes in the ensemble, teach all the songs and ensure all 87 students involved remembered what to sing and when. This is one of the first times the production has been performed away from the professional stage, so the expectations on all involved were very high. Chanel students played a significant role in the musical with half of our students performing solo vocal parts including Delaney in the lead role of Princess Fiona. It takes a lot of courage and talent to be a part of a musical performing for a live audience, and our students put on 8 performances in 7 days. Congratulations and thank you to all students involved in Shrek, by all accounts, it was a brilliant production.

Year 10 Hospitality

This term in 10 Hospitality students focused on menu types and were required to design a menu suitable for a buffet style service.

*One Million Stars
to End Violence*
— PROJECT —

This time last year, Chanel students and staff created 500 stars using recycled newsletters, as part of the school's commitment towards a bullying and violence free environment. Ours stars were sent to Brisbane to form part of the One Million Stars public art installation which will be on display during the Commonwealth Games.

The One Million Stars art installation, presented by the Museum of Brisbane, will be open to the public in King George Square, Brisbane, from Thursday 29th March to Sunday 15th April 2018. View a universe of one million stars, created by thousands of people from across the Commonwealth and the world, united in their hope for a peaceful future.

Every star and star maker is special. Thank you for contributing stars towards this record-breaking installation that will inspire the world during the Games.

If you find a “Chanel star”, take a pic, we would love to see photos!
