- Love Thy Neighbour Day

Welcome to the 2019 school year. We have had an excellent start, and already, those new to our community, including all of our Year 7 students, are looking very much 'at home' here. There was certainly much energy, excitement and laughter in Lavalla Court on Tuesday morning as we greeted our Year 12 students who were here to introduce our newest members - the Year 7 class of 2019 - to life at Chanel.

Our College theme for 2019 is "Respect - Every person matters". This theme resonates well with the challenge that I asked all students to embrace at our very first College Assembly. As I do at the beginning of each new school year, I urged students, firstly, to be proud to be members of the Chanel College community; and secondly, to avoid mediocrity and instead, aim for excellence.

This year I added a new dimension to this and introduced the notion that:

*Chanel students are RESPECTFUL, RESPONSIBLE, RESILIENT Learners.*

During the year, we will unpack what it means to be a respectful learner, a responsible learner, and a resilient learner who is proud to be a member of the Chanel College community and who always aims for excellence.

#### First newsletter

Early this week the first newsletter of the year was distributed to students to take home. This newsletter contained some very important information regarding the start of the school year. If you did not receive a copy, please contact the College Office.

#### Opening Mass

As a Catholic College, we begin each school year by celebrating Mass. I would like to invite you to join us in our Opening Mass for 2019 on Thursday 7 February commencing at 9.15am in the Marian Centre.

#### Instrumental Music Program

This term we plan to introduce an Instrumental Music Program at Chanel College. This co-curricular program will provide students with an opportunity to learn to play an instrument, participate in ensembles, and the College Concert Band, and choir. We will communicate more information in upcoming newsletters.

#### SUN SAFETY

We know that sun exposure during childhood is a significant contributing factor to the development of skin cancer later in life. We also know that the incidence of skin cancer in Queensland is amongst the highest in the world. The Queensland Cancer Council urges schools across the state to continue to prioritise the promotion of sun safe practices. Thus, as we begin a new school year, we are reminded of the importance of wearing hats and sunscreen when we are outdoors. This includes mornings and afternoons when students are on their way to and from school.

Kath Hore - Mission & RE Support Officer

## *Please Pray for...*

- Countries experiencing ongoing violence and turmoil due to political unrest
- All new students and staff as they commence their journey at Chanel College
- People in our community who are unwell or recovering from illness

## *Praise and Thanks for...*

- Civilians and defence personnel working to rebuild lives and to bring peace, unity and justice to many parts of the world
- A safe return to school after a relaxing and renewing holiday
- The wonderful country we live in

***If you have any requests for either of the above prayers, please leave your request at the Office.***

## **THEME 2019 - RESPECT EVERY PERSON MATTERS**

Our theme for 2019 encourages us to treat everyone with respect and to have compassion for all people. The way we live and love is what matters most. We all have the capacity to make a difference in our school, in our homes, in our social and sporting groups and in the wider world. Let us make 2019 a year when everyone will feel respected, valued and included.

### **Prayer Support**

Following tradition, Chanel College families and/or individuals are asked to be involved in offering prayer support for our Year 12 students. This is a very important year and one that can be quite stressful at times for our young people. Each person or family who commits is asked to pray each day, a prayer of their choice, for the student. This is a practical way of demonstrating our concern for our Year 12 students. Anyone who believes in the power of prayer is welcome to be a prayer support person/family. If you have not already received and returned your notice, and would like to participate, please leave your name and contact details at the College Office before Monday 4 February.

### **Opening Mass**

The Opening Mass for 2019 will be celebrated on 7 February at 9.15 am in the Marian Centre. All parents/carers are welcome to join in our celebration of what will be another busy and fulfilling year.

### **Connecting with Marists**

Over the last weekend of the school holidays, our College Captains – Imogen Collins and Brayden Whalley, and Vice-captains – Hannah Overend and Ryan Lilley, spent time at the Marist Student Leaders' Gathering in Brisbane. They were given the opportunity to deepen their understanding of leadership, network with other Marist schools and participate in shared prayer and liturgies. Many thanks to Mrs Wales who accompanied them and we look forward to sharing their new found skills and ideas.

### **Friday Night Youth Group**

A Youth Group is starting this Friday 1 February 4.30pm-6pm at the Parish Hall in Herbert Street. The Youth Group is open to all high school aged children so come along and join in.

## Oliver Kirk is a QMEA Ambassador

Oliver Kirk has been chosen as a QMEA Ambassador for 2019. Together with 19 other Ambassadors, Oliver was presented with his certificate at a breakfast function in Brisbane on 7<sup>th</sup> December. As such, Oliver will be involved with the various QMEA functions here in Gladstone and will represent Chanel College whenever he is asked to talk to students about the role and involvement of QMEA. The photograph shows below Oliver meeting the Minister for Education, the Hon. Grace Grace at the function.

Mrs Sherie Elliott

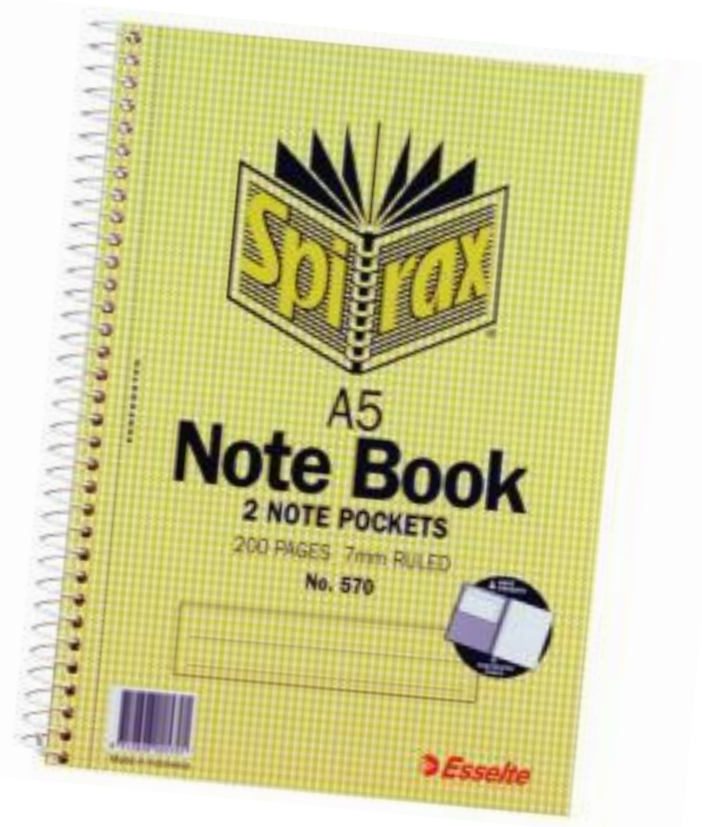

Some parents may have noticed the addition of an A5 notebook on the booklist for Mathematics. One thing I want to strongly encourage across all Mathematics classes is the use of a summary book. Students should add to the book each night they have a lesson, with the important concepts that they learnt in class, and maybe some examples they can review. At the end of each week they will be able to review the notes in their summary book, meaning they will be continually revising throughout the term (so the work in Week 1 will be reviewed at least 8 times before the exam, Week 2 will be reviewed 7 times, etc). As exams each term will be cumulative (have material from previous terms), this technique is also very valuable for long term learning. Regular revision has been shown to improve memory, which is extremely important for exams. Another technique which is great for revising is the 'Flip Card Technique', which is explained in the following video.

<https://www.youtube.com/watch?v=eVajQPuRmk8>

Students will also be encouraged to create an overall summary sheet at the end of each term. These can be kept in their display folder for reference throughout the year and even for future use.

Studying is a skill that we are aiming to master in Mathematics in 2019. Your encouragement and support is greatly appreciated.

Sherie Elliott  
Mathematics Curriculum Leader

# Sports News

Kylie Kickbusch - Sports Program Leader

Welcome back to Chanel for 2019 and what a very very big year for sport it is going to be! At Chanel we love celebrating and acknowledging student achievements in the sporting arena. I am not always aware of these achievements but would invite you to share these results with me, so that as a community, we can congratulate and share students sporting success. Please contact me via email or phone so that we can acknowledge the wealth of sporting talent at Chanel College.

There have been many changes to the sport calendar, both at Chanel College (dates for the Interhouse Carnivals) and the Port Curtis Sports trials calendars. It is important that parents and students are aware of the EARLIER dates and times for both Chanel and Port Curtis sporting events. Please ensure that you have 'liked' the Chanel College Facebook page & Port Curtis School Sport Facebook page for the most up-to-date information regarding Interhouse carnival dates and Port Curtis trial dates and times.

Students have access to both the Secondary (13-19 years of age) and the Primary (10-12 years of age) Port Curtis calendars on their Student Google Page.

Parents can access these calendars via links on the Chanel College Website.

## PORT Curtis Sport

Port Curtis Trials The majority of the Port Curtis sporting trials will be held during Term 1. The dates for these trials can be found on the College website (with links to the Port Curtis calendars), Student Google Page (under the 'Sport @ Chanel' tab), on Parent Lounge (with links to the Port Curtis calendars) and in the Daily Notices. This year we will be using electronic nominations for Port Curtis trials. Students will have access (both at school and at home) to the nomination forms via the Student Google Page under 'Sport @ Chanel'. For the most up-to-date information about Port Curtis Sport, please 'like' the Port Curtis School Sport Facebook page. Capricornia School Sport app can be downloaded from the Google Play app store and the iPhone app store (links for both can be found on the Chanel College Website).

If your child wishes to nominate for a trial, they are to complete the relevant Google form. If a student has put their name down for a trial, I will forward to them (via their Pastoral Care folder) the Parent Consent and Medical forms. The Consent forms MUST be returned to the College by the due date as late nominations will not be accepted. Students nominating for Port Curtis trials should have the intention of making themselves available for Capricornia trials. Please note: 12 Year olds (DOB 2007) will still compete in the Primary school Port Curtis trials. All nominations need to come through the College and the same procedures for nominations mentioned above apply to the 12- year-old students. Term 1 is very busy with sporting trials for 12 year olds and 13 – 19 year olds, so it is important to remind your student to listen to the morning notices for the upcoming trials.

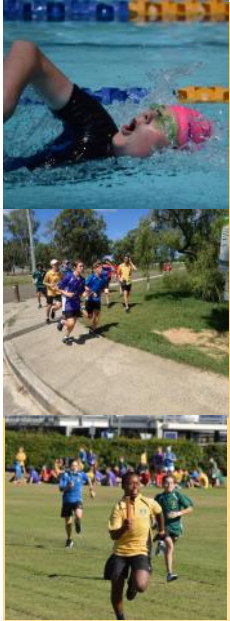

## Interhouse Carnivals

Friday 8 February marks the start of the Interhouse sporting carnivals with the Swimming Carnival. It is a College expectation that all students attend this carnival, which will be a day full of fun, House Spirit and loads of time to get into the pool with friends.

This is an all-day event with students arriving and leaving from the pool (they do not need to come to the College, rolls will be marked down at the pool). Students will be able to participate in a variety of events: competitive 50m races, participation races or both, and novelty events. No nominations for events need to be taken for the competitive races. Information for parents will be available through the College Newsletter and Parent Lounge next week. As this is the first Inter-House Carnival for the year, I encourage all students to participate and set the participation levels and House spirit for the Year.

## Mouthguard Policy

In 2019, mouth protection is MANDATORY in the following contact sports:

Australian Football (AFL), Hockey, Rugby League, Rugby Union and Water Polo.

It is recommended for Soccer.

The Department of Education strongly recommends that students wear custom-fitted mouthguards.

Wearing an appropriately designed and made mouthguard while participating in sport will protect against dental injuries. Players of all ages involved in sports and activities where they are at risk of an injury to the face should protect their teeth with a properly fitted mouthguard. This includes sports where there is a risk of collision, falling and/or contact from other players or equipment such as balls, bats, sticks or racquets.

Student medical forms for Port Curtis Sport now acknowledge the mandatory wearing of mouthguards for Australian Football (AFL), Hockey, Rugby League, Rugby Union, Waterpolo and the recommended use of them in Soccer. All parent/carers will have to sign this form stating that they understand and agree to this process. If students are competing in any trials for the above sports, (except soccer) they MUST have a mouthguard, or they will be unable to compete.

**These measures will also be enforced with Chanel College sport.** All students participating in Interschool Australian Football (AFL), Hockey, Rugby League, Rugby Union they MUST wear mouthguards to play. Training for Confraternity Rugby League and Rugby 7s will also require the mandatory wearing of a mouthguard – if a student does not have a mouthguard, they will not be permitted to train or play.

## TIME EMPLOYMENT OPPORTUNITIES

### Coronado Curragh Apprentice Intake

MRAEL in partnership with Coronado Curragh are seeking candidates to undertake Mechanical Fitting, Electrical and Boiler making Apprenticeships to commence in April 2019.

In these exciting roles you will be encouraged to develop a broad range of technical and interpersonal skills. On-the-job training will be undertaken at Curragh Mine which is located 17km from the township of Blackwater. Applicants will be required to demonstrate a high level of motivation together with a commitment to complete the qualification.

So what can we offer?

CORONADO GLOBAL RESOURCES is the 5th largest producer of high-quality metallurgical coal in the world and as an Apprentice at the Curragh Mine, you will work with seasoned professionals, developing strong relationships and providing you with valuable mentoring opportunities and supervised training. If you have a strong respect for and commitment to safety, effective communication skills and thrive in a team environment, then we are the company for you!

Candidates living in the Central Queensland area will be highly regarded. Applications are open to both recent school leavers and mature age candidates.

Subsidised Accommodation in Blackwater will be provided with this role but you will be required to supply your own transport to and from work.

How to apply? For more information, or to apply: Please head to MRAEL's website: <https://www.aasn.com.au/index.php/jobseekers/view-current-apprentice-and-trainee-vacancies> and view JOB ID 3223 (Mechanical Fitter), JOB ID 3216 (Electrical) and JOB ID 3224 (Boilermaking).
