From the Principal - Dr Susan Bunkum PhD

On Monday we celebrated our annual Sports Assembly to recognise students, staff, and members of the community who have participated in and supported our Chanel College sporting program during 2018. This program is an important aspect of our life at Chanel. The calendar is always full of a wide variety of sports and special events, all of which provide many opportunities for our students to engage in a diverse range of activities each year. That so many received awards is testament to the incredible talent of our students, and also to the dedication of the many members of staff who give generously of their time to ensure that we make the most of all opportunities to participate in local, regional and state-wide competitions. Congratulations to all award winners. As I said at the assembly on Monday, we are incredibly proud of our students who always exhibit great sportsmanship, who demonstrate real commitment to their teams, and who are great ambassadors for our College in each and every sporting competition.

Special thanks to Ms Kickbusch, our Sports Program Leader, who oversees our entire sporting program and gives very generously of her time and expertise throughout the year to coach and manage teams.

Sincerely

Planning for 2019 is well underway. We would appreciate it if information regarding any student who is not intending to return to Chanel in 2019 could be provided in writing to Ms Dyer at the College Office as soon as possible.

Good News

Kath Hore - Mission & RE Support Officer

Please Pray for ...

- People in our community who are unwell or recovering from illness
- Farmers and their families as they struggle to live with the ongoing drought
- The work of the Church helping marginalised and disadvantaged people in many areas of the world
- Year 12s attending Retreat in Week 4 that they may be open and receptive to the program and be enriched by the experience

Praise and Thanks for...

- Civilians and defence personnel working to rebuild lives and to promote peace, unity and justice in many parts of the world
- Recent rain bringing relief to some areas
- Individuals and organisations who diligently work to alleviate poverty and inequality in our world
- The privilege of living in a country where education and health facilities are accessible

If you have any requests for either of the above prayers, please leave your request at the Office.

Star of the Sea Mass & Youth Group – 21 October

All students are invited to join in the activities in the **Parish Hall, Herbert Street** after the **Chanel SOS Mass on Sunday 21 October**. **Mass will begin at 6.00 pm** followed by a youth gathering in the Hall from **7.00 pm to 8.00 pm**.

Parents are welcome to enjoy a cuppa after Mass.

PLEASE MARK THIS DATE ON YOUR CALENDAR!

October - World Mission Month

The 2018 Theme "Healing a Nation through Education" focuses on the people of Myanmar.

World Mission Day is celebrated every year in every country wherever there are Christians committed to building a better world for all of God's people, a world where everyone has all they need to live a dignified and fulfilling life. Missionary activity is fundamentally, a going out of oneself in love, a reaching out to see God in everyone and to share God's love with each person we meet – especially our poor and marginalised. Catholic Mission around the world has the responsibility of promoting a dignified and fruitful celebration of World Mission Day.

Jesus' mission of creating a world where all can live a fully dignified life is still far from complete. Therefore, the whole month of October has been dedicated to reflecting on the central mission of the Church to help all Christians in their commitment to Christ's mission of love, mercy, forgiveness, peace and justice for the world.

Year 12 Retreat

This is the final Chanel College Retreat experience for our Year 12 students and it takes place in the week 29 October to 2 November. Please pray for the year 12's that they may be open to the experience and the opportunities offered to them.

Recycled Uniform Outlet

The Second Hand Uniform 'Outlet' is open during first break, each Wednesday. Please enquire at the front desk in Student Services.

Formal uniforms are \$10.00 per item, sports uniform and house shirts are \$5.00 per item and jackets sell for \$25.00 each. All prices are negotiable.

Donations are gratefully accepted and many thanks to those who have already donated.

Thursday Mass

Thursday 25 October – Mrs Miles Year 7C Religion Class

Mass is celebrated in the College Chapel at 10.40am each Thursday. All Welcome

2018 Sports Awards

Congratulations to the recipients of the 2018 Chanel College Sports Awards which were announced at a special assembly on Monday. The community of Chanel College is very proud of the sporting abilities of our students and would like to congratulate all students for their participation in our sporting programs.

PIERRE DE COUBERTIN AWARD

Tallis Stanhope

The Pierre De Coubertin Award is an initiative of the Australian Olympic Committee's Schools Education Strategy to provide youth with an opportunity to share in the true spirit of the Olympics. The award aims to recognise 1 student from every school who has actively participated in the school physical education program with a consistently positive attitude and demonstrates the attributes consistent with the fundamental aims of the Olympic movement through participation in a variety of sporting events and demonstrating commendable sporting behaviour. This year's recipient from Chanel College was Tallis Stanhope.

*As Baron Pierre de Coubertin, founder of the Modern Olympics, said
"The most important thing in the Olympic Games is not to win but to take part just as the most important thing in life is not the triumph but the struggle."*

SCIENCE

David Fisser Curriculum Coordinator for Science and Digital Technologies

National Youth Science Forum (NYSF) Dinner

On Wednesday NYSF hosted a dinner function at CQU to announce and present this year's nominees who will be going to Canberra in January 2019. Congratulations go to Aimee Kane, Oliver Kirk and Parker Hutchieson who were all nominated for the NYSF

accolade and opportunity to go with 400 other students from around Australia to Canberra next year and experience Science in all its different forms. The evening was extremely informative and included guest speakers from Orica, CQU and Rotary. Chanel College also invited seven Yr.10 students to experience Rotary and NYSF, in preparation for their application next year. A great evening was had by all.

Oliver Kirk, Aimee Kane and Parker Hutchieson.

TOURISM

Ms Candi Di Bartolo

Yr 11 & 12 Tourism Careers Expo

Careers in the Tourism and Travel

Industry was the focus of the Term 4 assessment task for students.

Working in small groups, each group created a stall dedicated to a particular section of the Industry. These included Lodging and Catering, Transport and Attractions, Information and Guiding, and Travel.

The students fielded questions on future career opportunities and pathways, the benefits of working in Tourism, the skills and qualifications required, as well as a many other enquiries.

Students would like to thank the staff and students who attended and say a special Thank-You to the staff from Flight Centre Gladstone for taking the time to visit.

Around The College

On Thursday 18 October, Chanel College hosted an Education to Industry Breakfast. This was designed to share with our industry partners, the changes to Queensland's system of senior assessment, which will commence with Year 11 students in 2019.

We shared information about:

- new processes designed to strengthen the quality and comparability of school-based assessment
- an external assessment introduced in most subjects
- a move away from the Overall Position (OP) rank to an Australian Tertiary Admission Rank (ATAR).

We believe this will have an impact on the recruitment of our students to the wonderful opportunities that are provided by industries in the local area.

In particular, the Mathematics and Science senior syllabuses will change significantly. For example, Maths A, Maths B or Maths C will no longer exist. The method of reporting assessment results will also change.

We were very pleased to present the new Chanel College senior curriculum from 2019 and the impact it may have on recruitment criteria from 2019.

Around The College

McAuley

Feast Day

On Tuesday we celebrated the life and work of Catherine McAuley. In Catherine's words "In carrying out our works of mercy, we are impelled to work for justice". Today the students of McAuley gathered to pray that like Catherine McAuley we may sow seeds in the lives of all we meet as we work towards creating a more just world for all. We wish to thank the families of McAuley House for their effort and enthusiasm in participating in our Liturgy and Picnic activities.

Around The College

DRESS LIKE A FARMER

The students and staff dressed like a farmer to raise money for rural communities battling the drought. It was great to see so many different versions of farmers!

A grand total of \$850 was raised for our farmers!

Thank you everyone for your support.

Around The College

Queensland Mental Health Week (8-14 Oct) is an annual event that aims to increase awareness and interest in positive mental health and wellbeing across the state. The theme for 2018 is to value mental health with six actions that have been proven to improve wellbeing in everyday life: be active, keep learning, connect with others, take notice, give to others, care for our planet.

Chanel College celebrated our own Wellbeing Week with a number of activities for students based on the six themes, including, mindfulness colouring, no-sew t-shirt bags, donations for farmers, Zumba, line dancing, finger crochet and balloon animals.

Queensland
Mental Health
Week

Did you know that being active increases production of neurochemicals that promote brain cell repair and improve brain function?
Did you know that laughter boosts your immune system, relieves physical tension and stress, and can leave your muscles relaxed for up to 45 minutes after?

CAREERS NOTICES

Any student who would like to do work experience over the Christmas Holidays, please have your Work Experience form into Mrs Crane ASAP so it that can be processed .

UQ Visit

On Wednesday we had Sebastian from UQ (University of Queensland) visit and do a presentation to the Year 12 students who have applied to UQ for 2019. Sebastian explained to the students how University degrees in Physiotherapy, Engineering and Business work. He also explained the application process for Scholarships and described the range of Health degree programs available, and explained the rural Access Scheme for regional students.

Career News

School Holidays Work Experience

Year 10 student, Lachlan Blake, took up the opportunity to do work experience at GPC as a Pilot Launcher. Lachlan is trying different work experience opportunities to see what Career Pathway he would like to follow.

Year 10 student, Jordyn Maxwell, had the wonderful opportunity of undertaking work experience in Townsville with the Defence Force. Jordyn had an amazing time learning new skills, meeting new people and participating in building activities. We encourage anyone who would like to do work experience with Defence Force to apply online and like Jordyn experience this wonderful opportunity.

AUSTRALIA

UMAT Admissions Test will be replaced by UCAT in 2019

As of 2019, all applicants intending to sit the UMAT for entry to university in 2020 will need to sit the new University Clinical Aptitude Test (UCAT). Consequently this will affect students currently in Year 11 and below. From 2019 onwards, the UMAT test will be discontinued.

UCAT will become a mandatory admissions test for the Doctor of Medicine (provisional entry) and Dental Science at The University of Queensland.

The registration for the UCAT will open in March 2019 and close in mid-May. The UCAT will be offered on a choice of dates throughout the month of July, rather than on one single date.

The test consists of five, separately timed, subtests:

- Verbal Reasoning
- Decision Making
- Quantitative Reasoning
- Abstract Reasoning
- Situational Judgement Test

For more information about the new test, including testing dates and format visit [UCAT online](#).

Preparing for UCAT

UCAT ANZ have a number of preparation materials available to assist students in preparing for the UCAT. These include:

- Practice examinations (timed)
- An online, interactive tutorial that teaches students how to approach questions and useful test strategies
- An incredibly detailed bank of example questions

We strongly encourage students to use the officially produced materials. Candidates should be aware that whilst there are many commercial companies publishing books and offering coaching for our tests, the UCAT ANZ Consortium does not work with any of these companies or endorse the use of their materials. Taking advantage of these opportunities can cost candidates a great deal of money and we would advise you to be sceptical about claims they can help you do well in the test by coaching.
