## From the Principal

As Principal, I am incredibly proud of the calibre of the young men and women who are students of this College. Our expectations around behaviour, uniform, punctuality, application to studies, and involvement in the life of our community, are high. That our students consistently meet these expectations – and, indeed, often exceed them, is testament to the capacity of young people to make positive contributions to their community, while also applying themselves fully to their studies. It is in this context that we are pleased to present our Middle Leaders for 2019. Congratulations to each of these students for being willing to embrace the challenges and responsibilities associated with leadership. We look forward to having them join our Student Representative Council in 2019.

Sincerely

Dr Susan Bunkum PhD

# Christmas Appeal

The Vinnies Christmas Appeal serves to bring joy to families and individuals who may need a little extra support. The Christmas season for most, is a time of celebrating with family and friends, sharing in the joy of giving and receiving presents and, laughing over family silly season moments. However for 2.2 million Australians, including families and 750,000 children, living below the poverty line, it can be a time when meeting even their most basic needs, such as having food on the table, a place to call home, or keeping the lights on is a real struggle.

This year Marcellin and Futuna have joined forces to make a difference in the lives of people in the Gladstone Community.

Please see your Pastoral Care Teachers for more Information.

# Around The College

On Tuesday, Year 11 students and Year 12 Drama students attended a performance by the inclusive theatre company, Indelability Arts.

The *Love Me* performance definitely accomplished its goal of spreading awareness of mental health conditions! It was sensitive to people from all walks of life who may be challenged by mental illness. This play encouraged engagement with the audience in a fun way as well as on a more personal level, giving those who are struggling, the safe space that they needed to be able to acknowledge their mental health conditions without feeling confined or restricted by stigma. The production should be commended on the effort that went into destigmatising the conditions many people face. The experience was heart warming, as people came together to learn about mental health and wellbeing. It all was definitely time well spent.

## CONGRATULATIONS OLIVER

*Well done Oliver!*

### Year 11 Legal Studies Excursion

On Friday the 26 October, the Year 11 Legal Studies class had the opportunity to visit the Gladstone Magistrate Court and sit in on some of the sentences for current cases. Whilst attending, our class had the first-hand experience of how our classroom knowledge is applied to real-life situations. We saw how the rule of law (being that law should be just, fair and equitable) was applied when delivering sentences for crimes. Furthermore, we were able to observe the physical layout of a Courtroom and observe the roles of various people within the Court. This experience was extremely worthwhile and taught us a lot about what we are already doing in class and future career pathways.

Thank you to the Gladstone Magistrates Court for this opportunity.

## Freedom of Entry to Navy Cadets

During medieval times, establishing good relations with the citizens of walled cities earned the privilege of entry to the city and passage through it. This privilege, not readily won and highly prized, was known as Freedom of Entry. The City of Brisbane granted Freedom of Entry to the Australian Navy Cadets on Saturday 27 October.

The granting of Freedom of Entry remains the highest accolade a town or city can bestow upon a group or individual; it is no less readily won or lightly given today than it was centuries ago. The October event took place in the centre of Australia's third largest city.

For Freedom of Entry into the city, the Lord Mayor inspected the parade, before giving a speech and presenting the ANC with a scroll granting permission to march through the streets of the city. During the march, the group was also challenged by the police on behalf of the Lord Mayor, and then was granted passage through the city.

Approximately 340 Cadets and Staff from 3 Flotillas from across Queensland and New South Wales attended the event. 13 Cadets from TS Gladstone travelled to attend the event, including 2 Chanel College students, Reece Turner and Madisyn Harris.
