CELEBRATING CATHOLIC EDUCATION IN QUEENSLAND

Congratulations to *Kathleen Hore*
2019 SPIRIT OF CATHOLIC EDUCATION AWARDS

SPIRIT OF CATHOLIC EDUCATION AWARDS

The Spirit of Catholic Education Awards are presented annually to recognise individuals or teams making an outstanding contribution to Catholic Education in Queensland.

130 nominations were received from across the State for this year's awards, with nominees from all spheres of Catholic Education Queensland's communities.

The recipients, along with all those nominated for this year's awards, are representative of the wonderful work being done to support students and the mission of Catholic Education in Queensland.

Congratulations to Chanel College's own Kathleen Hore who was chosen as an Award Recipient. We are so proud of you Kath and all that you do for the Chanel Community.

KATHLEEN HORE

School Support Officer, Chanel College, Gladstone, Diocese of Rockhampton

Kath Hore has spent countless hours serving the students and staff of Chanel College in her role as School Support Officer for Religious Education and Mission assisting the Deputy Principal. Kath has held this position for the last 10 years but her connection to the College stretches back to 1996 when she first became a volunteer through the Parents & Friends Association and then took on a School Assistant role two years later.

Kath is the coordinator of the College Buddies Day Program. She attends every activity and encourages students to commit to this program and other Youth activities such as Ignite.

She is a valuable member of the Staff Spirituality Committee and contributes not only to the prayers and liturgies organised by this group but also organises various aspects of the Staff Spirituality Days, Prayer Breakfast and Easter Prayer Service.

Every year during the Christmas holidays Kath produces a large hanging which illustrates the College's theme for the year. It hangs in the Sacred Space in the main office and is used in Masses and Liturgies throughout the year.

Kath goes about her work quietly, respectfully and humbly and is the embodiment of Christian service. She is a living example to all members of the Chanel College.

Good News

Kath Hore - Mission & RE Support Officer

Please Pray for...

- Generous donations to help the people in our local community who are cold and hungry
- All members of our community who are unwell

Praise and Thanks for...

- The students and staff who give so willingly to enrich the lives of others
- Generous donations received for the St Vincent de Paul

If you have any requests for either of the above prayers, please leave your request at the Office.

St Vincent de Paul Winter Appeal

Thank you to all students and families who have generously donated to this year's St Vinnies Winter Appeal. Your contributions will certainly go towards keeping people warm and providing food to those in need in our local community. Also thanks to Ms McDonough, Ms Bourke and McAuley House for coordinating the appeal.

Service to the Community - Buddies Day

Last Sunday six students gave up some of their time to be 'big buddies' helping 'little buddies' enjoy and participate in a mini Olympics challenge at the Botanical Gardens. All enjoyed the day and are looking forward to the next outing – hopefully horse riding!

Ignite Conference – 26-29 September 2019

Experience four days of real-world formation, encouragement in faith, great people and powerful worship.

Ignite Conference is a National Catholic Youth Conference held in Brisbane every September and it draws together a network of high schoolers, young adults, ministry leaders, families, teachers, priests, and religious from around the country, sending them out with a passion for authentic faith in Jesus.

The Conference will be held at the Mueller Performing Arts Centre, 75 Morris Road, Rothwell, Brisbane.

Check out the website <https://igniteyouth.com/info> and if your child is interested in attending, please see Mrs Hore.

Second Hand Uniforms

The Second Hand Uniform 'Outlet' is open during first break, each Wednesday in term time. Please enquire at the front desk in Student Services. Formal uniforms sell for \$10.00 per item, sports uniform and house shirts are \$5.00 per item. Jackets are available for \$25.00 each. All prices are negotiable.

If you have uniforms your child no longer requires - all donations are gratefully accepted and many thanks to those who have already sent in donations.

Thursday Mass

Class Mass is celebrated in the College Chapel at 10.40 am each Thursday.

ALL WELCOME – Families, Friends, Members of our Parish, Fellow students!!

CHANEL COLLEGE

A very warm welcome is extended to new and existing families to Term 3. I trust that you have all had a wonderful and enjoyable break. If Week 1 is anything to go by, it is going to be another busy term at Chanel.

On Friday we welcomed Samuel Johnson to our College. Our students were inspired by his story of resilience and dedication to raising awareness and funds for Cancer research. Nowadays you would find it hard to find a family who has not been affected by Cancer. It is encouraging to note that Samuel has followed through with his promise to his late sister Connie and he is well on his way to raising 10 million dollars for research.

Many of our students and staff participate every year in the annual Relay for Life. Next weekend our oval will come alive with Relayers and their decorated tents. The teams will relay for 18 continuous hours on our oval. Our Interact Club has two teams participating this year. I hope that our students and staff keep well hydrated and warm over the weekend.

As the weather is presently quite cool in the mornings, it is vital that students only wear our College jacket or jumper to school. During winter, boys and girls are also permitted to wear black dress trousers with their formal shirts. Girls may also choose to wear black stockings instead of their socks in winter.

Every minute matters at Chanel!

Several studies have revealed that being absent from school has a negative impact on learning outcomes. Developing bad punctuality habits has an impact now, while at school and into the future, when in the workforce. Student tardiness not only disrupts Pastoral Care or a lesson but it also impacts the learning of other students. Students arriving late to school not only miss vital information such as announcements of academic/sporting/co-curricular activities but they also negatively impact the overall classroom environment. Pastoral Care is designed to build connections with peers and students who arrive late miss out on this valuable time. It is important that students arrive on time to school or their lesson, prepared to learn and with the correct equipment (including Chromebooks charged).

This week our Year 8 students will be participating in their Middle Years Student Leadership Retreat at Capricorn Caves. Our students always enjoy the many leadership activities as well as caving and a visit at night to the Cathedral Cave. I hope the weather is fine and not too cold at night.

Blessings,

Alison Wales

CHANEL COLLEGE

Justice Respect Compassion

Welcome back to Term 3! We look forward to consolidating and extending our students' learning. As a College we place great importance on continuous improvement and raising academic standards throughout the course of the year. We have also developed our language around student expectations and developing responsible, respectful and resilient learners. High expectations are the foundations of a successful learning culture. Much of this has involved working with staff in their professional growth and development, looking at ways to analyse and utilise student feedback and providing resources for staff to focus on areas of improvement. On Thursday 18 July we continued this with our staff engaging in Professional Development led by Caroline McCarty. We thank you for your support and understanding in the closing of the College at 1.00pm so that this professional development for our teachers could occur.

The Semester One Academic report card [year 7-10; 12] will be distributed from 30 July. This report is issued to inform you of your child's progress at Chanel College. The report is written by your child's teachers to give feedback on progress, application and behaviour in subjects studied. Our reporting procedure is aimed at promoting collaboration between parents, carers, students and the College. The report card is one of the many strategies used throughout the year to communicate with you regarding your child's progress. The timing of the distribution of our reports are occasionally queried. We acknowledge that they do take significant time to prepare but they also form part of our Leadership Team knowing your child too. All of our Pastoral Leaders and Curriculum Leaders read these reports as do I. In addition Dr Bunkum reads and personally signs every report card, over 500. Knowing the students of Chanel College is very important to Dr Bunkum and it informs part of her vision planning for Chanel College.

When you have received your child's report card, you will have an opportunity to participate in Parent-Teacher interviews to discuss your child's progress, application and behaviour. Parents of Year 11 students will have an opportunity to also attend to discuss their child's progress in Unit 2. As a community we value the importance of Parent Teacher Interviews and we have set the time to try and maximise contact with all our parents. A student's success needs to be a team effort with teachers and students striving for personal excellence and parents supporting their children in their learning. We look forward to continuing working as a team throughout Term 3.

Kind regards,

Lorraine Wolffe

The Year that was 2003...

College Principal

Looking back on 2003 at Chanel College;

- Principal – Mr Stephen Cook;
- With the growth of the school, leadership roles were now offered to Year 9 students to help younger students, both academically and socially;
- This year saw the graduating Year 12 students present the Senior gift to the College in the form of new name signs for each of the buildings and wings;
- Unfortunately it was the last year Chanel competed in the Rugby League Confraternity Shield (Confro) for some time;
- It was with anticipated excitement that the College band and choir performed together for the first time, wowing audiences with the collaboration.

Each year, a theme is chosen to reflect the important issues and events for NAIDOC Week. This Year's theme **Voice Treaty Truth**.

As part of our College NAIDOC Week Celebrations, nine students along with myself, Mrs Wood and Miss Simpson attended the Rockhampton NAIDOC Mass on Tuesday. Thank you to the Rockhampton Diocese and Staff for inviting Chanel students to attend such a meaningful Mass.

On Wednesday our College NAIDOC Liturgy was delivered by Dharel Brown, Enid Keppel, Emily Walsh and myself. These students did such an amazing job – I am very proud of them all for having the courage to take on a big role in this year's NAIDOC Assembly. This year we were lucky to have Bree-Anna Salter from AIME attend as a guest. Thank You to Bree-Anna for coming along to support our students.

Thank You to Mr Grealy and Mrs Hore for also assisting with the NAIDOC Liturgy.

Prayer of Aboriginal People

Father of all, you gave us the Dreaming. You have spoken to us through our beliefs. You then made your love clear to us in the person of Jesus. We thank you for your care. You are our hope. Make us strong as we face the problems of change. We ask you to help the people of Australia to listen to us and respect our culture. Make the knowledge of you grow strong in all people, so that you can be at home in us and we can make a home for everyone in our land.

Amen

LOST IN A LAND DOWN UNDER

Written by Jaymie Blake •2009

Name: Charlotte Kele

Character: Dancer

Other Productions: None

Why did you get involved in this production? I wanted to meet new people and to try new things

What do you love about your job? Getting to work with the other dancers in my group

What sort of person is going to love this show? People who enjoy watching drama and comedy

Name: Nicola Bradshaw

Character: Sharon

Other Productions: High School Musical, Chitty Chitty Bang Bang, Carrie's War, Hating Alison Ashley, Shrek, Addams Family, Peter Pan, The Magic Flute.

Why did you get involved in this production? I wanted to be a part of Lost in a Land Down Under because I knew it would be fun. Since starting at Chanel in Grade 7, I have never missed a single show and I don't plan to yet.

What do you love about your character? I love playing Sharon because she is such a wild spirit and is completely opposite to my real personality. She and her best friend Janet are constantly bickering and competing with each other which is always fun to act out being loud and a little bit rude, but means well (most of the time).

What sort of person is going to love this show? Lost in a Land Down under is a play for everyone. It's only short but is full of laughter and smiles. I think the ideal audience for the show is one that doesn't take themselves too seriously. It is full of weird, wacky and wonderful characters and just needs a slightly weird, wacky and wonderful audience to go along with it.

Name: Alexander Pallett

Character: Santo

Other Productions: Plays at St. Francis starting in 2012

Why did you get involved in this production? I enjoy Acting.

What do you love about your character? The funny things that he says!

What is your favourite part of this job? The stupidity of my character Santo

Queensland Independent Secondary Schools Netball

GOLD Medal for the QISSN 2019 Team

Gold, Gold, Gold for the Chanel College QISSN team of 2019. What a fabulous carnival in Bundaberg it proved to be for the 2019 QISSN team, winning the Division 4 Shield and the Gold Medal for Division 4 – Congratulations girls, awesome result and it proved that when you play as a team and enjoy your netball, you are capable of anything!

Bundaberg was host to the 2019 QISSN (Qld Independent Secondary Schools Netball carnival) Carnival, and also the venue was celebrating the 20th year of QISSN, with the first ever QISSN Carnival held way back in 1999. With all these milestones for the QISSN carnival, it set the scene for the Chanel College QISSN team of 2019 to create themselves some history – winning the gold medal and the Division 4 Shield.

For a team of ten, including six new players to the QISSN arena, it was an up and down three days of pool matches. To the newbies, it was a massive step up in intensity and level of play, which resulted in some mixed results. With these results came the inevitable deflation in confidence, but credit must go to the senior and experienced QISSN players for their leadership on and off the court to mentor the newbies and keep the positivity going within the team. On Day 1 the team was reduced to nine, with Bri Hume sustaining a fracture to her ankle after Game 1, very unfortunate for Bri as this was her first and last QISSN Carnival as she is a Year 12 student. Not even a moonboot could keep Bri away from the court, as she took to being the team scorer, stats lady and best sideline supporter a team could have. Although the results did not always go in Chanel's favour, the girls continued to play good netball and never gave up. They defended outstandingly, creating many turnovers and intercepts, it was just some lapses in concentration during periods of the game that would be the difference in the score-lines at the end of the games. The team finished the pool matches on Wednesday afternoon with 2 wins from 7 games, to finish 5th out of 8 in Pool C. This put the team into the top of Division 4 going into the finals.

With renewed spirit and a determination to be and play better, the girls entered the finals willing to leave nothing on the court. Their first opponents were St Mary's Casino. They would be the first team to feel the wrath of this new attitude and determination. The girls stepped up their defensive pressure and continually forced St Mary's into errors and turnovers. In attack the speed and accuracy returned to their game. The turnovers were converted into goals and with each goal, you could sense the confidence of the girls increasing. A big 8 goal win in the quarter finals, 17-9, sent the Chanel girls into the major Semi-final and 1 win away from a place in the gold medal match. Our semi-final opponents were Holy Spirit Mackay, a team they had played and lost to by 1 goal to in the pool matches. From before the girls took to the court, they were hell bent on winning and this was evident from the moment they took the court. GS Hannah Overend set the tone by asking the team to show 'ticka' (a Chanel colloquialism for 'show us who has heart'). It was answered with a resounding 'Chanel has ticka' and 'boy' did the girls show some heart during the game. Again, it was the defensive duo of Katie Skinner and Kasi Richardson who pulled off rebounds and intercepts to give the mid-court and shooters plenty of ball to convert. The speed of the ball (the highlight of the match), along with the ferocious defence, proved too much for Holy Spirit to handle. Chanel showed ticka and came away with a hard fought, but outstanding 4 goal victory. The girls were off to the 'big dance' and a chance to take out the Division 4 Shield and the gold.

Sports News

Kylie Kickbusch - Sports Program Leader

The cry of “Chanel’s got ticka” rang out proud as the girls took to the court for the Grand Final on Friday against Mount Alvernia College. There was only 1 result the girls would consider, and they challenged each other to do it for the team. A fast, speedy start to the game was just what the team needed and they quickly shot out to a slim lead. Mount Alvernia picked up their game and punished stray passes and missed shots. At the half time break, Chanel was down 7-11, not how the girls wanted the game to start, but they all came off to the half-time huddle and were set the challenge to be more aggressive for the ball and take control of their game. Well that message hit a note, because to start the final half for QISSN 2019, the Chanel girls went on an 8 goal scoring spree to set up a 3 goal lead with 2 minutes to go. The defensive pressure the girls applied with hands up over every pass, proved the difference and forced Mount A into throwing away pass after pass and into unforced errors; they could not match the aggressive and speedy play the Chanel girls come out with. It was the longest 2 minutes ever, as we sat on the sidelines wishing the clock to ‘hurry up’ and encouraging the girls on court to “slow their play down”. In the final 2 minutes it went goal for goal, Chanel still holding the 3 goal lead. Then, in a moment of do-or-die, Mount A pulled off a crucial rebound and worked the ball into their shooters who converted, Chanel up 18-16 with 30 seconds to go. It was a Chanel centre, “just hold the ball” was the call coming from the sidelines, but as any good movie ending would have, Mount A again caused a turnover, with only 20 seconds to go. The ball was worked down the court, but the defence from Chanel was making it a slow progress with 10 seconds to go. The ball makes it way to the circle, 5 seconds to go, but the shooter is too far out to score so passes off and the clock is winding down and the Chanel crowd has already starting to celebrate but as the siren goes the umpire calls a penalty in the circle, Mount A have a shot after the buzzer. This wouldn’t matter, as the Chanel girls had already won the game with their amazing 8 goal scoring blitz. The Gold Medal was finally in their hands and the Division 4 Shield (yes the shooter got the shot, making the final score finished 18-17 to Chanel). At the closing ceremony the girls were awarded their medals and the shield. Congratulations to the 10 players! Katie Skinner was named team MVP for the carnival.

Congratulations to the 2019 QISSN team – Division 4 winners and gold medallists. You displayed fantastic spirit, teamwork and positivity on and off the court, you were determined to prove to yourselves that you could win this carnival and that you did. Thank you to all the parents, friends, families and Chanel staff who came to Bundaberg and supported the team – we could not have asked for a better cheer squad. Thank you to Mrs Lisle – your coaching, support and positive words of wisdom inspired the team throughout the carnival. Not only was Mrs Lisle coach, she was our esteemed bus driver, getting us to and from Gladstone and to and from the courts each day, thank you very much from all the team! But most importantly, thank you to the 10 girls who were the QISSN team – you were a fantastic bunch of girls to coach and to watch grow in your netball skills at the carnival and in the months leading up to the carnival. The 2019 QISSN team are Division 4 winners and gold medallists. Congratulations team!

Queensland Independent Secondary Schools Rugby League Confraternity Carnival

During the holidays, the Chanel College Rugby League team participated in the Confraternity Cup in Bundeberg. Chanel had a lot of new faces in the team this year, with only a handful of players returning from Confro duty in 2018. The team did really well in the group stages of the competition, winning all three of their group games. They scored 68 points and only conceded 4. Jet Cavanagh was the leading try scorer for Chanel during the group stages, scoring 5 tries.

This led to a quarter final match up with Our Lady of the Southern Cross, Dalby. This proved to be a real test of Chanel's wit and drive. Both teams came out the gate with guns blazing and this showed on the score board with locked scores of 4 - 4 at the break. In the second half, Chanel found another gear and drove forward for the win. They won the game 20 - 4.

Chanel then played against tough opposition in the form of Holy Spirit College, Mackay, in the Semi-final. They were greeted with dreadful conditions on the day with howling wind. The bounce of the ball didn't go Chanel's way and they ended up losing that match 12 - 4.

They came up against St James Chisholm, Brisbane, for their final game of Confro 2019. The Chanel team was missing 5 players due to injury, making the task of beating St James even harder. In the end, Chanel lost the game 12 - 16. This meant that Chanel placed 4th for Confro 2019. There were heaps of positives that came out of Confro 2019, most importantly the way in which the boys conducted themselves on and off the field. They received numerous compliments about their respect that they showed towards their opposition and towards the members of the public. They displayed true Chanel College Spirit. Special mention must go to Jet Cavanagh who scored an impressive 8 tries during the carnival.

Thanks too, to the Coaches - Chris Andersen and Ben Platt, the Manager - Mr Bennett, and College staff who supported the them - Mr Wakefield, Mrs Chapman and Mrs Going. Special thanks to our driver and biggest supporter, Mr Kenny for not only getting us to and from Bunderberg, but for also getting us to and from our accommodation each game. A huge "Congratulations" to our team and thanks to our supporters.

Gladstone Animal Rescue Group

is in desperate need of foster carers

for dogs + puppies

If you would like to join our wonderful team of volunteers please email us on gladstoneanimalrescue@outlook.com and we will send you an information pack.

All you need is a fully fenced yard + some love for these animals.

We provide all food and vet treatments.

MOLLY

My foster family showed me what it meant to be loved!

CAN YOU HELP SAVE A SOUL LIKE ME?
