From the Principal

As this is the last newsletter for this term, I would like to thank all members of our community for a great term. The breadth of educational opportunities, both curricular and co-curricular, that are available to students at this College, is a testament to the hard work and dedication of our staff.

Many of our students have completed Work Experience this week and some will be completing Work Experience placements over the holidays. We wish them well and know that they will be wonderful ambassadors for our College.

At our final assembly this morning, we presented all student and staff members who are embarking on the 2019 Immersion to Japan trip with a St Christopher medal (in our Catholic tradition, St Christopher is the patron saint of travellers) and a traveller's prayer. As a community, we prayed a prayer of blessing for each one of them and wished them well as they prepare to enjoy many new experiences and make new friends along the way.

The assembly also gave us the opportunity to introduce our Chanel College mascot – the Chanel Croc! Just as the Chanel College warcry was the legacy of the Confraternity players of 1985, the Chanel Croc will be the legacy of the Seniors and SRC of 2019.

Good luck and safe travels to our QISSN and Confraternity teams as they compete in their competitions in Bundaberg during the first week of the holidays.

Finally, I wish all members of our community a happy and safe holiday and I look forward to seeing everyone on Monday 15 July for the commencement of Term 3.

Sincerely,

Dr Susan Bunkum PhD
Principal

Good News

Kath Hore - Mission & RE Support Officer

Please Pray for...

- Generous donations to help the people in our local community who are cold and hungry
- All members of our community who are unwell
- A safe and relaxing holiday for students, staff and all families

Praise and Thanks for...

- The students and staff who give so willingly to enrich the lives of others
- Generous donations received for the St Vincent de Paul Winter Appeal

If you have any requests for either of the above prayers, please leave your request at the Office.

St Vincent de Paul Winter Appeal

Thank you to all students and families who have generously donated to this year's St Vinnies Winter Appeal. Your contributions will certainly go towards keeping people warm and providing food to those in need in our local community. Also thanks to Ms McDonough, Ms Bourke and McAuley House for coordinating the appeal.

Service to the Community - Buddies Day

Last Sunday six students gave up some of their time to be 'big buddies' helping 'little buddies' enjoy and participate in a mini Olympics challenge at the Botanical Gardens. All enjoyed the day and are looking forward to the next outing – hopefully horse riding!

Ignite Conference – 26-29 September 2019

Experience four days of real-world formation, encouragement in faith, great people and powerful worship. The Ignite Conference is a National Catholic Youth Conference held in Brisbane every September and it draws together a network of high schoolers, young adults, ministry leaders, families, teachers, priests, and religious from around the country, sending them out with a passion for authentic faith in Jesus. The Conference will be held at the Mueller Performing Arts Centre, 75 Morris Road, Rothwell, Brisbane. Check out the website <https://igniteyouth.com/info> and if your child is interested in attending, please see Mrs Hore.

Second Hand Uniforms

The Second Hand Uniform 'Outlet' is open during first break, each Wednesday in term time. Please enquire at the front desk in Student Services. Formal uniforms sell for \$10.00 per item, sports uniform and house shirts are \$5.00 per item. Jackets are available for \$25.00 each. All prices are negotiable.

If you have uniforms your child no longer requires - all donations are gratefully accepted and many thanks to those who have already sent in donations.

Thursday Mass

Class Mass will resume in Term 3

18 July – Mrs Whalley's Year 8C Religion Class

Class Mass is celebrated in the College Chapel at 10.40 am each Thursday.

ALL WELCOME – Families, Friends, Members of our Parish, Fellow students!!

Assistant Principal Pastoral Care - Alison Wales

CHANEL COLLEGE

Justice Respect Compassion

Developing the whole child is something we pride ourselves in at Chanel. Through the many opportunities provided over Semester One, our students have been fortunate to enjoy a wide range of experiences which develop the whole child. This, I believe, is due to our staff offering our students opportunities for them to develop their intellectual, spiritual, emotional, physical, social, and creative abilities. It is pleasing to note that our students do involve themselves in the variety of opportunities on offer at Chanel. Being involved helps students to feel connected to our Chanel community.

Last week I was fortunate to accompany nine of our Year 11 students to Blue Care Edenvale Aged Care Facility in Glen Eden. Blake Sharp, Tianna Burns, Madison Hughes, Annie Dredge, Alivia Manski, Hannah Green, Drew Thomas, Siena Linforth and Georgia Uini Paulo all represented Chanel with dignity and pride. All students sat, listened and talked with the residents and their visiting family members, and then they prepared and served food at their BBQ. I was touched by the respect and compassion shown by our students during this visit. Next visit we would like to take 20 students to help out with their Show Day. Please see Mrs Fisher if you are interested in attending our next visit.

On Tuesday our Year 7 students attended our Quoin Island Pastoral Day. This day was organised by Pastoral Leader, Ms Jess Ryan and was well attended by our Year 7 students. Throughout the day our students enjoyed various activities including a visit to the Turtle Rehabilitation Centre, beach and water activities, beach clean-up and turtle walk. I especially enjoyed watching our Year 7 students find so many coconuts on the island and then enjoy tasting the fresh coconut water. It definitely was a fun and memorable day for all who attended. I would like to thank Ms Ryan, Mr Galea, Ms Ord, Miss Kickbusch, Mr Shield, Ms Simpson and Mr Marshall for accompanying our Year 7 students on this valuable and worthwhile trip to Quoin Island.

As Semester One comes to an end, I would like to take this opportunity to wish all our families a safe and happy holiday. We look forward to welcoming you all back on Monday, 15 July.

Blessings,
Alison Wales

Assistant Principal Curriculum Lorraine Wolffe

CHANEL COLLEGE

Community Partnership

Justice Respect Compassion

Outstanding support is what we are receiving from our local Gladstone employers who have accepted over 120 students for work placements from 24 - 28 June. The employers, EQIP, our Careers Officer, Leanne Crane, and our Year 10 and 11 teaching staff have been dedicated to providing this opportunity. New processes to ensure Industrial Relations and Health and Safety expectations have enhanced the opportunity for our students this year. I am sure our Year 10 students are very grateful for this opportunity.

Work experience allows our Year 10 students to take the time to examine careers before they commence selecting subjects for Years 11 and 12. It is challenging as a young person to know what career you want to pursue beyond school. Work Experience is an opportunity to explore, confirm or eliminate career possibilities. It can also provide the catalyst for motivation to be successful in Years 11 and 12, knowing the pathway that is desired.

Extending our students

This week we have hosted two amazing events that provided students with an opportunity to be extended beyond the classroom, the Interschool Robotics competition and the Physics in Flight competition. Our inclusive curriculum model at Chanel College adopts the position of providing students opportunities to stretch their learnings beyond the curriculum delivery of the classroom. This often involves programs that give our students a chance to be involved in problem solving, critical thinking and collaboration based events. We are very proud to have hosted these two events and invited other schools in our region to be involved.

Happy Holidays

I wish all of our students a happy holiday. It is a time to reflect, relax and renew ready for all the learnings and opportunities that Term 3 will present for us.

Kind regards
Lorraine Wolffe

Thank you for your support

To our wonderful College community for your support for the McAuley House Winter Appeal. Many families kindly donated new and second hand winter items to be given to St Vincent de Paul. These items will be delivered during the holidays and will support our most vulnerable within our community. Just over \$600 was also raised to purchase Winter items for this appeal. Thank you for your kindness and compassion.

Jordyn Maxwell, Jet Cavanagh and Oliver Kirk
McAuley House Delegates

College History

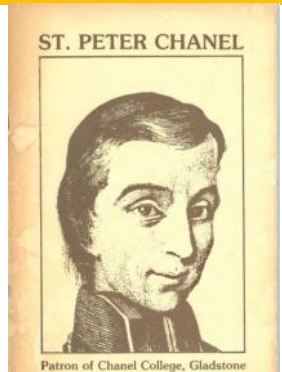

CHANEL COLLEGE

Justice Respect Compassion

The Year that was 1988...

The year 1988 at Chanel College had several significant events;

- Chanel College hosted the launch of the "Peter Chanel" book. The book was compiled by Principal, BR Roger Burke, for the Christian community of Chanel College and provided a collated resource of the history of our patron, Saint Peter Chanel. It still used in the College today;
- In commemoration of the Bicentennial year, Chanel students donated their time to build a Nature's Way Trail at the Gladstone Botanical Gardens;
- Students entertained the audience with the school play "The Shifting Heart";
- "Centre on Chanel" was published by students for print in the Gladstone Observer. This gave a comprehensive outline of everything happening around the College at the time.

Patron of Chanel College, Gladstone

Remembering your history!

Bridgette Turner
College Historical Archivist

Page 12 - The Gladstone Observer, Wednesday, August 31, 1988

The Year 11 English class, responsible for this year's Chanel school paper.

Welcome to this year's production of the School Play by Chanel College. This is the fifth year in a row that the members of staff and senior students have combined to stage a major Play Production, and it could be said that tonight's performance is fast becoming an annual tradition.

Various changes in our educational system in recent years have enabled many schools to be innovative, and to highlight some aspects of a student's education which had been previously ignored. This is particularly true in the cultural fields. Therefore, the tide has lately turned somewhat, and due recognition is now being given to art, crafts, music and drama.

Today's production of "The Shifting Heart" fits into an overall changing school scene where a wider range of talents is being developed. There has been an enriched quality of school life for those students involved in this production. In recent months there has been a good deal of hard work to bring the play to production stage; at the same time there has been much enjoyment; a challenge to tackle and to master; and so many gifts to be explored.

It is fitting that we have chosen an Australian Play, "The Shifting Heart", in this, our Bicentennial Year. The play itself deals with the universal theme of a persecuted minority; in this case, the theme is applied to the sufferings of an Italian immigrant family settling in a resentful Melbourne suburb.

I congratulate everyone who has made tonight's production possible. Special thanks are extended to the Producer/Director, Miss Karen Herrick, and other members of the Chanel College staff who have assisted in the production. I thank all students involved, both those on stage and those on the production team. Our thanks are in appreciation for all the hard work expended and for the show itself which we shall enjoy this evening.

Br. Roger Burke
Principal - Chanel College

PRESENTS

LOST IN A LAND DOWN UNDER

Written by Jaymie Blake •2009

AN ORIGINAL HOME GROWN COMEDY ABOUT A GROUP OF UNLIKELY STRANGERS WHO ARE LEFT TO TOUGH IT OUT IN THE MIDDLE OF THE AUSTRALIAN OUTBACK WHEN THEIR TOUR BUS LEAVES WITHOUT THEM. MESHING AN ECLECTIC CAST WITH A SPRINKLING OF SONG DANCE AND TECHNOLOGY "LOST IN A LAND DOWN UNDER" WILL KEEP YOU ENTERTAINED.

Name: Tianna Burns

Character: Summer – am average University student

Other Productions: High School Musical, Carrie's War and Hating Alison Ashely

Why did you get involved in this production? This will be my fourth Chanel College production and there was no way that I would miss another opportunity to in some way do my part to make the show a delightful experience for the audience

What do you love about your character? Her attitude, she is a complete curveball and some of her lines always take me by surprise. Her unpredictability is wonderful.

What sort of person is going to love this show? Someone who wants to go to the theatre for an experience like no other, who wants to be surprised, laugh till their stomach hurts and leave with a grand smile on their face.

Name: Raffaella Torsiello

Character: Dancer

Other Productions: None at Chanel but other small school plays

Why did you get involved in this production? I want to be a part of the play because it is a good experience and I want to do more like this in the future.

What do you love about your job? My job is dancing, so it is fun

What sort of person is going to love this show? An Aussie!

Name: Tierney Burke

Character: Jonesy

Other Productions: Combined school musical and plays at school

Why did you get involved in this production? I originally wanted to be a dancer, but I am happy to have a role.

What do you love about your character? I like how she is kind of funny

What sort of person is going to love this show? An Australian person!

Science

David Fisser

The Physics of Flight

This morning, Chanel College hosted the annual Physics of Flight competition and this year we had five schools visit Chanel. These included, Gladstone State High School, Toolooa State High School, St John's, Star of the Sea and St Francis.

There were some great costumes as seen by St Francis and Star of the Sea and were awarded prizes for the longest flight (8.1 seconds) and for the most innovative plane. Not to mention the loudest team and the most improved person on the day! Ultimately, it came down to which team had the longest cumulative air-time and in third place was Star of the Sea (50 seconds) followed by St John's (63 seconds) and the winners Chanel College with 69 seconds. A lot of fun was had by all and a huge round of thanks to QMEA who sponsored all the food, drinks, medals and trophy.

**2019 Physics in Flight

QMEA and Stem Stepping

On the 31 May, fifteen Year 10 students went to the QMEA Stem Stepping excursion in Gladstone. The students visited APLNG, Gladstone City Council and the CQU campus. At both the APLNG and Council offices, students heard all about careers in the industrial sector. Engineers and Line Managers spoke to the students relating their success stories and career pathways that led them to where they are today. The students also enjoyed a special morning tea, Thanks to APLNG. After this, the students then “stepped” to CQU and were involved in activities run by Dr Linda Pfeiffer in the new STEM Hub. They also had an opportunity to see all the different tertiary education career pathways that are on offer at CQU. A wonderful day was had by all!

Around the College

2019 JAPANESE CULTURAL IMMERSION

A young Japanese girl, Sadako Sasaki, was at home when an atomic bomb was dropped on Hiroshima on August 6 1945. As a result, she developed A-bomb disease, also known as leukaemia. Traditionally it was believed that if 1000 origami cranes were folded, your wish would come true. Sadako's wish was to live. So she set about making 100 cranes. Sadly, she passed away, before finishing the cranes, at the age of 12. Today, people from all over the world bring 1000 cranes to make a wish and show respect to Sadako and all the children who lost their lives.

On Saturday 28 June, 16 students and 4 staff will be embarking on a 10 day Japanese Cultural Immersion. In addition to visiting historic sites and immersing themselves in the culture in Tokyo, Kyoto and at Ayabe Junior High School, (which includes a two night homestay), the students will be delivering 1000 cranes to the Hiroshima Peace Memorial. In Pastoral

Care classes, Chanel College students have been mastering making origami cranes, with each crane carrying a wish inside. This is a wonderful opportunity to show our respect as a Chanel College community.

Thanks goes to Louise Simpson, Teacher Assistant, for her extraordinary efforts in coordinating the activity and to Pastoral Care teachers for encouraging students to get folding!

Year 7 Media Art

Year 7 Media Art students had the pleasure of meeting and working with local photographer Lisa Frost.

Lisa was able to explain and demonstrate the tricks and tips to taking the perfect shot. Our students experimented with angles and lighting, background and subjects.

We thank Lisa for taking time out of her busy schedule to speak with our students.

Robotics Challenge

Chanel hosted the first inter school Catholic Robotics Line Challenge. We had students from St Francis, St Johns, St Joey's and Chanel students all completing the challenge. The students had used their computational thinking and coding skills and applied them to different types of robotics mats. These mats have a black line and green coloured squares which the LEGO Ev3 needs to follow to rescue a victim by using code and the greens squares. Rio Tinto has also created mats for local Gladstone students to use and the follow the path of the journey to Rio Tinto resources that are collected from Weiper, and are unloaded at Gladstone. All students had a chance to share their challenges and their coding skills. The day ended with each team show casing their robots and their coding skills. All students enjoyed their day!

Applications now open for 2019/2020 traineeships...

Leisure Employment Australia is now accepting applications for the 2019/2020 School Based Traineeship program at the following QLD centres:

- 2nd World War Memorial Aquatic Centre (South Rockhampton)
- Gladstone Aquatic Centre
- Yeppoon Lagoon

Leisure Employment Australia currently runs the largest Sport and Recreation School-based traineeship program in QLD. Our traineeships offer students an alternate pathway into a career that they are passionate about and the program is designed around the interests of year 10 to year 12 students who are eager to begin their career pathway in the sport and recreation industry.

As one of our trainees, students will be trained across many departments such as **lifeguarding, swim teaching, cafe assistant, receptionist and more.**

As well as working, students will study towards gaining a **Certificate III in Sport and Recreation**. All qualifications are fully funded by Leisure Employment Australia.

Our trainees are highly valued members of the LEA family and we understand the commitments and pressures of the QCE. We offer ongoing welfare and support throughout the program, including regular reviews, social outings and award nights.

If you are interested in the program please click below to register an expression of interest. For more information about the program [click here](#) or contact Anna at anna.pirie@leisureemployment.com.au | 0420 671 107

Leisure Employment Australia

Devoted to upskilling individuals through traineeships within the Sport and Recreation industry.
