FEAST DAY**

From the Principal

This week is Catholic Education Week – a week during which we reflect on the wonderful work that occurs in Catholic schools across Australia. It is also a week during which we highlight the significant contribution that Catholic education makes to the lives of Australians. As a member of the Catholic Education community in Queensland since 1966, Chanel College is proud of its contribution to education and service in our Gladstone region.

In this significant week in our calendar, I am immensely proud of the educational environment that has been established at Chanel College:

- We are an open and inclusive community of faith which works to deepen our understanding of our Catholic tradition and we participate in the faith life and practices of our local Catholic parish community, Star of the Sea Parish.
- We are a community which values the pursuit of knowledge. Chanel College fosters scholastic achievement through offering students a challenging and enriched curriculum. Our dedicated and expert teams of teachers and support staff are united in their desire to promote student engagement and success.
- We are a community of service. Participation in a range of service projects throughout the year is integral to who we are. Furthermore, we promote the development of a culture that seeks the good of others above self – at school, at home, and in our communities.

As a Chanel College community, we are immensely proud of our history, our families and our students. We value the partnerships that we have with our parish and our families. With your support, we look forward to continuing our mission in education for many years to come.

This morning at our Catholic Education Week prayer assembly, we congratulated two of our staff members who were nominated for state-wide Catholic Education Week awards. Mrs Lynn Herbert was nominated in the category, *Showing outstanding integrity in leading a school community program*, for the tremendous work that she has done not only to raise awareness of, but to also change our practices around the responsible disposal of waste in our College. Mrs Kath Hore was nominated in the category, *Demonstrating outstanding service to others in the school education community and beyond*, for the countless number of hours that she has spent serving both students and staff of the College, including the organising of our Buddies Day Program, Retreats and a number of other activities. Mrs Hore was the winner of the 2019 Spirit of Catholic Education Award for the Diocese of Rockhampton. She will be presented with her award at a special ceremony at St. Joseph's Cathedral, Rockhampton, this Wednesday. CONGRATULATIONS to both Mrs Herbert and Mrs Hore!

Happy Catholic Education Week!

Sincerely

Dr Susan Bunkum PhD

Good News

Kath Hore - Mission & RE Support Officer

Please Pray for...

- All members of our community who are unwell
- All members of our college community as we build a future in faith together
- The generations of Chanel students who will be our future
- Year 8 students who will gain many benefits from their participation in their Retreat

Praise and Thanks for...

- The students and staff who give so willingly to enrich the lives of others
- The richness that Indigenous culture brings to our faith and our perception of our world
- The pioneer men and women who had the foresight and courage to instigate the Catholic Education system from which we benefit today and for those who continue to support it

If you have any requests for either of the above prayers, please leave your request at the Office.

Catholic Education Week – 28 July – 3 August

Catholic Education Week is an annual state-wide event that promotes the distinctive mission of Catholic schools throughout Queensland and this year's theme is "Many Voices, One Spirit." Throughout the week we will be celebrating with a variety of activities including: a Liturgy, our Student Representative Council will be organising activities during break time and there will be a CEW Quiz for PC Groups. We hope this week will be one of great celebration as we recognise and acknowledge the "Many Voices and One Spirit" within the Chanel Community.

Year 8 Retreat

Our Year 8 students attended their Middle Years Student Leadership Retreat. This retreat begins the process of being Middle Year Leaders in 2020. They were challenged both as individuals and in team work in preparation of applying for leadership positions in the middle school.

Run to Better Days

"Run to Better Days" is a group of fifteen medical students from James Cook University who this year are running from Mackay to Coolangatta and visiting schools and organisations to raise awareness of the ongoing challenge of global poverty. The group was also raising funds to support the Malaria Consortium – purchasing mosquito nets to prevent malaria in children in sub-Saharan Africa. Recently, a number of students from Years 9, 10, 11 and 12, had the privilege of listening to the students and were challenged to think about what they could do to help alleviate poverty both now and in the future.

Ignite Conference – 26-29 September 2019

Experience four days of real-world formation, encouragement in faith, great people and powerful worship.

Ignite Conference is a National Catholic Youth Conference held in Brisbane every September and it draws together a network of high schoolers, young adults, ministry leaders, families, teachers, priests, and religious from around the country, sending them out with a passion for authentic faith in Jesus.

The Conference will be held at the Mueller Performing Arts Centre, 75 Morris Road, Rothwell, Brisbane.

Check out the website <https://igniteyouth.com/info> and if your child is interested in attending, please see Mrs Hore.

Second Hand Uniforms

The Second Hand Uniform 'Outlet' is open during first break, each Wednesday in term time. Please enquire at the front desk in Student Services. Formal uniforms sell for \$10.00 per item, sports uniform and house shirts are \$5.00 per item. Jackets are available for \$25.00 each. All prices are negotiable.

If you have uniforms your child no longer requires - all donations are gratefully accepted and many thanks to those who have already sent in donations.

Thursday Mass

1 August – Ms Ryan's Year 10 SOR Class

8 August – Mr Hayes' Year 10 SOR Class

Class Mass is celebrated in the College Chapel at 10.40 am each Thursday.

ALL WELCOME – Families, Friends, Members of our Parish, Fellow students!!

This week our Student Representative Council will be hosting some exciting and engaging activities to help celebrate Catholic Education week. Please find the program below.

MONDAY - FIRST BREAK - KAHOOT

TUESDAY - FIRST BREAK - MUSICAL CHAIRS

WEDNESDAY - FIRST BREAK - VOLLEYBALL

THURSDAY - FIRST BREAK - MUSICAL STATUES

FRIDAY - FIRST BREAK - GIANT TWISTER

Student involvement in College life has many benefits. Students develop their communication, teamwork and organisational skills. It is always fun to try new things and get involved. Involvement helps you to become more connected to Chanel and it helps build community. Getting involved is one way to make new friends. Participating in these fun activities during Catholic Education Week will offer our students the opportunity to have a break from school work. It is important for mental health and wellbeing reasons to do something fun to help balance out all of the hard work students are doing in class.

I look forward to seeing our students participate and enjoy themselves at the special events planned by our Student Representative. I encourage all of our students to get involved and enjoy the benefits of becoming more involved in College life.

Community involvement also has many benefits. Being active in community events such as Relay for Life is good for your mind and body. Well done to our students and staff who participated in the Relay for Life on Chanel's oval over the weekend.

Blessings,

Mrs Alison Wales
Assistant Principal Pastoral Support and Planning

Planning for 2020 is a Term 3 focus for our College. It is a serious time of curriculum planning, and for students, educational and career planning. There will be information evenings for Years 8, 9 and 10 and these evenings will lead into subject selection processes. Please take note of the important dates in these processes.

Year 8 into 9 Subject Information Evening – Thursday 1 August 6.00pm

Year 9 into 10 Subject Information Evening – Thursday 1 August 7.00pm

Year 10 into 11 Vocational Pathways Information Evening – Monday 5 August 6.30pm

Year 10 into 11 Subject Information Evening – Tuesday 13 August 6.30pm

Subject planning for the following year takes time. It is important, that students and parents consider carefully which subjects are the best choice for them. Secondly, this provides the college with valuable information about what it needs to provide in order to ensure that it offers the best opportunities for all students. Experience demonstrates that attendance at the Information Evening is the best way to receive planning information and is the catalyst to making informed decisions.

There will be forthcoming parent letters providing details of the information evenings and the subject selection processes. I look forward to working with everyone to ensure the best opportunities for the students of Chanel College.

Kind regards,

A MESSAGE FROM QUEENSLAND HEALTH

Flu Season Reminder

As you are aware every year Queensland experiences an influenza or flu season. As we enter this season it is timely to remind parents and care-givers not to be complacent about flu.

Flu is a virus more serious than the common cold and can be spread through talking, coughing and sneezing. Symptoms include sudden fever, dry cough, muscle aches and pains, fatigue, headache, sore throat and a stuffy or runny nose.

If your child has flu-like symptoms, the following is advised:

- Keep your child home from school;
- Ensure your child washes their hands regularly with soap and water or hand sanitiser gel;
- Wash your hands before and after touching your eyes, nose and mouth;
- Encourage your children when coughing or sneezing, to cover their mouth and nose with disposable tissues which should be disposed of immediately;
- Don't share items such as glasses or cups, lipstick, toys or anything which could be contaminated with respiratory secretions;
- Maintain at least one metre distance from people who have flu-like symptoms such as coughing or sneezing;
- Ensure they drink plenty of fluids and get lots of rest;
- Consult your doctor if you are concerned about their symptoms.

The school requests that anyone displaying flu-like symptoms stay at home until such symptoms have passed. Families should also reinforce the recommended protective actions listed above.

Increased awareness and ongoing attention to prevention and control measures, such as vaccination and good hygiene, are steps that we can all promote to reduce the impact of influenza.

For further information please contact Queensland Health on www.health.qld.gov.au or phone 13HEALTH (13 432584).

Whooping Cough

Queensland Health has advised Rockhampton Catholic Education that whooping cough is currently prevalent in the wider community.

Whooping cough is a contagious respiratory infection and can affect people of any age. In some individuals, the infection may only cause a persistent cough, in others it may start like a cold with a runny nose, sneezing and tiredness, and then progress to the characteristic coughing bouts.

It is suggested that parents remind children of the following hygiene practices:

- stay home when you are sick;
- Wash your hands frequently with soap and water or hand sanitiser gel;
- Wash your hands before and after touching your eyes, nose and mouth;
- When coughing or sneezing, cover your mouth and nose with disposable tissues which should be disposed of immediately;
- Don't share items such as glasses or cups, lipstick, toys or anything which could be contaminated with respiratory secretions;
- Maintain at least one metre distance from people who have flu-like symptoms such as coughing or sneezing

Vaccination, exclusion and early diagnosis is important to limit the spread of whooping cough in our community. Anyone who displays symptoms of whooping cough is encouraged to seek medical advice. For further information please contact Queensland Health on www.health.qld.gov.au or phone 13HEALTH (13 432584).

College History

CHANEL COLLEGE

This week we are looking back on some newspaper clippings about happenings in the College in 1988. Hopefully it will give you some history of the school's involvement in the community. It might also rekindle some memories or you might even recognise a face or two!

Remembering your history!

Gladstone's Miss Australia quest entrant Caroline Hickey has recruited students from Chanel College to help her raise funds for the annual door knock appeal to begin next week.

College wins mural prize

Gladstone shoppers are now surrounded by walls of colour when they travel through the underpass connecting the Kin Kora Centre and Super K-mart, thanks to Chanel College and Gladstone State High students.

The Kern Corporation asked the two schools to paint the underpass in an effort to brighten up the area and to stop vandalism.

The Kin Kora management staff judged each side of the underpass to see which school had painted the best mural, with a first prize of \$300 going to Chanel College.

Their wall told a story of Australia's history which included Aborigines, the arrival of Captain Cook, the first settlers, early modes of transport, and Expo 88.

The Gladstone State High School painted their half of the underpass with abstract figures and environmental scenes.

Super K-mart gave the school \$100 of shopping vouchers as a runner up prize.

Kin Kora Centre promotion and marketing manager, Mrs Marilyn Stewart, said the centre was pleased with the work of both schools.

"It is much more than we expected and we have received a lot of favourable comment about the murals from shoppers," Mrs Stewart said.

She said the Chanel College mural took about a week to outline and two days to paint, while the State High was finished in a day.

The students used acrylic paints to decorate the walls.

Chanel College principal, Brother Roger Burke, left, accepts a cheque for \$300 from Kin Kora Centre promotion and marketing manager, Mrs Marilyn Stewart, right. Chanel College students, from third left, Danny Martin, Robert Young, Natalie Janas and Jo Moore won the money for their school by painting a mural on the Kin Kora Centre underpass under the guidance of their art teacher Sister Maria, second left.

Success for students

Four bursaries offered by Queensland Alumina were presented at a recent school assembly to four Year Eleven students at Chanel College. The bursaries are offered annually to the three Gladstone secondary schools. Ann to represent Port Curtis

Anne Goodwin of Gladstone has won the regional judging for the 1988 Lions Prudential Youth of the Year Quest.

Anne, (pictured) a Year 12 Chanel College student, will represent the Port Curtis Lions Club at the quest's district final to be held on April 9 at Charters Towers.

"We believe Anne has an excellent chance of winning the district final for the quest in Charters Towers and we are supporting her all the way," says Maurie Sorrensen, president of the Port Curtis Lions Club.

The quest this year, sponsored by The Prudential Assurance Company, is run by Lions clubs across Australia and Papua New Guinea to encourage and develop leadership and a community spirit among young people.

"While academic attainments are important, so is having a variety of interests, an ability to speak well in public, and a knowledge of local and national affairs, Maurie said.

It is anticipated that more than 3000 youths, male and female, will participate in the 1988 national contest, now in its 24th year.

Mathematics

On Wednesday 17 July, Chanel College held the inaugural Qualifying Round for the upcoming Years 7 and 8 Queensland Association of Mathematics Teachers (QAMT) Quiz. Three students from each Mathematics class in Years 7 and 8 were chosen to represent their class, with the eight teams competing against each other in five rounds:

1. Estimation
2. Speed
3. Written
4. Short Answer and
5. History and General Knowledge.

The questions challenged students, and even parents in the audience, with students learning some valuable strategies, including estimating the mass of two sheets of paper when compared to a pencil! There was a lot of lively discussion throughout the afternoon/evening and it was fantastic to see the students enjoying Mathematics, even when it was rather challenging.

We would like to congratulate the following students for representing their classes:

| | | | |
|---|--|--|---|
| 7A Mitchell Russell Kaden Walz Brooke Copsey | 7B Ella Davis Jake Veach Sam Curchward | 7C Eyad Aboelhagag Darci Whalley Annali Philpott | 7D Charlotte West Cooper Sutherland Isiah Watts |
| 8A Lily Blackaby Tallis Whelan Shianne Plunkett | 8B Geoffrey Ingrey Damon Tomlins Louise Amahit | 8C Tegegnech Stark Genzelle Mancenido Bianca Duong | 8D Taylah Wembridge Mikaela Whalley Arjun Maharaj |

From these 24 amazing students, the following students have been selected to represent Chanel College at the Years 7 and 8 QAMT Quiz, to be held at Chanel College on Tuesday 30 July at 9am:

Year 7: Shianne Plunkett, Mitchell Russell, Kaden Walz

Year 8: Louise Amahit, Lily Blackaby, Tallis Whelan

Unlike last year, these students now know what to expect from the competition and will be preparing in the lead up. We wish them well.

One of the year 10 Launch into Business classes participated in a team activity in class last week. The students were to construct the tallest, free-standing tower, using only 20 pieces of spaghetti pasta, 1 metre of tape, 1 metre of string, and be topped with a marshmallow. The purpose of the activity was to work on their teamwork, communication, problem-solving, and creativity skills. Their assessment this term will be to work in small groups to develop a business of their own. It was an interesting task, with lots of laughter, a little competitiveness, and some creative leadership styles. In the end, we all learned more about ourselves, and our classmates, and we ate the left over marshmallows.
