## May The Month of Mary

The Christian custom of honouring Mary during the month of May began during the 13th century. In the Northern Hemisphere, May is a month when the earth springs into bloom after the long, cold and dark months of winter. This context makes May a perfect time to celebrate Mary, mother of Jesus – Mary the model of Christian discipleship, Mary 'Queen of Heaven,' 'Theotokos' (God-bearer), 'Help of Christians'.

*"Mary, you are the Mother of Jesus and a model for all Christians. You are a woman of faith and courage who put your trust in God. Be with us when God calls us to serve others. May we follow your example of determination, conviction, faithfulness and devotion, for you are ever blessed by God."*

*AMEN (Australian Catholics Magazine, May 2016)*

This Sunday we will also celebrate all mothers and thank them for their loving and nurturing presence in our lives.

*I wish all mothers a blessed Mother's Day.*

On Wednesday May 1, Chanel House Delegates represented the College in acknowledging those who have lost their lives as a result of Domestic and Family Violence at the Remembrance Ceremony held at Friend Park. In recognition of the importance our future generations have in leading the way to inspire change and promote community action against DFV, all youth present at the ceremony were invited to take part in the cake cutting.

We all play a role in the prevention of DFV in our communities and can create a culture of safety and respect when we value the dignity of the person, communicate effectively and promote healthy relationships.

If you or someone you know is experiencing Domestic or Family Violence, help is available:

### Pope Francis' Prayer for Truth

*Lord, make us instruments of your peace.*

*You are faithful and trustworthy; may our words be seeds of goodness for the world:*

*Where there is shouting, let us practise listening.*

*Where there is confusion, let us inspire harmony.*

*Where there is ambiguity, let us bring clarity.*

*Where there is exclusion, let us offer solidarity.*

*Where there is sensationalism, let us use sobriety.*

*Where there is superficiality, let us raise real questions.*

### CHANEL COLLEGE

Is it had to believe that we already moving into Week 4 of the term. Week 4 has some exciting activities across the year groups including NAPLAN for Years 7 and 9. Preparations are well underway and I am confident all is in place for the testing period, Wednesday 15 – 17 May. It is important to understand, while we regard NAPLAN as important, we do not over rely on the data. Our school-based assessment and reporting are the main reference points for our College and I encourage it to also be for both students and parents. If your child is concerned, please reassure him/her to just be trying his/her best. During Week 4, try to maintain regular family routines and bed times so that your child comes to school well rested and ready to engage with the testing.

### Additional learning support for students

If you are finding your child is struggling with school work, I encourage him/her to seek out the extra assistance available via the Sylvester Centre before school (8.00am – 8.40am). Teacher assistants are available to help with assignments or the revision of classroom work. All students from Years 7-12 are welcome.

### Year 11

Year 11 students are coming to the end of Unit 1. It is a very important time for our Year 11 students to be at school. During Week 5, Year 11 will be on Fleximode. Their timetable for this week will be published online. Week 6 will see the commencement of Unit 2. Year 11 students will have the first two weeks of Unit 2 (Term 2 Weeks 6 & 7) to request subject changes. Please see me for a request to change subject form. Following that, students will not be able to make the request. Unit 3, which is the first of the summative assessment programs (results count towards their Senior Certificate / ATAR calculation) commences at the start of Term 4 and we anticipate students will NOT be able to change subjects after Unit 2.

Kind regards

Lorraine Wolffe

# MOTHER'S DAY IDEAL FOR PARENTING HEART-TO-HEART

Gifts and flowers, breakfast in bed – they're all nice, but what Queensland mums really want is more understanding and support from their partner, according to the Triple P – Positive Parenting Program's recent Queensland parenting survey.

Dads, too, may feel unsupported, but it can be hard for couples to know where to start, and nobody wants to argue on Mother's Day.

But here's a tip for fewer arguments and greater cooperation between parents, and between parents and kids: doing Triple P together helps get parents on the same page and reduce conflict. For a Mother's Day gift that's not only free but more meaningful than the usual, sign up for free parenting support or do Triple P Online together:
