TERM 4 CONCLUDES FOR YEAR 12

FROM THE PRINCIPAL

On Thursday 24 October, we hosted the second of our three annual awards celebrations – our Awards Evening which celebrates the academic achievements of our students.

It was a wonderful occasion of celebration and we warmly congratulate all students who received awards.

I thank Ms Wolffe for her leadership in the organisation of the evening. Events such as this one can only happen because of the work of many, so I also add a special “thank you” to all members of staff who supported Ms Wolffe in bringing everything together for this event.

Congratulations go to the Year 12 SOR students who presented such a meaningful reflection on our theme, Respect: Every Person Matters.

Likewise, I acknowledge and thank Mrs Slow and Mrs Berry and our Instrumental Music students who performed as guests gathered for the evening. Thanks, too, to Ms Frank and our Choir and Year 12 Music students who performed during the evening.

Thank you to all parents who joined us for this celebration and to all students for their attentiveness during the evening.

And, finally, a huge “Congratulations” to all award recipients.

Yours sincerely,

Susan Bunkum

Good News

Kath Hore - Mission & RE Support Officer

Please Pray for...

- much needed rainfall in the many drought-stricken areas throughout Australia
- people throughout our world working to highlight the devastating effects of climate change
- the people of Japan who have lost loved ones or been otherwise significantly affected by the recent Typhoon Hagibis

Praise and Thanks for...

- all involved in missionary activities in various countries, for their presence and work in these communities and their active witness to the Good News of Jesus Christ
- people who volunteer to assist others when disasters and hardships strike, in particular the workers at St Vincent De Paul shops and offices around Australia

If you have any requests for either of the above prayers, please leave your request at the Office.

Chanel SOS Mass & Youth Group

A huge 'THANK YOU' to all who participated in the Chanel SOS Youth Mass last Sunday night, it was indeed a whole community effort –singers, readers and others. Students, staff, parents, families and parishioners all gathered to celebrate faith. The final Youth Group Gathering for the year followed the Mass and was very well attended. Many thanks to Imogen Collins, Brayden Whalley, Hannah Overend and Ryan Lilley and their band of Year 12 helpers, who organised such nights with music, food and games for all to enjoy.

We look forward to continuing this tradition with another four Youth Masses followed by Youth Group in 2020.

2019 Christmas Appeal on behalf of St Vincent de Paul Society (Vinnies)

Once again this year we are conducting our Christmas Appeal to provide food and gifts for the local St Vincent de Paul Society to distribute to individuals and families who need our support. The Appeal commenced last Friday 11 October and will conclude on Thursday 21 November and is being organised by Marcellin and Futuna Houses under the leadership of Ms Ryan and Mr Galea.

Each PC Group has been given specific products to donate and/or particular age groups to consider as nominated by Vinnies based on local requirements. It would be terrific if each person at our College, staff and students, could make at least one donation to this very worthy Appeal – **please be generous!**

GIVE THE BEST PRESENT EVER!

You can help a family put food on the table this Christmas.

Stamps for the Sisters of Mary MacKillop in Peru

Please remember to save your used stamps and send them in to Futuna 1. The Sisters in Peru need our support to enable them to continue their work with disadvantaged and marginalised children. Thank you to all who have donated so far.

MacKillop 5 Social Justice - Homeless Awareness

MK5 bought Homeless Awareness to each Pastoral Care Groups. Each PC Group was to research and discuss the latest statistics on the homeless in a third world country.

Australian Catholic Bishops' 2019-20 Social Justice Statement – Part II

The title of the Australian Catholic Bishops' Social Justice Statement for this year is *Making it Real: Genuine human encounter in our digital world*. The Statement affirms the positive possibilities for encounter and solidarity offered by new digital media, while warning of those elements that are harmful to the dignity of individuals and the common good.

In the last newsletter we highlighted the first five of ten steps we can take towards making our online presence one that fosters genuine human encounter. The final five steps are presented below ...

6. The local community is a place to make the virtual real

Social media platforms are venues not just for socialising, but for raising awareness of local issues, becoming politically engaged, and harnessing the power of crowdsourcing, but do not limit it to there – communicate with the physical community as well.

7. We must protect the personal data of citizens

Join the growing call for regulation of platform data gathering which increases notification and consumer consent requirements, with external audits and penalties for breaches of privacy.

8. Join the call for transparency and accountability

Major corporations need to open their algorithms, data governance and business models to the communities in which they operate.

9. Truth and trustworthiness must be guaranteed

Our right to truthful information and trustworthy broadcasting requires greater regulation of digital platforms, with sanctions for the spread of fake, divisive and offensive content.

10. We are called to be citizens of the digital world

We all have a role to play in making this a space where hatred, divisions and falsehoods are rejected. Let's foster a neighbourhood promoting those attributes and social values that lend themselves to genuine human encounter – love, understanding, beauty, goodness, truth and trustworthiness, joy and hope.

Second Hand Uniforms

If needing assistance with the Second Hand Uniform 'Outlet' please enquire at the front desk in Student Services. Formal uniforms sell for \$10.00 per item, sports uniform and house shirts are \$5.00 per item. Jackets are available for \$25.00 each. All prices are negotiable.

If you have uniforms your child no longer requires - all donations are gratefully accepted and many thanks to those who have already sent in donations.

This is a great opportunity to support other families, especially if your child is in Year 12.

Prayer for Rain

Please consider praying the prayer below as we ask God to send much-needed rain to the parched lands throughout Australia:

Prayer for the Blessing of Rain

Lord God,

Bless Australia – our Great South Land of the Holy Spirit.

Grant, that as the Cross shines in our southern skies, so may Christ bring light to our nation,
to its peoples old and new.

May we receive the blessing of abundant rain so that the "desert blooms with the life that lies in wait."

We ask this prayer through Christ, Our Lord.

Amen.

Thursday Mass

31 October – Mrs Lisle's Year 8A Religion Class

Class Mass is celebrated in the College Chapel at 10.40 am each Thursday.

ALL WELCOME – Families, Friends, Members of our Parish, Fellow students!!

Assistant Principal Pastoral Care - Alison Wales

CELEBRATING SUCCESS

Congratulations to Year 8 student, Maurice Elizar from Stella Maris House, who won the Golden Ticket draw (double pass to the movies). For a student to be eligible to win this prize, he /she needed to have received 10 or more Celebrating Successes for Semester 2. There was an overwhelming number of students who were in the draw and each and everyone of them need to be proud of his/her achievements.

2020 Middle Year Leaders

With 2020 fast approaching, I would like to announce our 2020 Middle Year Leaders. Congratulations to each of these students and we look forward to having them join our Student Representative Council in 2020.

NYSF Orientation Evening 2019

On Wednesday 16 October, Rotary clubs from Gladstone held their annual orientation evening for all the new NYSF (National Youth Science Forum) candidates at the Leo Zussino Building, CQU Marina Campus.

During the evening, the 14 new candidates and teachers from Rockhampton, Biloela and Gladstone introduced themselves, while

keynote speeches from Rotary, Orica and Chanel College were presented to. Chanel College had both Imogen Whiting and Daniel Gold (2020 candidates) present as part of the NYSF cohort going to Canberra early next year. This year, Chanel College also had eight Yr 10 students participate in the evening's activities which allowed them to see what Rotary and NYSF have to offer enthusiastic Science students. The evening also had a barbeque dinner and prizes were also up for "grabs" with a Science general knowledge questionnaire. A great evening was had by all. Many thanks to Mrs Arora for supplying photographs from the evening.

Parents in Sport

7-13 October was Parents in Sport Week!

Whether it's driving kids to training and games, organising events, or providing their children with a listening and supportive ear, parents are hugely important in making sport happen!

A huge thank you to all Sports Parents!

My parents have had an extremely positive impact on my sporting endeavours. From driving me around the country side, endless hours of training, and funding me to be able to participate in sports I enjoy. Not only have my parents been a supportive and encouraging network, they have also been role models to me. Patience, respect, and hard work are the qualities they have enlisted in me as a person which I have been able to carry out onto the sporting field. I will not be able to ever thank my parents for all they have done and continue to do for me to help achieve my goals.

Thank you and lots of love

18 Years Boys

Day 1: After Chanel's stride was halted in 2018 due to wet weather, the boys were looking to pick up from where we finished last year. Shalom was up first. Some say this is the biggest rivalry in school sport. Before long, the Chanel boys made their mark, racing away to an 8 – 1 victory off slick ball movement and outstanding defence. This

momentum carried on through to the second game, as we clinically put St Thomas More away 6 – 1. Next up was no doubt our biggest competition of the carnival, The Cathedral College, TCC for short. Unfortunately, TCC got away with the win 6 – 2 (despite the recorded score being 8 – 2, it was 100% 6 – 2), finishing a clinical first day for the boys.

Day 2: The day started with a game against Papanui High (NZ), a school from Christchurch with more than 1600 students. Despite this, we were up for the challenge. Falling behind 1 – 0 before we put the foot down, with three quick tries from Matt Long and Lachie Black, Chanel had the lead. Then the moment we were all waiting for, as Papanui started looking promising, a long pass missed its mark and fell into Callum 'Flying' Fitzsimmons arms as he raced away to put the icing on the cake for a 5 – 2 victory. This performance led onto two more convincing wins, 9 – 0 against Clairvaux Mackillop and 7 – 2 to Ormeau SHS. The boys narrowly missed out on the top 8 to compete in the finals, finishing with the 5th best For and Against.

Lachie Black (Chanel 18 Boys Captain)

The 2019 Campaign has again been a great achievement by the Chanel 18 Boys and Girls teams. With the girls achieving a top 4 placing, the best ever by a Chanel team, and the boys losing just the one game and narrowly missing the finals, Chanel has again played well above its weight against the best and biggest schools in Queensland. The Chanel students have been terrific on and off the field and have been a pleasure to be involved with in another successful campaign. A BIG THANK you to Alana Keys (Super Coach Girls), Sherie Elliott (Super Media Liaison Officer) and Gavin Kenny (Super Bus Driver) for making this Campaign possible for our students.

Girls All Schools Touch

As a squad of 12, the Chanel College Girls Team were eager to compete but unsure about how they would go. In Round 1 games, the girls blitzed it, winning the first 5 games. Our last round game on Sunday morning was against Helensvale – who were actually seeded #1 in the whole competition. At the end of the game it was a draw 3-3, however, our team had a much better for and against which meant we finished top of the pool and would head into the top 16 finals which would all be live-streamed.

In the preliminary finals, we won 4-3 against All Hallows. This provided entrance into quarter finals (top 8) versus St Joseph's Toowoomba. This was a nail biting game with St Joseph's scoring in the last 20 seconds to draw 4-4. In the intense drop off it went down to 4 players each, however, we stayed strong and scored first – winning 5-4. We made it to the semi finals, the top 4 of the competition out of 64 teams.

Our Semi Final was against Brisbane State High, and despite the 5-1 loss, the girls had made Chanel History by gaining a top 4 result, finishing either 3rd or 4th. All the girls were immensely proud to represent Chanel College at such a high level of competition and thoroughly enjoyed themselves thoroughly.

Certificate II in Business

Understanding the connections between branding your business and the type of business you own, was the main focus of a recent guest speaker for the Certificate II in Business class. Yiota Athousis from OLADigital visited the class to demonstrate some techniques the students could use when planning their own small business documents design. They learned about colours, layout, fonts and images, and how to best incorporate these into logos, letterheads, and other standard business documents. We are so grateful for the expertise shared by generous guest speakers to benefit our students.

Certificate II in Tourism

The Certificate II in Tourism class experienced the Curtis Ferry Services Coffee Cruise. The students are learning about being tour guides, and must present an actual guided tour of a local venue or site as their Term 4 assessment. Listening to an experienced guide on the Coffee Cruise gave them insights into the role of a tour guide, as well as plenty of local information that they may incorporate into their own presentations.

Around the College

Chanel College Robotics Club

Chanel Robotics Club is entering into the First Lego League Robotics Challenge. As part of this challenge, students need to look at real world problems based on cities and find a solution to this problem. During the week the Robotics Club had a visit from Rio Tinto to help with their world problems. The two real world problems the Robotics teams are focused on is sustainable energy and air pollution. Thank Rod Burg- Engineer, Tim Deery- Environmental Engineer and Cameron Algie- Electronic Engineer for taking the time to visit the students in their lunchtime.
