## FROM THE PRINCIPAL

Thank you to all staff and parents who attended the Year 10 into 11 Subject Information Evening. Evenings such as this one are important for us as we work together to support our young people as they pursue quality educational outcomes.

### Queensland Catholic Schools' and Colleges' Music Festival

Good luck and safe travels to our musicians who travelled to Brisbane this week to compete in the QCMF which is hosted by Villanova College, Coorparoo. Our Choir, Concert Band and Drumline all compete on Saturday 17 August. Special thanks must go to Miss Tabitha Frank, our Music teacher! She has dedicated many hours to both the organisation of the tour to Brisbane, and to the rehearsals in preparation for this state-wide event. Thanks too, to Mr Rose, who will have the very important role of bus driver for the trip, as well as that of supervisor of students' and to Mrs Fisher, our Co-Curricular Leader, who has worked behind the scenes to assist with the organisation of this wonderful opportunity for our students.

### Year 11 leadership Applications

To better align with the new senior secondary timelines around external examinations, our process of nomination and selection for Year 12 student leadership positions has been brought forward. Consequently, beginning this year, the student leadership group of 2020 will be presented to the College community on Friday 23 August. Over the past two weeks, Year 11 students who nominated for Student Leadership positions next year have submitted their expressions of interest in being considered for a leadership position, have been interviewed by members of the College Leadership Team and have been introduced to students in their respective Houses. We are very lucky to have these exceptional young people offer their service to our community and look forward to introducing our new student leadership team to our community.

Yours sincerely,

Dr Susan Bunkum PhD

## INTERNATIONAL YOUTH DAY ~ 12 August, Theme "Transforming Education"

This year's theme for International Youth Day focuses on education, highlighting efforts to make education more relevant, equitable and inclusive for all youth, including efforts by youth themselves.

Significant transformations are still required to make education systems more inclusive and accessible and lead towards achieving sustainable development.

Education plays a pivotal role in accelerating progress to eradicate poverty, improve wellbeing and health, recognise gender equality, enhance opportunities for decent work and growth, raise awareness and action on climate or building peaceful societies. Education should lead to effective learning outcomes, not only for the present and the future of work and life, but also for the opportunities and challenges that changing social circumstances bring.

For more information visit <https://www.un.org/development/desa/youth/iyd2019.html>

*Justice Respect Compassion*

On Friday, 9 August it was great to join MacKillop House for their Feast Day liturgy. Saint Mary MacKillop inspires us to "never see a need without trying to do something about it". Some of our Year 10 and 12 students responded to the request for volunteers to assist at the Edenvale Show Day. It was wonderful to watch our students interact with the residents and their families. Our students were great ambassadors of our College. Thank you to Ms Bourke and Ms Morris for also helping out during our visit.

During Catholic Education in Week 3, our Year 12 Student Leaders, Dr Bunkum, Ms Dyer, Mrs Hore, Mrs Herbert, Ms Simpson and I attended the official launch, including the Eucharistic Celebration and Presentation of Spirit of Catholic Education Awards in Rockhampton. We all watched with pride as Mrs Hore received the prestigious award for our Diocese, the Spirit of Catholic Education Award. The Mass was enjoyed by all in the beautiful, heritage-listed, St Joseph's Cathedral.

Friday, 23 August is an exciting day for our College as two great things will be happening. First, our 2020 Student Leadership Team will be announced in the morning and then in the evening, our Year 10 students will enjoy their Social.

The announcement of the leaders is always very exciting for our College. The Social will be a fun night for our Year 10 students to relax and enjoy before they make their final decisions regarding subject selections for their senior years.

I would like to take this opportunity to wish our Choir, Drumline, Concert Band and Miss Frank all the best as they compete in the Queensland Colleges Music Festival on Saturday. It is great to see so many of our students getting involved in our Cultural program and College life.

I look forward to seeing you all at our Star of the Sea Mass on Sunday evening. Youth Group will follow Mass. Our Captains and Vice Captains have organised lots of fun activities for our students to enjoy. I hope to see you there!

Blessings,

Alison Wales

**Forward Planning – Future Focus**

*Justice Respect Compassion*

Throughout our College, we are really in a mode of forward planning. It is that time of the year when we are talking about the future plans for our students. Our Year 8, 9, 10 and 12 students are looking towards next year and starting to look at what their future plans will be for 2020. Recently, we have held Subject Selection Information Evenings to provide valuable information to help students and their families make informed decisions for the future. A special thank you to all families who joined us and the kind comments regarding these evenings. I do value their importance in a family's ability to make informed decisions.

Our Year 8, 9 and 10 students are now involved in an exploratory and decision making process. They will be working with their Pastoral Care Teachers and their Career Advisors who will assist them in their planning. These decisions need to be very individual and needs to focus on the question, "What will be the best plan for me?" Our Year 10 students, will have a SETP Interview to formalise the decision planning process for Senior Schooling. These meetings will be held during Week 7.

One of the high impact strategies that I employ for our Year 12's is Mentoring. Mentoring is an integral component of future planning at our College. As highlighted by Mr Michael Fullan (2019), learning progresses because of the nuances that exist in the relationship between academic achievement and connectedness. Meeting with students and families is an important part of ensuring connectedness especially with future planning. Currently, I am meeting with all our Year 12 students, mentoring through provisional OP meetings, goal setting and post-year 12 planning. These meetings are focused on growth mindsets for success, high impact study strategies, actioning feedback and formulating a plan for success. I also thoroughly enjoy hearing of students successes and their plans for the future.

Kind regards,

Lorraine Wolffe

## RACI Titration Competition.

On Friday 2 August, two teams of Year 11 Chemistry titration specialists competed in the annual RACI Titration Competition. The two teams had to determine the strength of an unknown solution of acetic acid but before doing so, they had to determine the strength of a known base through a number of very accurate titrations. Most of the students completed eight titrations in total over the 90 minutes allocated to the competition.

The students who represented the College included Joseph Sisley, Daniel Gold, Blake Sharp, Heather Robertson, Annie Dredge and Fabian Priyaraj.

### • Out and about

Year 8 Geography students ventured out on an excursion to the Tannum Sands beach front to complete fieldwork which will form the basis of a Report for their assessment in Geography. Students studied the physical processes which are responsible for the formation of the beach and the impacts of human activities on these processes.

Year 7/8 QAMT

*Justice Respect Compassion*

On Tuesday 30 July, Chanel College hosted Round 1 of the Year 7/8 Queensland Association of Mathematics Teachers (QAMT) Quiz. Chanel College, Toolooa State High School, Tannum Sands State High School and Gladstone State High School competed against each other across five rounds – Estimation, Speed, Written, Short Answer and History & General Knowledge. Chanel College's Year 7 team was represented by Shianne Plunkett, Mitchell Russell and Kaden Walz and the Year 8 team was represented by Louise Amahit, Lily Blackaby and Tallis Whelan. Unfortunately, Chanel College was unable to retain the two trophies, which our Year 7 team won in 2018. Toolooa State High School's Year 8 team took out first place, Tannum Sands State High School Year 8 team came second and Toolooa State High School's Year 7 team came third (winning the Year 7 trophy, as the first placed Year 7 team). Both Chanel College teams came equal fourth with Tannum Sands State High School's Year 8 team. Toolooa State High School will now represent Gladstone in the second round of the competition, to be held in Bundaberg. It was an exciting morning of Mathematics and students were heard discussing next year's competition as they were leaving. I would like to congratulate all of the Year 7 and 8 students who competed.

## Vicki Wilson Cup Netball

This week the QISSN team took part in the Capricornia South Regional Competition of the QLD Secondary Schools, Vicki Wilson Cup.

The team travelled to Rockhampton to play nine games against schools from Gladstone, Rockhampton, Biloela, Emerald and Yeppoon. The winner for the region would go on to play in the finals series in Brisbane in September. The team played outstanding netball all day, which was a massive effort considering the sheer amount of games played (9 in total for the day with only a 20-minute rest between games) and the high level of competition we came up against. The girls finished the carnival in 3<sup>rd</sup> position, registering seven wins from their nine games – fantastic results girls, what a way to finish the 2019 QISSN year of netball.

### Results:

V Rockhampton Grammar School – 6-15 L

V TCC – 1-10 L

V Biloela SHS – 19-5 W

V St Ursula's Yeppoon – 9-8 W

V Tannum Sands SHS – 18-2 W

V Gladstone SHS 21-0 W

V Trinity College – 20-4 W

V Emerald SHS – 13-6 W

V Emmaus – 11-5 W

Final Standings – 3<sup>rd</sup> place

Congratulations to Year 10 student, Sebastian Lowry, who is now the Australian Junior Brazilian Jiu Jitsu Champion!

Seb travelled to Melbourne to compete last Friday and returned as the new Australian Champion.

He has been training 7 days a week for this competition, which certainly paid off. Seb can now add this to his recently won Queensland title.

Well done Seb, an awesome result!

Students, Jarvis Carnovale and Alvin Kahondo, will be busy throughout the basketball season as they not only play the game, but are aspiring State Referees. Well done boys!

Well done to Year 8 student, Cooper Castelli, who participated in the Tour De Chaplain on the weekend and raised \$480.00 for School Chaplains. Cooper rode 100km from Many Peaks to Yarwun for this great cause and completed the course in 3hrs and 20 minutes. He loved every minute and is ready to do it again next year.

Well done Cooper, what a great achievement!
