From The Principal

Last week I had the privilege to be present at two events in which our students excelled. At both events, our students were wonderful ambassadors for Chanel College.

The first of these events was the Queensland Catholic Schools' and Colleges' Music Festival that is hosted each year by Villanova College in Coorparoo. Twenty-five of our students participated in this annual event that features Choirs, Concert Bands, Drumlines and a variety of instrumental Ensembles. To say that our students "did us proud" is an understatement! Saturday began with a wonderful performance by our Concert Band which was followed by equally amazing performances by our Choir and Drumline. Special thanks goes to Miss Tabitha Frank, our Music teacher who prepared our students for their respective performances and also to Mr Nelson Rose who drove the bus and supervised students on their Music Tour.

With our Instrumental Music Program well under way, I am looking forward to greater participation in the QCMF next year.

I am delighted to share with you the following email that I received on Monday:

Dear Susan,
I am the Assistant Principal at St James Primary, Coorparoo in Brisbane and had the opportunity to listen to your College Choir at our School Hall on Saturday afternoon at QCMF.
I just wanted to commend the students on the way they represented your school and for their performance on Saturday. I was actually on the barbecue on the day but ventured over to the School Hall where they were singing and had a brief conversation with members of your choir before they went on stage.
We discussed how they had come down to Brisbane by bus and were heading back to Gladstone soon after their performance. This is a wonderful commitment, given the distance, to what has become a very popular and well-respected event hosted by Villanova College. Your students were also very supportive of the choir that performed just before they did, and they clapped and congratulated those students as they departed the hall.
Please pass on my congratulations to the students and all involved in your Music department.
Kind regards,
Peter Gibson

The second event which showcased student excellence was the annual Public Speaking Competition. Those present were treated to an array of inspiring, imaginative and creative speeches. Public speaking is a challenging endeavour at the best of times! Add to that the factor of presenting to an audience made up of peers, members of staff, parents and grandparents, and it is evidence that each participant deserves acknowledgement for presenting with confidence, assurance and aplomb. Special thanks goes to Miss Sarah McDonough for the work that she did to make this occasion possible.

Sincerely,

Dr Susan Bunkum PhD

Please Pray for...

- All members of our community who are unwell
- Refugees and asylum seekers caught up in political differences
- Rain to bring relief from the ongoing drought in many areas across Queensland and New South Wales
- Year 10 students attending ACTS Camp that they will be open to the experience and grow in their faith and knowledge

Praise and Thanks for...

- Civilians and defence personnel working to rebuild lives and to bring peace, unity and justice in many parts of the world
- A very successful and enjoyable time for students and staff attending the Qld Catholic School's Music Festival in Brisbane
- The added dimensions that our migrants and refugees give to our lives

If you have any requests for either of the above prayers, please leave your request at the Office.

Star of the Sea Mass & Youth Gathering

Thank you to the families and staff who attended and participated in our Youth Mass on Sunday 18 August. We especially thank Mrs Tanna, our wonderful musician.

It was pleasing to see so many students attending the Youth Gathering that followed the Mass. Many thanks to Ryan, Hannah, Brayden and Imogen for leading a well organised and successful bingo evening. Chanel's last SOS Mass and Youth Gathering for this year will be held on 27 October. Youth gathering is open to all year levels with Chanel staff supervision and so it would be good to see some of the students from the younger year levels attending. Please mark this date on your calendar!

Year 10 ACTS

On Wednesday 28 August, fourteen Year 10 students with Ms Bourke will be attending Year 10 ACTS (A Chance To Share) Camp at Cooe Bay on the Capricorn Coast. Students from a number of Catholic Secondary Schools in the Rockhampton Diocese will also be attending. We wish them all the best for the three days of the camp and hope they have a great time and return with many ideas to turn into action.

REFUGEE and MIGRANT SUNDAY ~ 25 August

2019 Theme – *"It is not just about migrants"*

Refugee and Migrant Sunday is a celebration, of the dignity of people who are refugees and migrants and the contribution they have made to life in Australia. Australia has been regarded as a multicultural society since the 1970s. Today, over 6 million migrants from over 200 countries call Australia home. This integration of many cultural groups from overseas into the Australian community has been exceptionally visible over the past four decades.

Multiculturalism refers to the peaceful coexistence of many and diverse cultures living side by side within the same society. Within our communities we see an 'active' coexistence, a mingling of people from an array of different backgrounds and cultures. This high level of interaction among different cultures living in the one community points to inter-culturalism and is enriching the lives of many people.

Year 11 ACTS Camp

On 7th August, Tianna Burns, Angelica Cariño, Charylle Tanyag, Adele Donahoe, Blake Sharp, Nicola Bradshaw, Christine Trewick, Hannah Green, Imogen Whiting, Charlotte Murphy, Tamsin Leask, Lily Shore, Lauren Kirk and Drew Thomas travelled to Cooe Bay (near Yeppoon) to take part in the annual Year 11 ACTS Camp. This included 57 other Year 11 students from the Rockhampton Diocese. ACTS stands for 'A Chance to Serve' and we spent our time at camp exploring this. The camp was an excellent opportunity for us to not only grow and develop our leadership skills with our fellow participants but to meet many new people along the way and develop long-lasting friendships. We explored our own leadership qualities and what we can offer our peers. During the camp, we were guided by Dave Jorna, from Project Hatch, an inspiring and enthusiastic speaker who encouraged us to be more courageous by getting out of our comfort zones and participating in activities that pushed us to share our ideas and experiences, talk to people we didn't know, share leadership skills and work as a team.

This was an amazing experience, and we highly recommend it for Year 11 students in future years.

On Friday, it was very exciting to announce the Chanel College leaders for 2020. Congratulations to all of our 2020 College Captains, Vice Captains and House Delegates. We look forward to a successful year!

ATTENDANCE! ATTENDANCE! ATTENDANCE!

Every minute matters at Chanel! Unfortunately, too many students have been arriving late to school this term. To assist students in being ready for the school day, arriving on time to school is vital. Our first bell rings at 8.40 am and we expect our students to arrive before this time and be prepared for the school day.

Developing bad punctuality habits has an impact now, while at school, and into the future, when in the workforce. Student tardiness not only disrupts Pastoral Care or a lesson but it also impacts the learning of other students. Students arriving late to school not only miss vital information such as announcements of

academic/sporting/co-curricular activities but they also negatively impact the overall classroom environment. Pastoral Care is designed to build connections with peers. Students who arrive late miss out on this valuable time. It is important that students arrive on time to school or their lesson, prepared to learn and with the correct equipment (including Chromebooks charged).

Several studies have indicated that being absent from school has a negative impact on learning outcomes. As you are all aware, our attendance target for 2019 has been set at 98%. The closest year level to this target is our Year 8 cohort. Well done to our Year 8 students for leading the way with the best attendance data, so far, for Semester 2! Our Year 7, 8, 9 and 11 cohorts are not far behind.

Blessings,

Mrs Alison Wales

During this term our Year 12 students have been engaging in future planning. Part of this planning involves preparation for the Queensland Core Skills Test. On Tuesday 3rd September and Wednesday 4th September, our Year 12 OP eligible and Tertiary Selection Rank students will sit their 2019 QCS Test. All Year 12 students will be required to attend school on both test days. Students who are not sitting the QCS Test will be involved in their vocational pathways program. This will involve Mock Interviews supporting job applications and an excursion to career pathway opportunities for next year. A letter will be emailed home to parents regarding the test and alternative program arrangements shortly.

This is the last year for the QCS test; however, it is still very important for our current Year 12s in supporting their entrance to university. A student's individual QCS Test result is not used on its own in the calculation of his/her OP - instead, group results are used as part of the statistical scaling processes. A student's individual result on the QCS Test (from A to E) is reported on the student's Senior Statement or Statement of Results. Therefore, it is very important that all of our year 12 OP eligible students work as a team. I am confident that our Year 12s are very supportive of each other during this preparation time. They have been involved in intensive preparation since the start of Term 3.

For any further information, you might like to visit <https://www.qcaa.qld.edu.au/senior/qcs-test>

What an interesting week! Chanel College celebrated the National Science Week by having our UQ University Science Ambassadors create a week of fun filled activities. This year's theme was rockets and space and the UQ ambassadors devised a superb itinerary for the week. This commenced with Rocket and Space Bingo on Tuesday, followed by a virtual reality experience on Wednesday, building and painting of rockets on Thursday and then launching of the rockets on Friday. Much fun was had by all and thanks go to the Science Ambassadors for planning and engaging with this year's theme. The photographs below highlight some of the actives held during Science Week.

• **This day in history....**
1191 Richard I of England - also known as Richard the Lion Heart ordered the death of 3,000 Muslim prisoners in Akko.

This was only one of many terrible episodes during the Crusades which sought to gain control of the holy city of Jerusalem and secure access to Christian holy places for pilgrims. Richard I has been portrayed as a hero, both in historical literature and in popular culture - the epitome of the chivalrous medieval knight. However, his actions on this day in history seem anything but heroic.

Students studying history gain an appreciation of the complex nature of the world in which we live. They can begin to understand that the cultural and religious differences which have their origins in the distant past still impact on relationships between individuals and nations today. Students are encouraged to discover the facts and evaluate the representations of events and individuals which created and handed down to us. Each generation needs to look for the truth rather than accept the comfortable, romantic stories which are sometimes passed off as 'History'.

• **Focus on Curriculum**

Subject Selection for Years 11 and 12

It was encouraging to see so many students and parents asking questions about the range of Humanities subjects at the Subject Information Night in Week 5. As students contemplate their course of study they might think about some complementary subjects within the Humanities and Social Sciences Learning Area.

Many students showed interested in studying Legal Studies and may be thinking of going on to study Law at university. If so, other subjects which work well with Legal Studies are Business and Modern History. Business gives insight into the world of commerce and finance which is significant areas for Law. If you have an interest in international relations or politics, Modern History would offer key understandings and a fundamental basis for further study.

Modern History and Geography are certainly subjects to consider if Journalism is on your horizon. An understanding of world events and ideologies is important in informed writing about issues of social and political significance. Social issues related to population growth, natural hazards and the challenge of urbanisation provide salient experiences for budding writers.

Students might consider Geography, paired with Biology, if there is an interest in wildlife science or environmental studies. Geography covers topical issues around climate change, biodiversity and land transformation which impact not only human populations but also fauna and flora.

Parents and students are encouraged to speak to the teachers of these subjects for more specific information.

Chanel College Chess

The third and final round of the Interschool Chess Tournament was held at Trinity College on Wednesday 14 August. Four teams competed with the Chanel Chess Bots taking out first place. The victorious team included Nikhil Menon, Jayden Hill, Jarvis Carnavale and Cody West. On an individual level, special mention must go to Tyrese Purcell, Jayden Hill, Jarvis Carnavale and Damon Tomlins, who were all awarded Merit places. And finally, a huge congratulations to Nikhil Menon, who was the outright winner of Round Three. Well done to all students who participated in Chess this year.

Public Speaking

The annual Chanel College Public Speaking Competition was held on Tuesday 20 August 2019 at 6pm in the Library. We were treated to excellent and diverse speeches that were presented with passion and enthusiasm. Congratulations to Joory Abulhagag who won the competition and Sanya Arora who took out second place. Congratulations must also go to the fellow participants:

- Katie Skinner
- Isabella Wood-de-Melo
- William Devlin
- Laila Birch
- Saniya Kamble
- Chloe Butcher
- Caleb Dawe

A special thank you to the families and friends of the students and College staff members who were there to support our students. Thank you to our three adjudicators - Mrs Whalley, Miss Frank and Mrs Rayment. We value their experience and expertise to guide our students. A special thank you also goes to our student helpers - Angelica Carino and Tianna Burns.

See you next year!

CHANEL COLLEGE
Justice Respect Compassion

On Thursday 15 August, twenty-five co-curricular, music ensemble students boarded the College bus along with Miss Frank and Mr Rose. The group was heading to Brisbane on it's way to Marist College in Ashgrove. Before arriving we dropped into Parkview Aged Care Facility, to sing for and interact with the residents of Miss Frank's Nan's building. The residents thoroughly enjoyed hearing the College Choir and chatting to the students, so much so that they were still talking about it during dinner that night and have requested that we prepare more pieces for next year!

Friday is always, hands down, the most fun day of the trip – the day was spent at Movie World! Students and teachers spent over 5 hours exploring, watching shows, going on rides and purchasing merchandise. Mr Rose enjoyed quite a few rides and Miss Frank even screamed her way through a couple too.

Saturday was the big day! An early start (breakfast at 6am!) meant the students could meet Dr Bunkum at Villanova College in Coorparoo for all three ensembles (Concert Band, Choir and Drumline) to perform in the Queensland Catholic Schools and Colleges Music Festival. First performance of the day was Concert Band; we were the smallest ensemble in the section and the students all played really well, being presented with a Silver award. Second performance of the day was our College Choir, which performed across the road at St James Hall. The Choir sang beautifully, and were again one of the smallest ensembles in the section and the only non-Brisbane school, for which they earned a Bronze award. After a lunch break, the students enjoyed the Drumline section. Again, our Drumline was one of the smallest ensembles in the section, and the students performed well, and again earned a Bronze award.

After an exhausting morning of performances, students, teachers and all of the instruments were back on the bus heading to the Southbank markets for a relaxing few hours. When we arrived, Dr Bunkum announced that she was so proud of us and how well we had performed that she would shout everyone ice-creams! Back to Marist Ashgrove, we went for dinner and the talent show. Students showed off what they were good (or entertaining) at for our talent show. This included magic tricks, juggling, song parodies, instrumental performances and so much more.

Sunday started off with a well needed sleep in, packing up and cleaning up the dormitories, packing the bus and heading to Chermshire Shopping Centre. After an hour of shopping and exploring, we were back on the bus watching a movie, singing songs and sleeping before arriving back at Chanel at 7pm.

Students and staff had a fantastic time and we are all so grateful to Marist College Ashgrove for hosting and feeding us for the 4 days and 3 nights, and to Dr Bunkum for travelling down to support our performing students. We are already so excited and full of ideas for what we will perform next year!

If you are interested in joining any of these ensembles, come and see Miss Frank to have a chat about where and when rehearsals are and what you need!

A group of Chanel College Drama enthusiasts participated in the Speech & Drama section of the Gladstone Eisteddfod last week and had a great time! Competing in Group Mime and Group Improvisation, Ben, Ty, Tyler, Charlie, Aidan, Isabella and Nicola secured two Second Place ribbons. Their presentations were clever and funny and certainly entertained the audience!

Congratulations to Year 7 student Marifeil Romero, who did extremely well in the Vocal section at the Eisteddfod. Marifeil was awarded the following:

- *Aurora McBride Perpetual Trophy
- *Emily Dobrinin Perpetual Trophy
- *Gladstone Eisteddfod Association Perpetual Trophy
- *Association of Independent Retirees Perpetual Trophy
- *\$150 Bursary from Friends of the Theatre

Well done! What a great achievement Marifeil.

A big thanks to GAGAL for helping keep our Chanel athletes hydrated and ready to compete! The dozens of new water bottles you kindly donated are very much appreciated!

Year 7 student Shianne Plunkett has had some fabulous results at the recent 2019 McDonald's Queensland Short Course Swimming Championships.

Shianne claimed Bronze in the 50m Butterfly and with a 0.95 second PB, improved her ranking by 11 with a seventh place finish in the 50m Freestyle. She also collected another 10th place finish in the 200m Individual Medley.

Head coach, Tom Fronek, was proud of his tight-knit squad and of Shianne's achievements: "In my opinion, Shianne was swimming with the fastest turns of the championships, which is the skill you need for the short-course events. She was unlucky not to claim another medal in the 100m Butterfly, missing out by just 0.01sec."

Congratulations Shianne, well done!
