## Please Pray for...

- Generous donations to help the people in our local community who are cold and hungry
- All members of our community who are unwell
- Refugees and asylum seekers caught up in political differences
- The needs of the most vulnerable young people in our world

## Praise and Thanks for...

- The students and staff who give so willingly to enrich the lives of others
- Organisations working to prohibit child labour and child soldiers
- A successful Year 11 Retreat where students participated enthusiastically and reflected on what it means to be a Servant Leader following the example of Jesus

**If you have any requests for either of the above prayers, please leave your request at the Office.**

### SOS Mass and Youth Gathering

Thank you to all students who participated in and attended our Chanel Youth Mass on Sunday. Many thanks to Vicki Crick who provided a delicious supper and to our musician, Norma Tanna. Also thanks to our College Leaders for their preparation and presentation of the Youth Gathering which was very well attended. A great time playing trivia, was had by all and students look forward to the next gathering in Term 3.

### Year 8 Retreat

During Week 2, Term 3, all Year 8 students will be participating in their Middle Year Student Leaders Retreat at the Capricorn Caves. They will be challenged both as individuals and in team work in preparation of applying for leadership positions in the Middle School in 2020. Parent letters and forms for this retreat were distributed last Monday and are due to be **returned by Monday 24 June.**

### 12 June - World Day against Child Labour

The International Labour Organization (ILO) launched the World Day Against Child Labour in 2002 to focus attention on the global extent of child labour and the action and efforts needed to eliminate it. Each year on 12 June, the World Day brings together governments, employers and workers organizations, civil society, as well as millions of people from around the world to highlight the plight of child labourers and what can be done to help them. The *2019 theme is, Children shouldn't work in fields, but on dreams!* Children shouldn't work in fields, but on dreams. Yet today, 152 million children are still in child labour. Although child labour occurs in almost every sector, seven out of every ten children work in agriculture.

In 2019, the International Labour Organization celebrates 100 years of advancing social justice and promoting decent work. *For more information visit <https://www.un.org/en/events/childlabourday/>*

### Thursday 20 June - World Refugee Day

World Refugee Day is held every year on June 20. According to UNHCR, there are more than 50 million refugees around the world, half of which are women and children. For years, many countries and regions have been holding their own Refugee Days and even Weeks. One of the most widespread is Africa Refugee Day, which is celebrated

on 20 June in several countries. The United Nations General Assembly therefore decided that 20 June would be celebrated as World Refugee Day.

This event honours the courage, strength and determination of women, men and children who are forced to flee their homeland under threat of persecution, conflict and violence.

### Second Hand Uniforms

The Second Hand Uniform 'Outlet' is open during first break, each Wednesday in term time. Please enquire at the front desk in Student Services. Formal uniforms sell for \$10.00 per item, sports uniform and house shirts are \$5.00 per item. Jackets are available for \$25.00 each. All prices are negotiable.

**If you have uniforms your child no longer requires - all donations are gratefully accepted and many thanks to those who have already sent in donations.**

### Thursday Mass

Thursday 27 June – Ms Ord's Year 10 Religion & Ethics Class

Class Mass is celebrated in the College Chapel at 10.40 am each Thursday.

**ALL WELCOME – Families, Friends, Members of our Parish, Fellow students!!**

## St Vincent de Paul Winter Appeal

As the cold weather has set in, our Chanel community led by McAuley House, is collecting warm clothing and blankets for St Vincent de Pauls' Winter Appeal. The collection is underway and will continue until Week 10 and so, as you are sorting out your winter woollies, if you have any that are still in good condition but you no longer need, Vinnies would appreciate receiving them. Non-perishable goods such as cans of soup, tins of coffee, packets of biscuits, etc would also be very welcome.

## CHANEL COLLEGE

*Justice Respect Compassion*

There was a buzz in the air at our College Assembly last week as we drew the winner of the Golden Ticket (double movie pass). An overwhelming number of students went into the end of semester draw. To be eligible for this prestigious prize a student had to receive 10 Celebrating Successes throughout the semester. Congratulations to Seth Jarram, a Year 7 student from Stella Maris House for winning the Golden Ticket!

At the assembly last week I announced the Champion House points update for Semester 1. The points tally for the end of Semester 1 is as follows:

MacKillop – 3115 points

McAuley – 3100 points

Futuna – 3025 points

Marcellin - 2610 points

Stella Maris – 1685 points

Congratulations to MacKillop House for leading the way, at this stage! McAuley, however, is not far behind you and eager to take the lead. I encourage all students to participate in our Sporting and Co-Curricular Programs as it is a great opportunity for you to learn a new skill, meet new people and get involved in College Life, with the added bonus of earning points for your House. The esteemed Champion House trophy will be presented at the Year 12 Presentation Assembly on Graduation Day. All Houses, at this stage, still have an opportunity to win this highly contested trophy.

Research has proven that regular attendance at school is necessary for success in school. To assist students in being ready for the school day, arriving on time to school is vital. Our first bell rings at 8.40 am and we expect our students to arrive on time and be ready to learn. Well done to our Year 7 and Year 11 cohorts for leading the way with the best attendance data for Semester 1. A special commendation goes to McAuley House for having the best attendance data overall for Semester 1.

This week our Year 7 and Year 9 students have participated in Pastoral Workshops organised by our College Counsellor Ms Barbagallo and our Pastoral Leaders. Topics covering cyberbullying, safety online, and digital citizenship, with a focus on respect matters, were explored. In today's increasing and emerging digital environment, these workshops assist our young people to become responsible digital citizens. Following these workshops, students should recognise the value of taking responsibility for their own actions and treat others with respect. Our theme this year "Respect: Every person matters" was evident throughout both workshops.

I am looking forward to joining our Year 7 students on their Quoin Island Pastoral Day on Tuesday. I hope it is a fine and enjoyable day with plenty of sunshine.

Blessings,

Alison Wales

#### Final Week of Term 2

*Justice Respect Compassion*

What a fantastic term we have been involved with. Over the final week our focus as a community should be on ensuring that we are seeking excellence in our academic studies. This means that we are preparing and studying to achieve our very best. Congratulations to all students as we finalise Exam Week, it is important to remember that a term extends for 10 weeks and while we assess in Week 9, we do commence our new content for the next units in Week 10. Therefore it is very important that all our students are in attendance until Friday of Week 10. Missing the beginning stages of a new unit may prevent students from understanding content from the beginning and then upon return feel disengaged with their subject and class.

Week 10 is a very important week for Year 12 OP-eligible students. They will be commencing their intensive study for preparation for QCS in Term 3. Being in attendance at school this week is very important.

#### College Reporting

Year 11s would have received their Unit 1 Reports last week. They are in a new format to meet the requirements of the new Queensland Certificate of Education system. I have taken the time to read through all students Year 11 reports and I am very pleased with the progress of our students under this new system. Some students have found Year 11 challenging but we have been reviewing their courses of study to ensure that they are on the correct pathway. All other Year levels will receive their reports at the beginning of Term 3. It is very exciting to notice the advertisements and information sessions to apply for apprenticeships in our local region. Just a reminder that all student report cards are available on Parent Lounge. Please contact the College if you are unable to access Parent Lounge.

#### Scholarships for Indigenous Students while at Chanel College

QATSIF QCE [Year 11 and 12] Scholarships open this week. We are very keen to support any indigenous student entering Year 11 or 12 next year to apply for a QATSIF Scholarship. Please see myself or Mrs Foat if you would like more information and support on applying.

# 2020 QATSIF QCE Scholarships

Then, talk to your school about applying for a QATSIF QCE Scholarship of \$1,000 per year to support with the financial costs of your senior studies.

## Readers Cup

On Wednesday 12 June, Chanel students participated in the Capricornia Region Readers Cup Competition. Nine schools, twenty-three teams and over one-hundred students travelled to Gladstone to take part in this great reading event. It was a real joy to see so many students in one place showing how much they love reading. Students commit to reading five set novels for their section over an eight week period. On the day, questions from the books are asked in a trivia type format. The team with the highest points wins the coveted Readers CUP.

The fight for first place was intense in both sections and congratulations go to Biloela State High winning the Junior Years 7 and 8 competition and The Cathedral College winning the Senior Years 9 and 10 competition. Both teams will go on to the State Finals in Brisbane later this year.

Well done, to our Chaneligan Readers! We hope you will all consider participating again next year!

## SCIENCE

### STEM Camp

Five Year 9 students, (Juliet Donahoe, Sanya Arora, Monica Tumbers, Layne Schroeder and Joory Abulhagag) have been selected to participate in the 9th Annual STEM Camp held at Boyne Island Environmental Education Centre from Monday 29 July to Friday 2 August, 2019.

This is an exciting opportunity which will enable students to interact with different science, technology, engineering and mathematical activities over a week. All activities have explicit links with Australian Curriculum and students will be able to take advantage of the unique learning environment in our local area.

## VOCATIONAL EDUCATION & TRAINING

### Excursion to Incredible Edible Café at Tannum Sands.

The Year 12 Hospitality students venture to Tannum Sands to the I.E. Café ( Incredible Edible Café) run by Gladstone Community Linking Agency. The food was fantastic, full of flavour and variety. The Year 12 students were able to gain some great ideas for their next Café in term 3.

## JAPANESE

### Taiko Drumming

On Friday 14 June, students from Years 8-12 Japanese and Music classes were treated to a lesson in Taiko drumming. Taiko is an ancient Japanese form of percussion using large drums and is loud, hard, and fast, involving lots of choreographed movement similar to Japanese martial arts.

The students were led by Kiyomi Sensei from EZ Japanese who gave instructions in Japanese and English (for the Music students) that the students needed to chant back to her while following her precise movements. It was great to see the students working together and moving in sync, to perform a traditional Taiko drum song.

## SWIMMING CAMP 2019

Four Chanel College students are among the twelve junior swimmers from the Gladstone Swimming Club who have been fortunate enough to be offered the opportunity to travel to the Czech Republic to take part in a swimming training camp at the University of Olomouc.

Rhiannon Copsey, Brooke Copsey, Lachlan Blake and Joel Rickard have all been chosen to join the "Keep Swimming Camp 2019" organised by the Gladstone Swimming Club Head Coach, Tom Fronek. This camp will give them an opportunity to experience how Olympians and World Champions train," Fronek said.

Prior to the camp, the Gladiators will travel to Brno to compete in a 1km/5km Open Water Swim. This is a European National Qualifying event and they are expecting some strong competition.

The squad flew out of Gladstone for Prague on Tuesday the night of 18 June. Good luck students and we can't wait to hear all about this great opportunity when you get back!

## Rugby 7's

### BOYS

It was an awesome day of 7's Rugby enjoyed by both the players and the coaches. The Under 13 boys had a memorable 1st game, beating Rockhampton Grammar. They struggled against a much tougher St Brendans outfit, but, they played with heart and character and they can be commended for never giving in. The Under 13 boys ended up 3rd in the competition. The player of the tournament for the Under 13 boys' side from a Chanel College perspective was Tomas Murphy.

The Under 15 boys played one of the most memorable games of 7's rugby ever, narrowly going down to a well drilled St Brendan's team. The boys 'bled' for each other on that field, quite literally with captain Billy Devlin playing the game with a busted nose. All players put their bodies on the line. The Under 15 boys team ended up 4th, only losing every game by 1 try and against teams like The Cathedral College, Rockhampton Grammar and St Brendan's. They epitomised what 7's Schoolboy Rugby is all about. The player of the tournament from a Chanel College perspective was Billy Devlin.

### GIRLS

Under 15 girls played a strong tournament, which was the first for many of our players. They played some great rugby against Rockhampton Grammar, Combined Emerald Schools and The Cathedral College, only going down by a small margin in each game. Their improvement over the course of the carnival helped them to a 21-10 win over Barbets Bullets in their final game of the day. The player of the tournament was Alisha Mann who demonstrated effective attack, support play and crushing defence.

The Open Girls played great rugby as well, unfortunately going down in each of their pool matches by only a try against The Cathedral College and Rockhampton Girls Grammar. Their final game of the day saw them take on Rockhampton Grammar School where, despite some smart and fast play, they lost another close game. Player of the Tournament was Lucy Devlin, who led from the front, creating gaps in the defensive line and showed a ruthless approach to the breakdown.

It was an amazing first tournament of the year for both our Chanel College teams!

## AIME Program Day

On Wednesday 5 June, fifteen Chanel College students attended the first AIME Program Day for 2019. The day was full of activities such as writing down goals for the year and identifying ways to achieve these, how to shed shame, storytelling, STEM activities, Indigenous Art painting and learning about the Indigenous Tribes throughout Australia. The students enjoyed the day and were very engaged during the action packed Program Day.

Looking forward to the next Program Day in August!
