CHILDCARE BENEFIT AND REBATE INFORMATION

This service is required to register all children enrolled and attending care, in the Department of Education and Training (DET) Child Care Management System (CCMS).

Under this system the parent/carer and child CRN (Customer Reference Number) and DOB (date of birth) are the dual validators to enable reduced fees to be charged.

It is essential that the information below precisely matches that submitted to Centrelink. Any discrepancies will lead to the service being unable to process the CCB & CCR claim and ensure the appropriate reduction in your fees.

Where parents/carers hold separate CRN's, a separate form for each parent will need to be completed. To ensure that you are able to take advantage of the reduction in fees under CCMS, please complete the section below following information and return to the service. **It is the parent/carer's responsibility to obtain and update this information.**
