**Our Official Opening of our Refurbishment Project**

**Next Wednesday**

**Dear Parents and Caregivers,**

We're very excited that next week we will have the privilege of hosting a special event with our new Bishop Michael McCarthy DD, the Member for Whitsunday- Mr Jason Costigan and our Director for Catholic Education- Miss Lessa Jeffcoat in attendance. The occasion will be the official blessing and opening of our refurbished Prep Centre and OSHC Office, our two new Year 2 classrooms and our covered walkway. These projects were achieved through the hard work of many people within the school, Diocesan Catholic Education Office and the wider community. It was a significant improvement and expansion of our facilities and it was made possible through the generous funding of the State Government and Catholic Community. We are very proud and thankful of these school improvements and the contribution they make to the continuing efforts of our community to provide for and maximise the learning of the children who attend our school.

To celebrate this achievement we would extend a warm invitation to all our parents and friends to join with the Official party, invited guests and our school to celebrate with our Bishop and our Parish Priest Fr Peter, to officially open and bless these new facilities next Wednesday (13<sup>th</sup> August) at 11.00am in the Hall. In an important way we thank God for his providence and we use this occasion to honour and show our appreciation for all those who have worked to bring it to fruition.

We look forward to as many of our parent community joining with us to pray and to give thanks. *All are invited and welcome.* If you wish to attend please assemble with the school in the hall at around 10.30am for the commencement of our ceremony at 11.00am.

St Joseph's has much to be thankful for. A great school, a welcoming community, good teachers/support staff and caring children who strive to do their best. Let's gather as a Community next Wednesday (13<sup>th</sup> August) 11.00am, to ask for God's continued blessing and to give thanks.

Yours in Christ,

Shane.

## CURRICULUM CORNER

Book Week in Australia runs from Saturday 16 August - Friday 22 August. This year the theme for Children's Book Week this year is: **Connect to Reading**. What a great theme! On a basic level, we want kids to connect by simply participating in the act of reading - whether that reading be a short-listed book, a magazine article about football heroes or a sign saying Wet Paint. We want them to understand the prevalence of reading in their lives, and how important it is to both enjoy reading and develop reading skills. Delving deeper, we encourage children to **MAKE** connections between what they read, and other things they think, feel, know of. We encourage them to identify connections between what they read and their own lives. We hope they'll embrace reading and connect books to other activities, other people's stories, other media

Helping kids connect to reading is vital. By connecting what they read to their own experiences, to other books and media, and to what they know of the real world, children can enter further into literature and enrich their own lives. Connections help kids become part of a story and understand characters' motivations. By taking time to reflect on connections, children move beyond the superficial to gain some awareness of theme and the author's purpose. When they really connect to reading, kids begin to understand and appreciate. With encouragement, they begin to analyse and respond to literature, and go on to create literature of their own. Connecting with and responding to literature is found in every grade level in the Australian English Curriculum. And it's fun! In order to encourage Book Week, St Joseph's are having a dress up day on Friday, 15<sup>th</sup> August. On this day, all

students are asked to come to school dressed up as a character from the literacy unit that their year level are studying. (Check with your child's teacher for ideas if you are unsure). **This is meant to be a fun day, and a cost free day, so please find things at home to make dress ups.** Let your imaginations go wild!!! A parade of the costumes will take place at 9am in the school yard and parents are most welcome to attend. There will be more details in the newsletter next week.

**Just a reminder that all students are expected to participate and that this is NOT a free dress day.** If your child is not dressing up, they must wear their school uniform. However, I believe that in the spirit of promoting reading, that all of us here (including all staff) should dress up and deliver the message that reading is fun.

Have a great week,  
Deb Mallet

## YEAR BOOK – GRADE 6

Dear Parents/Caregivers

I have been asked to compile the yearbooks for "Year 6 Class of 2014".

If you have any school related photos which you would like to see printed in the yearbook please forward them to me in digital format to the below email address.

With 2014 being a huge year (Musical & Melbourne Camp) not all photos will be able to be printed, but I will endeavour to do my best!

Parents of children that did not start at St Joseph's are asked to send individual school photo(s) so these can be included for each year level they were not at St Joseph's.

The yearbooks are funded by St Joseph's P&F and are of no cost to parents.

If there is anything else you would like to submit please contact me via email.
