

St Joseph's Catholic Primary School Wandal Behaviour Policy

Approved: 2004 | For Review 2019

Policy Statement

Parents and teachers will encourage each child to develop self-discipline and a sense of Christian social responsibility. The life and teachings of Jesus provide us with our model, and as such LOVE will be evidenced as the motivation.

Description

PREAMBLE:

St Joseph's School as part of the Catholic diocese of Rockhampton strives to become a community of learning for all aspects of life in Church and society. It has a particular concern for justice and charity in a climate of mutual respect for self and others.

VALUE STATEMENT

St Joseph's School community is dedicated to provide an environment where all are treated with respect, dignity and care. Individuals are encouraged to develop the values of equality, justice, compassion and reconciliation.

Implementation Issues

Teachers will develop behaviour strategies in partnership with parents and students consistent with the values of this policy.

The development each child's self discipline, self esteem and a sense of community responsibility will be encouraged at all times.

A climate of emotional and physical security will be promoted.

Positive teacher/pupil relationships will be encouraged.

Socially responsible behaviour will be encouraged and affirmed.

A co-operative learning environment will be encouraged, therefore enabling students to assume responsibility for their own learning behaviour.

Parents will be informed about recurring behaviour problems and involved in the collaborative process to develop strategies for the solution of these problems. Counselling may be at the request of the school or parents.
